使用说明与资料范围

How to use this guide and what it covers

这份讲义完整整理两份附件中的职业道德资料：题库 PDF 第 147-183 页（本节第 1-37 页）的 148 道原题，以及答案 PDF 第 1-148 页。保留原题编号、所有条件与选项；按知识点重新编排，不新增题目。

This guide covers all 148 Ethics questions on bank PDF pages 147-183 (section pages 1-37), matched to solution PDF pages 1-148. Original IDs, facts and choices are retained. Questions are regrouped for learning; none has been invented.

每个分组：先学核心规则，再做示范原题，最后练同类题。每题均附中英题干与选项、原答案、解题理由、干扰项分析、易错提示及来源页码。

Each study unit begins with rules, followed by core examples and related practice. Every question includes both languages, the supplied key, reasoning, distractor analysis, a recall cue and source pages.

资料年份与题源 / Year and provenance

附件未明确标出考纲年份，也没有足以核实“官方题 / 模拟题”的出版信息。答案 PDF 的创建、修改日期只能说明文件时间，不能证明教材年份。本讲义面向 2026 复习，但不会把这些原题标成“2026 官方题”。

The uploads do not establish a curriculum year or verifiable official/mock provenance. File creation and modification dates are not curriculum dates. This guide supports 2026 revision but does not label the questions as official 2026 questions.

题干只归并换行和排版空格。原件的明显错字保留在英文中并作说明；Q36 缺失的选项编号标为“待补充 / Missing information”。中文翻译与解析为学习整理，不是官方中文译文。

Only line breaks and spacing are normalized in the original questions. Printed errors are retained and explained; the missing numeral in Q36 is marked as missing. Chinese translations and teaching explanations are editorial study aids.

答案如何处理 / Treatment of the answer key

148 个正确选项均与第二份文档逐题核对。正文解析采用精简重述，不逐字复制整页答案。当原解依赖题干未明示的前提，或把建议写成强制要求时，保留给定答案并另列适用边界。

All 148 answer letters are checked against the second document. Explanations are concise teaching paraphrases. Where a solution relies on an unstated premise or overstates guidance, its key is retained and the limitation is made explicit.

现行准则核对 / Current standards check

采用 CFA Institute 现行第 12 版手册及 2026 一级单元目录核对版本。2024 年修订另作提示；没有原题对应的新条款只作知识补充。参考文献 [R1]-[R12] 列于书末，核对日期 2026-11-02。

Version notes use the current 12th-edition Handbook and the 2026 Level I topic outline. Revisions without a matching uploaded question are taught as supplementary rules, with no invented practice question. References [R1]-[R12] are listed at the end; checked 2 November 2026.

90 分钟第一轮与 28 题路线

A 90-minute first pass and 28 original core examples

目标是先形成判断框架，再找出薄弱点。90 分钟用于第一轮定位，不代表已完成全部 148 题训练。答案紧随题目；作答时先遮住解析。

The first pass builds a decision framework and identifies weaknesses; it is not a claim that all 148 questions can be mastered in 90 minutes. Cover the explanation while answering.

版本提醒：旧题与现行规则

Version notes: older wording and current rules

CFA Institute 的修订自 2024 年 1 月 1 日生效；现行指引为第 12 版手册。附件年份未能确定，因此本页只说明学习时需要补齐或限定的规则，不断言整套题属于某个旧考纲。[R1]

The revisions took effect on 1 January 2024 and are reflected in the current 12th-edition Handbook. The uploaded curriculum year is unverified; these notes identify rules to supplement or qualify, rather than assigning the entire bank to an old syllabus. [R1]

I(E) 专业胜任能力 / Competence

必须具备并持续保持履行职责所需能力；没有统一指定的强制继续教育课程。不能仅以一次亏损认定不胜任。原题没有独立对应题，不自行补题。[R3]

Maintain competence appropriate to the role. No particular continuing-education program is universally mandated, and a loss alone does not establish incompetence. There is no matching standalone uploaded question. [R3]

V(B) 服务及费用披露 / Services and costs

应说明提供什么服务、客户承担哪些费用，变化时及时更新；不要求任何情况下都预先给出精确金额。不要与 Q56 的转介利益估计金额混淆。[R4, R11]

Disclose the services offered and associated client costs, updating material changes. An exact advance dollar amount is not always required. Distinguish this from estimated referral compensation in Q56. [R4, R11]

VI(A) 避免或披露冲突 / Avoid or Disclose Conflicts

原题常用旧标题 Disclosure of Conflicts。现行要求避免冲突或充分、公平、显著且易懂地披露；披露不能使其他禁止行为自动合法。对应 Q121、Q140。[R5]

The bank often uses the older title. Avoid conflicts or disclose them fully, fairly, prominently and clearly. Disclosure does not legalize otherwise prohibited conduct. See Q121 and Q140. [R5]

两个容易背错的边界 / Two distinctions to retain

客户对过去表现的感谢礼物强调向雇主披露；与雇主竞争或可能冲突的额外报酬须事先取得相关各方书面同意。Q119 保留原答案，并说明它采用的范围。[R7, R8]

A client’s gift for past performance calls for employer disclosure. Additional compensation that competes or conflicts with the employer requires advance written consent from all involved parties. Q119 retains its supplied key with a qualification. [R7, R8]

家庭收费客户享有公平客户待遇；本人实益权益可能增加事前审批与申报要求。Q16 与 Q141 要一起理解。记录“七年”及至少季度报表是有条件的建议口径，见 Q70、Q87、Q143。[R6, R9, R10]

Fee-paying family clients retain fair treatment; beneficial ownership may add preclearance and reporting. Read Q16 with Q141. Seven-year retention and quarterly statements must be understood with their qualifying guidance; see Q70, Q87 and Q143. [R6, R9, R10]

01 职业伦理、准则与处分程序

Ethics, the Code and the Conduct Program

5 道原题 / original questions | 核心规则 / Core rules

先识别对谁负有什么责任，再判断行为与程序。收益好坏、是否受罚，都不能代替伦理判断。

Identify the duty and the person to whom it is owed, then assess conduct and process. Investment outcomes and punishment do not determine whether conduct is ethical.

01 伦理关注应当如何行为；职业以专门知识、服务他人与共同遵守的伦理准则为基础。诚信、公平、勤勉及尊重他人权利属于常见原则，欺骗不属于。

Ethics concerns how people should act. A profession combines specialized knowledge, service to others and a shared ethical code. Honesty, fairness, diligence and respect for rights are common principles; deception is not.

对应原题 / Source examples: Q2 / Q3

02 Code 六项速记：①诚信、胜任、勤勉、尊重与道德行为；②职业诚信和客户利益先于个人利益；③合理谨慎与独立判断；④以身作则并鼓励专业道德行为；⑤维护全球资本市场诚信与活力，最终造福社会；⑥保持并提升自己及其他从业者的专业能力。

Six Code themes: (1) integrity, competence, diligence, respect and ethical conduct; (2) professional integrity and client interests ahead of personal interests; (3) reasonable care and independent judgment; (4) practice and encourage ethical professionalism; (5) support sound global capital markets for society; (6) maintain and improve your own and others' professional competence.

对应原题 / Source examples: Q1

03 六项 Code 是方向，七大 Standards 是具体责任：I专业精神、II市场诚信、III客户、IV雇主、V研究与沟通、VI利益冲突、VII协会与资格。读情景题时先定位责任，再核对行为。

The six Code principles provide direction. The seven Standards organize duties: I professionalism; II market integrity; III clients; IV employers; V research and communication; VI conflicts; VII CFA Institute and designation. Locate the duty before assessing an action.

对应原题 / Source examples: Q1 / Q4

04 PCP 线索不只有判罪：会员及考生须在年度职业操守声明中披露质疑其专业行为的事项，例如正式书面投诉；网络监测也可发现考试泄密。被投诉不等于已被认定违规。

PCP inquiries do not require a conviction. Members and candidates self-disclose matters questioning their professional conduct, including written complaints, on the annual statement. Online monitoring can detect exam disclosures. An allegation is not a finding of misconduct.

对应原题 / Source examples: Q4 / Q105

05 看清动词与问法：must 是要求，recommended 是建议；most likely 与 least likely 方向相反。先圈人物、信息、利益、时点、同意或披露，再排除无关的盈亏结果。

Read the command carefully: must signals a requirement; recommended signals guidance. Most likely and least likely reverse the task. Mark people, information, benefits, timing and consent or disclosure before ignoring irrelevant profit or loss outcomes.

对应原题 / Source examples: Q24 / Q64 / Q70 / Q130 / Q143

易错提醒 / Common trap

不要把合法等同于道德、把亏损等同于违规，或把所有建议程序写成绝对强制要求。

Do not equate legality with ethical conduct, losses with violations, or every recommended procedure with an absolute requirement.

先做示范 / Start here: Q1 / Q4

Q001 道德守则的利益排序

CORE EXAMPLE | Priorities in the Code of Ethics

原题来源 / Source: 题库 PDF p.147（本节 p.1）| 答案 PDF p.1 | Code of Ethics

英文原题 / Original question

Which of the following statements most likely reflects one of the six components of the CFA Code of Ethics? Candidates must:

中文对照 / Chinese translation

以下哪项最可能体现 CFA 道德守则六项内容之一？考生必须：

A. place the integrity of the investment profession above their own interests.

A. 将投资行业的诚信置于个人利益之上。

B. promote the viability of the global capital markets for their employer's benefit.

B. 为了雇主的利益，促进全球资本市场的健康运作。

C. ignore unprofessional conduct displayed by others within the profession.

C. 忽视业内其他人的不专业行为。

正确答案 / Correct answer: A | Code of Ethics

职业诚信与客户利益优先于个人利益。促进资本市场诚信与健康运作的最终受益者是社会；会员和考生也应鼓励他人遵守职业道德。

The Code places the integrity of the investment profession and clients' interests above personal interests. Its market objective ultimately benefits society, and members should encourage ethical conduct by others.

其余选项为什么错 / Why the other choices fail

B：最终目标是社会利益，不只是雇主利益。C：应鼓励专业与道德行为，不能无视不当行为。

B: The ultimate beneficiary is society, rather than only the employer. C: Members should encourage professional and ethical conduct.

记忆提示 / Recall: 看到"个人利益优先"或"只为雇主"，先警惕。

Watch for wording that prioritizes personal interests or only the employer.

Q004 专业行为事项的自我披露

CORE EXAMPLE | Self-disclosure of conduct matters

原题来源 / Source: 题库 PDF p.147（本节 p.1）| 答案 PDF p.4 | Professional Conduct Program

英文原题 / Original question

Tibor Figeczky, CFA, is an equity trader at Global Investment Bank (GB). Figeczky traded the bank's investment portfolio profitably for the past three years and earned significant bonuses for his efforts. Subsequently, internal auditors of GB formally accused Figeczky of exceeding his trading authority and engaging in unauthorized trades. According to the CFA Institute Code of Ethics and Standards of Professional Conduct, Figeczky should most likely.

中文对照 / Chinese translation

Tibor Figeczky，CFA，是 Global Investment Bank（GB）的股票交易员。过去三年，他为银行投资组合交易并取得盈利，因此获得了可观奖金。随后，GB 内部审计人员正式指控他超越交易权限并进行未经授权的交易。根据 CFA Institute 道德守则与专业行为准则，Figeczky 最可能应当：

A. disclose the complaint to CFA Institute.

A. 向 CFA Institute 披露该投诉。

B. refuse further bonuses until the issue is resolved.

B. 在问题解决前拒绝领取进一步奖金。

C. request a temporary suspension of his CFA Institute membership.

C. 请求暂时中止其 CFA Institute 会员资格。

正确答案 / Correct answer: A | Professional Conduct Program

正式投诉属于可能质疑专业行为的事项，应在专业行为声明中如实披露。被投诉并不等于已被认定违规，也不会自动要求停领奖金或暂停会员资格。

A formal complaint questioning professional conduct must be disclosed through the Professional Conduct Statement. An allegation is not a finding of misconduct and does not automatically require refusing bonuses or requesting membership suspension.

其余选项为什么错 / Why the other choices fail

B：调查期间并无一概禁止领取奖金的要求。C：无需自行申请暂停会员资格。

B: The Standards do not automatically prohibit bonuses during an investigation. C: A voluntary membership suspension is not required.

记忆提示 / Recall: “被正式投诉”触发披露，不等于自动有罪。

A formal complaint triggers disclosure, not an automatic finding of guilt.

Q002 专业职业的特征

PRACTICE | Characteristics of a profession

原题来源 / Source: 题库 PDF p.147（本节 p.1）| 答案 PDF p.2 | Ethics and professionalism

英文原题 / Original question

A profession is most likely described as a group of people that:

中文对照 / Chinese translation

一个专业职业最可能被描述为具有以下哪项特征的一群人？

A. has a common level of basic knowledge about a particular subject

A. 对某一特定主题拥有共同水平的基础知识。

B. monitors its members based on an agreed-on code of ethics.

B. 依据共同认可的道德守则监督其成员。

C. puts the interests of its members first.

C. 将本职业成员的利益置于首位。

正确答案 / Correct answer: B | Ethics and professionalism

专业职业以专门知识与技能、服务他人以及共同的道德守则为基础，并据此监督成员行为。仅有共同基础知识不足以构成专业职业。

A profession combines specialized knowledge and skills, service to others, and a shared code of ethics used to monitor its members. Shared basic knowledge alone is insufficient.

其余选项为什么错 / Why the other choices fail

A："基础知识"不足，重点是专门知识与技能。C：专业职业服务他人，不能只优先保护成员利益。

A: A profession requires specialized knowledge and skills. C: Service to others is central; members' interests do not automatically come first.

记忆提示 / Recall: 专业职业 = 专门能力 + 服务他人 + 共同伦理。

Profession = specialized competence + service + shared ethics.

Q003 道德原则与反义词

PRACTICE | Ethical principles and their opposites

原题来源 / Source: 题库 PDF p.147（本节 p.1）| 答案 PDF p.3 | Ethics

英文原题 / Original question

Most societies would least likely consider ethical principles to include:

中文对照 / Chinese translation

大多数社会最不可能将以下哪项视为道德原则？

A. justice.

A. 公正。

B. duplicity.

B. 欺骗或表里不一。

C. diligence.

C. 勤勉。

正确答案 / Correct answer: B | Ethics

公正、诚实、勤勉及尊重他人权利通常属于道德原则。Duplicity 指欺骗或两面性，与诚实相反。题目问的是 least likely。

Justice, honesty, diligence, and respect for others' rights are commonly recognized ethical principles. Duplicity means deception or double-dealing and conflicts with honesty. The question asks for the least likely item.

其余选项为什么错 / Why the other choices fail

A：公正属于道德原则。C：勤勉也属于道德原则。

A: Justice is an ethical principle. C: Diligence is also an ethical principle.

记忆提示 / Recall: 先圈出 least likely，再找不道德的一项。

Identify "least likely" before choosing the unethical term.

Q105 职业操守调查的信息来源

PRACTICE | Sources of professional conduct inquiries

原题来源 / Source: 题库 PDF p.173（本节 p.27）| 答案 PDF p.105 | Professional Conduct Program

英文原题 / Original question

Disclosure of confidential CFA exam information will most likely be detected by the Professional Conduct staff through:

中文对照 / Chinese translation

泄露 CFA 考试保密信息的行为，最可能由职业操守工作人员通过以下哪种方式发现？

A. monitoring online and social media.

A. 监测互联网和社交媒体。

B. analysis of Proctor Reports.

B. 分析监考人员报告。

C. annual Professional Conduct Statements.

C. 年度职业操守声明。

正确答案 / Correct answer: A | Professional Conduct Program

在网上讨论或披露具体考试信息，最容易通过网络与社交媒体监测被发现。题目问的是此类泄密最相关的调查来源。

Online and social media monitoring directly targets public disclosure of confidential examination information. The question asks for the most likely detection channel for this particular conduct.

其余选项为什么错 / Why the other choices fail

B：监考报告主要反映考场内的观察。C：年度声明也是调查来源，但不是网络泄密最直接的发现方式。

B: Proctor reports primarily capture examination-room incidents. C: Annual statements can trigger inquiries but are not the most direct channel for online leaks.

记忆提示 / Recall: 看到网上泄题，联想到社交媒体监测。

Online exam disclosure points to social media monitoring.

02 I(A) 法律知识与脱离违规

I(A) Knowledge of the Law and Dissociation

5 道原题 / original questions | 核心规则 / Core rules

不参与、不协助，并在必要时真正脱离。沉默继续参与，也可能构成协助。

Do not participate in or assist misconduct, and dissociate when necessary. Remaining silent while continuing to participate can amount to assistance.

01 必须了解并遵守适用于工作职责的法律与准则；冲突时遵循更严格的要求。要求是有与岗位相称的理解，并非成为所有法律领域的专家。

Understand and comply with laws and Standards relevant to your duties, applying the stricter requirement when they conflict. Relevant understanding is required; expertise in every possible law is not.

对应原题 / Source examples: Q131 / Q113

02 有合理依据认为正在或即将发生违法、不道德行为，应提出问题、寻求处理，并脱离违规活动。仅"我没有亲口说谎"不足以免责。

When there are reasonable grounds to believe misconduct is occurring or imminent, raise the concern, seek a remedy and dissociate. Saying that you did not personally make a false statement is insufficient if you continued assisting.

对应原题 / Source examples: Q20 / Q33 / Q131

03 向外部监管机构举报并非所有情景下的普遍要求；法律要求举报时必须遵守。内部上报、咨询合规或法律顾问、脱离活动，与外部举报是不同步骤。

External reporting is not a universal duty in every case; follow any legal reporting obligation. Internal escalation, consulting compliance or counsel, dissociation and regulatory reporting are distinct actions.

对应原题 / Source examples: Q96 / Q131 / Q147

04 建议公司设置书面举报程序；遇到抄袭等违规，应先尝试阻止和纠正，并向适当负责人报告，不能为了合同进度而默许。

Encourage written reporting procedures. For conduct such as plagiarism, first try to stop and correct it and notify the appropriate person; a contractual deadline does not justify acquiescence.

对应原题 / Source examples: Q96 / Q147

05 向 PCP 配合调查仍须符合法律。若法律禁止披露客户资料，不能仅因协会提出要求就披露；有保密疑义应寻求法律指导。

Cooperation with the PCP remains subject to law. A request from CFA Institute does not override a legal prohibition on releasing client information. Seek legal guidance where confidentiality obligations are uncertain.

对应原题 / Source examples: Q113 / Q116

易错提醒 / Common trap

报告给别人不自动解除自己的责任；必须确认自己已停止参与违规。

Reporting a concern does not automatically discharge your own duty; ensure you have stopped participating in the misconduct.

先做示范 / Start here: Q20 / Q131

Q020 不参与他人的违规行为

CORE EXAMPLE | Dissociating from another person's violation

原题来源 / Source: 题库 PDF p.152（本节 p.6）| 答案 PDF p.20 | I(A); VII(B)

英文原题 / Original question

Jordan Kope, CFA, is an analyst with a hedge fund and works closely with Deepa Bose who earned her CFA designation 15 years ago. Kope becomes aware that Bose uses her CFA designation even though she no longer pays her membership dues. During several meetings that Bose and Kope have with the firm's clients, Bose emphasizes that all her team members, including herself, are CFA charter holders. To be consistent with the Standards, Kope should:

中文对照 / Chinese translation

Jordan Kope，CFA，是一家对冲基金的分析师，与十五年前取得 CFA 资格的 Deepa Bose 密切合作。Kope 得知 Bose 已不再缴纳会员费，却仍使用 CFA 称号。在两人与公司客户举行的几次会议中，Bose 强调其团队所有成员，包括她本人，都是 CFA 持证人。为遵守准则，Kope 应当：

A. only dissociate himself from activities involving Bose.

A. 只需与涉及 Bose 的相关活动切割。

B. only report Bose's conduct to the fund's compliance department.

B. 只需向基金合规部门报告 Bose 的行为。

C. dissociate himself from activities involving Bose and report Bose's conduct to the fund's compliance department.

C. 既与涉及 Bose 的相关活动切割，也向基金合规部门报告其行为。

正确答案 / Correct answer: C | I(A); VII(B)

明知客户会议中的 CFA 资格表述不实却继续参与，可能构成协助违规。Kope 应向合规部门反映并与相关误导活动切割；并非要求与该同事一切正常工作往来断绝。

Remaining involved in meetings that knowingly misstate designation status can assist the violation. Kope should raise the matter with compliance and dissociate from the misleading activities, rather than merely remain silent.

其余选项为什么错 / Why the other choices fail

A：本题还应通过合规部门处理已知误导。B：仅报告而继续参与误导活动仍不足。

A: The known misleading conduct should also be raised with compliance. B: Reporting alone is insufficient if he continues participating.

记忆提示 / Recall: 知道违规后，报告与停止参与是两件事。

Reporting a violation and ceasing participation are separate steps.

Q131 脱离违法或不道德行为

中文对照 / Chinese translation

会员若未做到以下哪项，最可能违反知悉法律准则？

A. dissociate from unethical conduct.

A. 脱离不道德行为。

B. report illegal activity to the appropriate regulatory organization.

B. 向适当监管机构举报违法活动。

C. have detailed knowledge of all the laws potentially governing her professional activities.

C. 详细掌握所有可能适用于其专业活动的法律。

正确答案 / Correct answer: A | I(A)

知情后仍与不当行为保持参与关联，可能被视为协助。应采取措施脱离；是否必须向监管机构举报，要看适用法律是否要求。

Continuing involvement in known improper conduct can amount to participation or assistance. Dissociation is required. External reporting depends on applicable legal obligations rather than a universal CFA reporting rule.

其余选项为什么错 / Why the other choices fail

B：准则并非无条件要求向外部监管者举报。C：应理解适用法律，但不要求成为所有相关法律细节的专家。

B: External reporting is not universally required by the standard. C: Members need relevant legal understanding, not expert knowledge of every detail.

记忆提示 / Recall: 必须脱离；是否举报再看法律。

Dissociate; assess reporting duties under applicable law.

Q033 切割违规活动

PRACTICE | Dissociation from unethical activity

原题来源 / Source: 题库 PDF p.155（本节 p.9）| 答案 PDF p.33 | I(A)

中文对照 / Chinese translation

一名会员认为某位同事正在工作中参与不道德活动，却没有与这些活动切割。该会员最可能违反：

A. only the Standard relating to knowledge of the law.

A. 仅“了解法律”准则。

B. only the Standard relating to disclosure of conflicts.

B. 仅“利益冲突披露”准则。

C. both the Standard relating to knowledge of the law and the Standard relating to disclosure of conflicts.

C. “了解法律”和“利益冲突披露”两项准则。

正确答案 / Correct answer: A | I(A)

有合理理由认为活动违法或不道德时，应停止参与并切割。持续关联且不作为可能被视为参与或协助；题目没有可识别的利益冲突披露问题。

A member with reasonable grounds to believe conduct is illegal or unethical must dissociate. Remaining associated and inactive can amount to participation or assistance. No separate conflict-disclosure issue is identified.

其余选项为什么错 / Why the other choices fail

B：本题核心是未切割违规，并非利益冲突。C：无事实支持额外的利益冲突披露违规。

B: The issue is failure to dissociate, not a conflict. C: No separate conflict-disclosure breach is supported.

记忆提示 / Recall: 旁观却继续参与，也可能是协助违规。

Silence while continuing participation can amount to assistance.

Q096 内部报告流程与求助渠道

原题来源 / Source: 题库 PDF p.171（本节 p.25）| 答案 PDF p.96 | I(A)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to knowledge of the law? Members should encourage their firms to:

中文对照 / Chinese translation

下列哪项属于遵守了解法律准则的建议程序？会员应鼓励公司：

A. distribute summaries of applicable security laws to clients at least annually.

A. 至少每年向客户分发适用证券法律的摘要。

B. provide written protocols for reporting suspected legal or regulatory violations.

B. 制定书面流程，供员工报告涉嫌违法或违反监管规定的行为。

C. seek the advice of a regulatory agency when in doubt about which action to take regarding potential violations.

C. 对潜在违规应采取何种行动存疑时，向监管机构寻求建议。

正确答案 / Correct answer: B | I(A)

书面报告流程可让员工清楚知道如何处理涉嫌违规。相关法律资讯应供员工了解；遇到不确定事项，建议向合规人员或法律顾问咨询。

Written reporting protocols help employees respond to suspected violations. Staff should have access to applicable legal information, and uncertainty should be discussed with compliance personnel or legal counsel.

其余选项为什么错 / Why the other choices fail

A：把法律资讯的建议接收对象从员工换成客户，还加入本题不要求的年度频率。C：本题的建议求助对象是合规或法律顾问，而不是监管机构人员。

A: It substitutes clients for employees and adds an unsupported annual requirement. C: The recommended advice channel is compliance personnel or legal counsel, not regulatory-agency staff.

记忆提示 / Recall: 程序题要核对对象、频率与行动动词，不能只看“好像很合规”。

Check audience, frequency, and action rather than choosing what merely sounds prudent.

Q113 法律优先于调查披露请求

PRACTICE | Legal limits on investigation disclosures

原题来源 / Source: 题库 PDF p.175（本节 p.29）| 答案 PDF p.113 | I(A); III(E)

英文原题 / Original question

A member works for a large investment firm. CFA Institute contacts the member to request support for a professional conduct investigation. In his response, the member discloses the requested information regarding client activities. Applicable law requires to maintain client confidentiality. Has the member most likely violated the Standards?

中文对照 / Chinese translation

一名会员在大型投资公司工作。CFA 协会联系他，请求协助职业操守调查。他回复时披露了被要求提供的客户活动资料，但适用法律要求他保持客户信息机密。他最可能违反了哪项准则？

A. No.

A. 没有违反。

B. Yes, the Standard relating to fair dealing.

B. 违反公平交易准则。

C. Yes, the Standard relating to knowledge of the law.

C. 违反知悉法律准则。

正确答案 / Correct answer: C | I(A); III(E)

法律明确要求保密时，不能以协助 CFA 调查为由披露。应先遵守适用法律；向 PCP 披露的许可有"法律允许"这一条件。

The law requires confidentiality. Cooperating with the PCP does not authorize violating that law. The permission to assist a professional conduct investigation is conditional on disclosure being legally permitted.

其余选项为什么错 / Why the other choices fail

A：调查请求并不豁免法律。B：问题是违法披露，而非客户间分配是否公平。

A: The request creates no legal exemption. B: This is a legal confidentiality issue, not fair dealing among clients.

记忆提示 / Recall: 看到法律明确禁止，先处理法律约束。

An explicit legal prohibition controls the disclosure decision.

03 I(B) 独立性、客观性与礼物

I(B) Independence, Objectivity and Gifts

6 道原题 / original questions | 核心规则 / Core rules

问利益是否会改变研究或建议，再判断应拒绝、披露，还是取得同意。

Ask whether a benefit could influence research or advice, then determine whether to refuse it, disclose it or obtain consent.

01 不得收受足以损害独立判断的利益。客户因已有服务关系给予的礼物，与发行人为了影响研究而送礼不同；不能把所有礼物一律视为禁止。

Do not accept benefits that compromise independent judgment. A gift from an existing client differs from an issuer's attempt to influence research; not every gift is automatically prohibited.

对应原题 / Source examples: Q106 / Q130

02 发行人付费研究可以开展，也可收取现金报酬；必须客观、独立并披露报酬性质及利益冲突。随报告结论变化的报酬或可因利好报告升值的权益，可能损害独立性。

Issuer-paid research and cash compensation are permitted if the work remains independent and objective and compensation and conflicts are disclosed. Outcome-linked fees or equity that benefits from favorable coverage can impair independence.

对应原题 / Source examples: Q8 / Q130

03 若公司不愿发布某企业的不利研究意见，应建议将该企业移出研究范围、列入限制名单，仅发布事实资料；不是移出限制名单继续宣传。

If a firm will not publish adverse opinions about a company, encourage removal from research coverage and placement on a restricted list, allowing factual information only.

对应原题 / Source examples: Q28 / Q36 / Q138

04 建议的控制包括 IPO 参与事前批准、严格限制私募投资，以及一般自付商业交通和住宿。要区分推荐程序与标准的核心义务，也不要将适度接待与所有不当利益混为一谈。

Recommended controls include preapproval of IPO participation, strict limits on private placements and normally paying commercial travel and lodging costs. Distinguish these procedures from the core duty, and assess ordinary hospitality in context.

对应原题 / Source examples: Q36 / Q130

05 发行人把热门 IPO 配售给经理个人账户以影响决策，属于利益诱导问题；正常为合适客户进行公平配售，应按客户适合性与公平交易分析。

An issuer's allocation of hot IPO shares to a manager's personal account can be an improper inducement. Fair allocations to suitable client accounts are assessed under suitability and fair dealing.

对应原题 / Source examples: Q138 / Q109 / Q110

易错提醒 / Common trap

披露不是允许接受任何利益的通行证。与未来业绩挂钩的额外报酬还应检查 IV(B) 的事前书面同意。

Disclosure does not make every benefit acceptable. Additional performance-linked compensation also requires analysis under IV(B), including prior written consent.

Q008 发行人付费研究

CORE EXAMPLE | Issuer-paid research

原题来源 / Source: 题库 PDF p.149（本节 p.3） | 答案 PDF p.8 | I(B)

英文原题 / Original question

According to the Standards, a member who is asked to produce an issuer-paid research report is required to:

中文对照 / Chinese translation

根据准则，受委托撰写由发行人付费的研究报告时，会员必须：

A. avoid cash compensation.

A. 避免收取现金报酬。

B. disclose the nature of their compensation in the report.

B. 在报告中披露报酬的性质。

C. decline to write the report if the member's firm provides investment banking services to the issuer.

C. 如果所属公司为发行人提供投资银行服务，则拒绝撰写报告。

正确答案 / Correct answer: B | I(B)

发行人付费研究可以开展，但必须保持独立、客观并充分披露报酬性质及潜在冲突。固定现金费用本身并非禁区；与结论或股价挂钩的报酬更可能损害独立性。

Issuer-paid research is permitted with independent analysis and disclosure of compensation and potential conflicts. Cash compensation itself is not prohibited; arrangements tied to favorable conclusions or equity value can compromise objectivity.

其余选项为什么错 / Why the other choices fail

A：并非禁止现金，重点是避免影响研究结论的报酬结构。C：投行业务关系需要控制与披露冲突，不自动禁止研究。

A: Cash is not inherently prohibited; the compensation structure matters. C: An investment-banking relationship requires conflict management and disclosure, not automatic refusal.

记忆提示 / Recall: 问“谁付钱”和“报酬是否影响结论”。

Ask who pays and whether compensation can influence the conclusion.

Q028 研究受压时的限制名单

CORE EXAMPLE | Restricted lists when research is constrained

原题来源 / Source: 题库 PDF p.154（本节 p.8）| 答案 PDF p.28 | I(B)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to independence and objectivity? Members should encourage their firms to:

中文对照 / Chinese translation

以下哪项是遵守“独立与客观”准则的建议程序？会员应鼓励公司：

A. prohibit any employee participation in equity-related IPO s.

A. 禁止任何员工参与股票相关首次公开募股（IPO）。

B. remove a corporate client company from the research universe and put it on a restricted list if the firm is unwilling to disseminate adverse opinions about the company.

B. 若公司不愿发布对企业客户的不利意见，则将该公司移出研究覆盖范围并列入限制名单。

C. provide every client with the procedures and policies for reporting potentially unethical behaviour, violations of regulations, or other activities that may harm the firm's reputation.

C. 向每位客户提供报告潜在不道德行为、法规违规或其他可能损害公司声誉事项的程序与政策。

正确答案 / Correct answer: B | I(B)

若不能允许分析师独立发布负面意见，应停止研究推荐并列入限制名单，仅发布事实性信息。这样避免公司商业关系扭曲投资研究结论。

When a firm will not permit adverse opinions about a corporate client, remove the company from active research coverage and use a restricted list, limiting communication to factual information rather than compromised recommendations.

其余选项为什么错 / Why the other choices fail

A：IPO 员工交易可通过审批和限制管理，并非必须全面禁止。C：此类内部报告程序主要面向员工，不是本项建议。

A: Employee IPO participation may be controlled through approval and limits. C: Internal reporting procedures are primarily directed to employees, not every client.

记忆提示 / Recall: 不能独立出观点，就限制研究，只报事实。

If independent opinions cannot be issued, restrict coverage to factual information.

Procedure 2	Prohibit employees from receiving reimbursement from corporate issuers for air transportation when attending meetings at the issuers' headquarters.
Procedure 3	Remove a company from the restricted list if the firm is unwilling to permit dissemination of adverse opinions about the company.

中文对照 / Chinese translation

以下哪些属于遵守“独立与客观”准则的建议程序？

程序 1：限制投资人员购买私募证券。

程序 2：禁止员工在参加发行人总部会议时接受发行人报销航空交通费用。

程序 3：若公司不愿发布对某公司的不利意见，则将该公司从限制名单移除。

A. Procedure 1 and Procedure 2

A. 程序 1 和程序 2。

B. Procedure 1 and Procedure 3

B. 程序 1 和程序 3。

C. Procedure 2 and Procedure

C. 程序 2 和程序 [编号待补充] 。

正确答案 / Correct answer: A | I(B)

限制私募投资以及避免发行人承担商业航空交通费用，有助于维护独立性。若不能发布负面意见，应将公司列入限制名单，而非移出。

Limits on private placements and avoiding issuer reimbursement for commercial air travel support independence. If adverse opinions cannot be published, the company should be placed on a restricted list rather than removed.

其余选项为什么错 / Why the other choices fail

B：程序 3 的方向相反。C：原文末尾缺失编号，无法完整比较；已完整的程序 1、2 与答案文件均支持 A。

B: Procedure 3 reverses the appropriate action. C: Its final procedure number is missing; the complete first two procedures and supplied solution support A.

记忆提示 / Recall: 不独立的研究要入限制名单；不是移出名单。

Constrained research belongs on a restricted list, not off it.

原文提示 / Source note: C 选项原件确为 Procedure 2 and Procedure，末尾编号缺失。须标待补充，不自行补 3。给定答案 A 不受该缺字影响。 / Option C ends at Procedure 2 and Procedure; its final numeral is absent in the source. Mark Missing information rather than supplying a number. Supplied key A is retained.

Q106 客户礼物与补充报酬

PRACTICE | Client gifts as supplementary compensation

原题来源 / Source: 题库 PDF p.173（本节 p.27）| 答案 PDF p.106 | I(B)

英文原题 / Original question

According to the Standard relating to independence and objectivity:

中文对照 / Chinese translation

根据独立性与客观性准则：

A. a gift from a client could be considered supplementary compensation.

A. 客户赠送的礼物可能被视为补充报酬。

B. compensation arrangements should link analyst remuneration to investment banking assignments.

B. 薪酬安排应把分析师报酬与投资银行业务任务挂钩。

C. portfolio managers may report sell-side analysts to covered companies if analysts 'changes in recommendation adversely affect client portfolios.

C. 若卖方分析师调整建议损害客户组合，组合经理可以向被研究公司举报这些分析师。

正确答案 / Correct answer: A | I(B)

已有客户的礼物可具有补充报酬性质，应按相关披露与同意要求处理。不能把它与发行人企图影响研究判断的礼物简单混为一谈。

A client gift may be supplementary compensation within an existing client relationship. Appropriate disclosure and, where applicable, consent are still needed. It differs from an issuer benefit intended to influence research.

其余选项为什么错 / Why the other choices fail

B：投行业务与分析师薪酬挂钩会威胁独立性。C：借被研究公司施压分析师会损害客观研究。

B: Linking pay to investment-banking assignments threatens independence. C: Pressuring analysts through covered companies undermines objective research.

记忆提示 / Recall: 先辨别送礼人、目的和时间，再判断披露或同意。

Identify the giver, purpose, and timing before deciding disclosure or consent.

Q130 发行人付费研究

PRACTICE | Issuer-paid research

原题来源 / Source: 题库 PDF p.179（本节 p.33）| 答案 PDF p.130 | I(B)

According to the Standard related to independence and objectivity, a member must:

中文对照 / Chinese translation

根据独立性与客观性准则，会员必须：

A. refuse all business-related gifts.

A. 拒绝所有与业务有关的礼物。

B. adhere to strict standards of conduct that govern how issuer-paid research is conducted.

B. 遵守规范发行人付费研究开展方式的严格行为要求。

C. pay for transportation, hotel and meal expenses when attending meetings at an issuer's headquarters.

C. 到发行人总部参加会议时，自行承担交通、酒店与餐饮费用。

正确答案 / Correct answer: B | I(B)

发行人付费研究并非一概禁止，但必须独立、充分且无偏见，并披露报酬安排与潜在冲突。题干问“必须”，因此应与一般建议程序区分。

Issuer-paid research is permitted only with independent, thorough, unbiased analysis and disclosure of relevant compensation and conflicts. The question asks for a requirement, not a blanket extension of recommended practices.

其余选项为什么错 / Why the other choices fail

A：并非所有小额合理礼物都被禁止。C：自付商业交通与住宿是重要建议，但该选项把一切餐饮等都绝对化为必需。

A: Not every modest gift is prohibited. C: The option overstates recommendations as an absolute duty to pay every expense, including all meals.

记忆提示 / Recall: 付费研究可做，但利益不能决定结论。

Paid research is possible; payment must not determine the conclusion.

Q138 限制名单与热门 IPO 利益

PRACTICE | Restricted lists and hot IPO benefits

原题来源 / Source: 题库 PDF p.180（本节 p.34）| 答案 PDF p.138 | I(B); VI(B)

英文原题 / Original question

According to the Standard relating to independence and objectivity, which of the following is accurate?

Statement 1	A member should encourage her firm to remove a covered company from a restricted list if the firm is unwilling to permit dissemination of an adverse opinion about the company.
Statement 2	A member is prohibited from accepting benefits from corporate issuers in the form of allocation of shares in oversubscribed IPO s suitable for firm's clients.

中文对照 / Chinese translation

根据独立性与客观性准则，以下哪些陈述准确？

陈述 1：若公司不愿允许传播对某被研究公司的负面意见，会员应鼓励公司把该公司从限制名单移除。

陈述 2：会员不得接受公司发行人提供的利益，即获配本来适合公司客户投资的超额认购 IPO 股份。

A. Statement 1 only

A. 仅陈述 1。

B. Statement 2 only

B. 仅陈述 2。

C. Both Statement 1 and Statement 2

C. 陈述 1 和陈述 2。

正确答案 / Correct answer: B | I(B); VI(B)

不允许客观负面研究时，应从研究范围移除并加入限制名单，而非从名单删除。原解将 IPO 股份理解为给经理个人账户的优待利益，此类利益不得接受。

A firm that prevents adverse research should place the company on a restricted list rather than remove it. The source interprets the IPO allocation as a preferential personal benefit to the manager, which is prohibited.

其余选项为什么错 / Why the other choices fail

A：陈述 1 把“加入”写成“移除”。C：因此不可能两项都对。

A: Statement 1 reverses the required direction. C: Both cannot be correct when Statement 1 is wrong.

记忆提示 / Recall: 不能客观覆盖，就限制覆盖；不以热门配售奖励个人。

Restrict conflicted coverage; do not reward managers with personal hot-issue allocations.

适用边界 / Qualification: 原题陈述 2 未明确写“个人账户”，原解析补充了这一适用范围；正常向适合的客户账户分配 IPO 并非被禁止，参见 Q109、Q110。

Statement 2 omits the explicit personal-account qualifier used by the solution. Normal allocations to suitable client accounts are not prohibited; compare Q109 and Q110.

I(C)-I(D) Misrepresentation and Misconduct

11 道原题 / original questions | 核心规则 / Core rules

先看信息是否误导，再看行为是否涉及欺诈或损害专业诚信。没有损失也可能违规。

Assess whether information misleads and whether conduct involves dishonesty or undermines professional integrity. A violation can exist without financial loss.

01 不得在报告、营销材料或口头陈述中明知而作虚假或误导表示。沿用公司的夸大宣传册仍须负责；只展示最好账户可能同时触犯业绩披露要求。

Do not knowingly mislead in reports, marketing or speech. Using a firm’s inflated brochure does not remove responsibility, and presenting only the best account can also violate performance presentation duties.

对应原题 / Source examples: Q9 / Q19

02 不能保证有波动风险投资的特定回报；完整返还本金也不能消除之前虚假承诺的问题。真实、清楚标明口径的历史表现，可以陈述。

Do not guarantee a specific return on a volatile investment. Returning capital does not cure a misleading promise. Accurate historical performance may be reported with clear context.

对应原题 / Source examples: Q44 / Q122 / Q123

03 引用他人的观点、资料与文字应注明来源。通过报纸获知的研究应追溯原来源，或说明中间来源和原作者；略改措辞不能使抄袭合法化。

Attribute others’ ideas, data and wording. When research is found through an intermediary, obtain and cite the original or identify both sources appropriately. Minor wording changes do not cure plagiarism.

对应原题 / Source examples: Q5 / Q147

04 个人破产、因信念而进行的公民抗命，不自动构成不当行为；关键是是否涉及欺骗，或损害专业声誉、诚信或能力。向慈善机构多收款给自己谋利则是欺诈。

Personal bankruptcy and civil disobedience are not automatic misconduct. Assess dishonesty and the effect on professional reputation, integrity or competence. Overcharging a charity to obtain a private benefit is fraudulent.

对应原题 / Source examples: Q27 / Q38 / Q43 / Q139

05 不能为了更好看的估值而挑选服务商，也不能声称拥有未取得的资格。公司指定获授权发言人，是减少虚假陈述的一项建议程序。

Do not choose a valuation provider simply to inflate reported values or claim an unearned credential. Designating authorized firm spokespersons is a recommended control against misrepresentation.

对应原题 / Source examples: Q74 / Q77 / Q127

易错提醒 / Common trap

只看是否违法、是否亏钱，会错过虚假宣传、抄袭和利益输送的判断。

中文对照 / Chinese translation

Emma Fischer，CFA，是覆盖银行业的分析师。她因巨额个人医疗账单未付而宣布破产。周末，她参加气候保护公众抗议活动；最近因抗议中擅闯他人地方而被捕，该行为在其所在国属于公民抗命。Fischer 是否违反准则？

A. No

A. 没有。

B. Yes, she has violated the Standard relating to misconduct

B. 有，违反“不当行为”准则。

C. Yes, she has violated the Standard relating to loyalty, prudence and care

C. 有，违反“忠诚、审慎与尽责”准则。

正确答案 / Correct answer: A | I(D); III(A)

医疗债务导致的破产，以及题述基于个人信念的公民抗命，未显示欺诈、不诚实或对职业能力的负面反映。也无证据显示其损害客户利益，不能仅据这些事实认定违规。

Medical-debt bankruptcy and the described civil disobedience do not establish dishonesty, fraud, or impaired professional integrity or competence. No harm to client duties is indicated, so these facts alone do not establish a violation.

其余选项为什么错 / Why the other choices fail

B：私人法律或财务事件不自动构成职业不当行为。C：题目没有违反客户义务的事实。

B: A personal legal or financial event is not automatically professional misconduct. C: No breach of duties to clients is stated.

记忆提示 / Recall: 私人事件是否违规，要看诚信、职业能力及客户影响。

Assess personal events by their implications for integrity, competence, and client duties.

Q077 估值来源选择与业绩基准

CORE EXAMPLE | Valuation-provider selection and performance benchmarks

原题来源 / Source: 题库 PDF p.166（本节 p.20）| 答案 PDF p.77 | I(C)

英文原题 / Original question

Donovan Jones, CFA, works at Grae Investments (GI). GI' s main product invests in liquid and illiquid assets. Prices for its illiquid holdings are determined by an independent valuation firm. Jones markets performance of the GI product without providing a comparison benchmark. Jones also switches to a different independent valuation firm because of the firm's reputation for giving illiquid assets higher valuations. Jones has most likely violated the Standard relating to misrepresentation:

中文对照 / Chinese translation

Donovan Jones，CFA，在 Grae Investments（GI）工作。GI 的主要产品同时投资流动性资产和非流动性资产，其非流动性持仓由独立估值公司定价。Jones 宣传该产品业绩时没有提供比较基准。他还更换了独立估值公司，原因是新公司以给予非流动性资产较高估值而知名。Jones 最可能因何违反虚假陈述准则？

A. only by switching valuation firms.

A. 仅因更换估值公司。

B. only by marketing performance without a benchmark.

B. 仅因没有比较基准而宣传业绩。

C. both by switching valuation firms and by marketing performance without a benchmark.

C. 既因更换估值公司，也因没有比较基准而宣传业绩。

正确答案 / Correct answer: A | I(C)

选择更高估值的提供商，目的是抬高展示的资产价值，构成误导。准则没有规定任何产品的每次业绩展示都必须附基准；若没有合适基准，不应硬加一个误导性基准。

Changing providers solely to obtain higher valuations misrepresents performance or asset values. The standard does not impose a benchmark in every presentation; an unsuitable benchmark can itself mislead.

其余选项为什么错 / Why the other choices fail

B：缺少比较基准本身并非本题中的违规点。C：把无基准一律视为违规，因此多算了一项。

B: Lack of a benchmark alone is not the identified violation. C: It incorrectly treats benchmark omission as automatically prohibited.

记忆提示 / Recall: 独立估值机构也可能被人为挑选；关键看更换动机。

Even an independent provider can be selected opportunistically; examine the motive.

Ann Jules，CFA，发现雇主 Plutus Investments Inc.（PII）在营销宣传册中夸大投资业绩。她仍依照公司政策使用该宣传册向潜在客户介绍服务。此外，她以简短摘要形式向客户发送股票建议，并仅在客户要求时提供更多资料。Jules 最可能因以下哪项违反准则？

A. by emailing stock recommendations to her clients in capsule form.

A. 以摘要形式通过电子邮件发送股票建议。

B. only by using PII' s marketing brochure to present to prospective clients.

B. 仅因使用 PII 的营销宣传册向潜在客户介绍服务。

C. both by emailing stock recommendations to her clients in capsule form and by using PII' s marketing brochure to present to prospective clients.

C. 既因发送摘要形式的股票建议，也因使用 PII 的营销宣传册。

正确答案 / Correct answer: B | I(C); V(B)

明知宣传册夸大业绩仍使用，构成失实陈述，遵从公司政策不能免责。简要投资建议可以使用，但应告知客户可索取更完整的分析资料。

Knowingly using inflated performance claims is misrepresentation, even when firm policy directs the conduct. Abbreviated recommendations are permissible when clients are informed that fuller supporting information and analysis are available on request.

其余选项为什么错 / Why the other choices fail

A：摘要形式本身允许。C：错误地把允许的摘要沟通也视为违规。

A: A brief recommendation is not inherently improper. C: It incorrectly treats the permitted summary communication as a second violation.

记忆提示 / Recall: 公司要求你说假话，仍然是违规。

A firm’s instructions do not excuse knowingly misleading clients.

根据“不当行为”准则的建议遵守程序，会员应鼓励公司将潜在违规行为及相应纪律处分清单发送给：

A. all clients only.

A. 仅所有客户。

B. all employees only.

B. 仅所有员工。

C. both all clients and all employees.

C. 所有客户和所有员工。

正确答案 / Correct answer: B | I(D)

潜在违规及处分清单属于内部行为管理制度，应发给所有员工，让其了解行为边界及后果。该建议并不要求发送给所有客户。

A list of potential violations and associated sanctions supports internal conduct controls and should be distributed to all employees. This recommendation does not require distribution to every client.

其余选项为什么错 / Why the other choices fail

A：遗漏了真正的目标对象员工。C：加入了建议程序未要求的全体客户。

A: It excludes the relevant audience, employees. C: It adds a client-distribution requirement not stated in the recommendation.

记忆提示 / Recall: 内部纪律清单，发给全体员工。

Distribute internal disciplinary policies to all employees.

中文对照 / Chinese translation

根据“不当行为”准则的建议遵守程序，会员应鼓励公司：

A. conduct background checks of all employees at least annually.

A. 至少每年对所有员工进行一次背景调查。

B. develop and adopt a code of ethics to which every employee must subscribe.

B. 制定并采纳要求每位员工遵守的道德守则。

C. check references of potential clients to ensure that they are of good character.

C. 核查潜在客户的推荐资料，以确保其品行良好。

正确答案 / Correct answer: B | I(D)

公司应采用适用于所有员工的道德守则，并在聘用时审查潜在员工的背景及推荐资料。不能把对象改为客户，也没有统一的全员年度背景调查要求。

Firms should adopt an employee-wide code of ethics and check prospective employees’ backgrounds and references. The recommendation does not substitute clients for employees or prescribe annual background checks for everyone.

其余选项为什么错 / Why the other choices fail

A：至少每年检查所有员工不是该项规定。C：推荐资料检查在此针对潜在员工，不是潜在客户。

A: Annual checks of all employees are not prescribed. C: The relevant reference checks concern prospective employees, not clients.

记忆提示 / Recall: 对象与频率常是干扰项。

Watch for distractors that change the audience or frequency.

Q038 投资亏损与职业不当行为

PRACTICE | Investment losses versus misconduct

原题来源 / Source: 题库 PDF p.156（本节 p.10） | 答案 PDF p.38 | I(D); III(A)

英文原题 / Original question

Min Joon, CFA, works in the client services department at an investment firm. Joon has been short-selling stocks on his personal account in anticipation of a significant decline in the market. His transactions do not disadvantage his firm's clients. Following a dramatic rise in the markets, Joon is unable to cover his short positions and is forced to declare personal bankruptcy. 中文对照 / Chinese translation

Min Joon，CFA，在一家投资公司的客户服务部门工作。他预期市场将大幅下跌，在个人账户中卖空股票，其交易未使公司客户处于不利地位。市场随后大幅上涨，Joon 无力回补空头头寸，被迫宣布个人破产。他是否违反准则？

A. No

A. 没有。

B. Yes, the Standard relating to misconduct

B. 有，违反“不当行为”准则。

C. Yes, the Standard relating to loyalty, prudence, and care

C. 有，违反“忠诚、审慎与尽责”准则。

正确答案 / Correct answer: A | I(D); III(A)

个人交易失败及破产本身，不自动证明不诚实、欺诈或职业不当行为。题目明确客户未受到不利影响，故没有依据认定违反客户忠诚义务。

Personal investment losses and bankruptcy do not automatically establish dishonesty, fraud, or misconduct. The facts expressly state that clients were not disadvantaged, so a client-loyalty violation is not supported.

其余选项为什么错 / Why the other choices fail

B：无欺诈或失信事实，不能只凭破产定罪。C：题目明确未损害客户。

B: Bankruptcy alone does not establish misconduct without dishonest or fraudulent circumstances. C: Clients were expressly not disadvantaged.

记忆提示 / Recall: 亏损结果不自动等于违规过程。

A losing outcome does not automatically establish an unethical process.

Q074 虚假资格与雇主义务

PRACTICE | False credentials and duties to the employer

一名会员声称拥有自己实际上并未取得的专业资格。这种行为最可能违反哪项准则？

A. loyalty only.

A. 仅忠诚准则。

B. misconduct only.

B. 仅不当行为准则。

C. both loyalty and misconduct.

C. 忠诚准则和不当行为准则。

正确答案 / Correct answer: C | I(D); IV(A)

冒称未取得的专业资格属于欺骗，违反 I(D)；也可能损害雇主利益或声誉，违反 IV(A)。题目的选项要求识别这两项可同时成立。

Claiming an unearned credential is dishonest and breaches I(D). It can also harm the employer’s interests or reputation, breaching IV(A). Both apply among the alternatives offered.

其余选项为什么错 / Why the other choices fail

A：忽略欺骗行为违反不当行为准则。B：忽略虚假资格对雇主的潜在损害。

A: It overlooks dishonest misconduct. B: It overlooks potential harm to the employer.

记忆提示 / Recall: 同一行为可同时触犯多个准则；不要只选最直观的一条。

A single action may violate multiple standards; do not stop at the most obvious one.

Belen Zapata, CFA, is the owner of Kawah Investments. Kawah promises investors returns of up to 12% per year and claims to achieve this by investing in non-investment-grade bonds and other fixed-income instruments. Over the next 12 months, bond market yields reach unprecedented lows, and Zapata finds it impossible to achieve the returns she expected. Belen Zapata，CFA，拥有 Kawah Investments。Kawah 向投资者承诺每年最高 12% 的回报，并声称通过投资非投资级债券和其他固定收益工具来实现。随后 12 个月债市收益率跌至前所未有的低位，Zapata 发现无法实现预期回报。Kawah 从未实际投资，并向客户全额退还本金。Zapata 最可能因以下哪项违反 CFA 准则？

A. return of capital.

A. 退还本金。

B. promised returns.

B. 承诺回报。

C. investment mandate.

C. 投资授权范围。

正确答案 / Correct answer: B | I(C)

原解把宣传视为对波动性投资的收益承诺，构成误导。之后没有投资或全额退款，并不能撤销先前的虚假陈述。

The source treats the promotion as an improper promised return on risky investments. Failing to invest and later refunding principal do not erase the earlier misrepresentation.

其余选项为什么错 / Why the other choices fail

A：退还本金不是本题违规点。C：非投资级债券策略本身并非准则一概禁止。

A: Returning principal is not the violation tested. C: A non-investment-grade mandate is not inherently prohibited.

记忆提示 / Recall: 没有损失，不代表没有违规。

No realized client loss does not mean no violation.

Q127 明确授权发言人

PRACTICE | Designated authorized spokespersons

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to misrepresentation? Firms can help prevent misrepresentation by:

中文对照 / Chinese translation

以下哪项是遵守虚假陈述准则的建议程序？公司可以通过以下方式帮助防止虚假陈述：

A. specifically designating which employees are authorized to speak on behalf of the firm.

A. 明确指定哪些员工获授权代表公司发言。

B. performing quarterly competence reviews of employees who deliver firm presentations to clients.

B. 每季度考核向客户进行公司演示的员工之胜任能力。

C. ensuring that each employee develops procedures for verifying information of third-party firms provided to clients.

C. 确保每名员工自行制定程序，核实向客户提供的第三方公司信息。

正确答案 / Correct answer: A | I(C)

明确代表公司发言的授权，可减少未经认可或不准确的对外陈述。这是原资料列出的合规建议。

Clearly designating authorized spokespersons helps prevent inaccurate or unauthorized representations about the firm. It is the specific recommended procedure in the supplied material.

其余选项为什么错 / Why the other choices fail

B：没有普遍规定必须每季度进行这种评估。C：第三方信息核实应有适当的公司程序，不能仅让每人自行制定。

B: No universal quarterly-review schedule is specified. C: Appropriate verification procedures should be established, not left solely to each employee's independent design.

记忆提示 / Recall: 推荐程序题要认准原规则，不要自行加频率。

Do not invent a review frequency when the standard does not specify one.

Q139 与工作无关的兼职与欺诈

PRACTICE | Unrelated outside work versus fraud

英文原题 / Original question

Rita Melmo, CFA, is an analyst at a Green sky Investment (GI). On weekends, she works as a paid employee of a local charity where she negotiates purchase agreements. Melmo does not disclose the charity employment to GI. Melmo is asked to purchase a new truck for the charity and she negotiates a purchase agreement with a local truck dealership. In the purchase agreement, the charity is charged $500 more than the truck's normal sale price. In return, Melmo receives retail vouchers worth $500 from the dealership for her private use. Melmo has most likely violated the Standards:

Rita Melmo，CFA，是 Green sky Investment（GI）的分析师。周末她受雇于本地慈善机构，负责采购合同谈判并领取报酬，但未向 GI 披露该兼职。慈善机构请她购买新卡车，她与本地车行商定采购价格比正常售价高 500 美元；作为回报，车行给她价值 500 美元、供私人使用的购物券。她最可能因何违反准则？

A. only by failing to disclose the charity employment to GI.

A. 仅因未向 GI 披露慈善机构的兼职。

B. only by negotiating a purchase agreement in which the charity is charged more than the truck's normal sale price.

B. 仅因谈判使慈善机构支付高于正常售价的采购价格。

C. both by failing to disclose the charity employment to GI and by negotiating a purchase agreement in which the charity is charged more than the truck's normal sale price.

C. 以上两项行为均违反。

正确答案 / Correct answer: B | I(D); IV(A)

与投资工作不竞争、未损害雇主的周末采购兼职，本身不构成本题违规。通过抬高慈善机构采购价为自己换取购物券则涉及欺诈，损害诚信。

The unrelated weekend work is not shown to compete with or harm her investment employer. Inflating the charity’s purchase price to obtain personal vouchers is dishonest and violates I(D).

其余选项为什么错 / Why the other choices fail

A：错把普通不竞争兼职当成必然违规。C：只有欺诈事实在题目中成立，不能自动把所有有偿兼职列为违规。

A: Unrelated noncompeting work is not automatically a violation. C: Only the dishonest procurement arrangement is established as improper.

记忆提示 / Recall: 职业之外的欺诈，也会损害专业诚信。

Dishonesty outside the investment role can still impair professional integrity.

适用边界 / Qualification: 现实工作仍须遵守雇主额外的兼职申报政策；本题未给出此类政策，不自行加入事实。

Actual employer outside-work policies still apply. None is stated in this question, so no such requirement is assumed.

Ann Macharia，CFA，是独立顾问，受 MK Investment（MKI）聘请，审查其管理大型养老金的建议书。她审阅草稿时发现，MKI 的首席投资官加了一大段内容，看起来与她为以前客户撰写、描述其专有投资流程的文字完全相同。Macharia 最可能必须：

A. remove the added material and report her suspicions to MKI.

A. 删除新增内容，并向 MKI 报告她的怀疑。

B. wait to say anything until the proposal is submitted to meet the conditions of her consulting contract.

B. 为履行顾问合同，等建议书提交后再说。

C. confirm her client uses the same thorough investment process as described in the added material, and make a few minor changes

C. 确认现客户使用同样严谨的投资流程，并作少量修改。

正确答案 / Correct answer: A | I(C); I(A); III(A)

之前客户的专有流程不能直接移植为新客户的流程；即使文字由自己写，也不代表可自由复用。应删除问题内容并报告，以防抄袭与虚假陈述。

A previous client’s proprietary process cannot be presented as the new client’s process. Her authorship does not confer unrestricted reuse rights. Remove the material and report the concern to prevent plagiarism and misrepresentation.

其余选项为什么错 / Why the other choices fail

B：合同不要求明知有问题仍让报告发布。C：少量改字不能解决所有权、保密或冒用流程的问题。

B: A contract does not justify knowingly allowing the problem to continue. C: Minor edits do not cure ownership, confidentiality, or false-description concerns.

记忆提示 / Recall: 自己写过，也可能是客户的专有资产。

Material you wrote may still be a client’s proprietary property.

05 II 市场诚信：内幕信息与操纵

II Market Integrity: MNPI and Manipulation

12 道原题 / original questions | 核心规则 / Core rules

内幕信息看“重大 + 未公开”；市场操纵看“误导意图 + 价格或交易量失真”。

For MNPI, test both materiality and nonpublic status. For manipulation, test misleading intent and distortion of price or volume.

01 重大信息是会影响价格、或理性投资者决策的重要资料；未公开指尚未向市场普遍提供。内部重大诉讼、CEO 未发布的盈利消息可满足两项条件。

Information is material if it could affect value or a reasonable investor’s decision; it is nonpublic until generally available to the market. Significant internal legal disputes and unreleased CEO earnings information can meet both tests.

对应原题 / Source examples: Q10 / Q11 / Q108

02 持有 MNPI 时，不能自行交易，也不能使亲属、朋友等他人交易。改买期权等衍生品不绕过限制；没有亲自赚钱也不能免责。

A person holding MNPI must neither trade nor cause others to trade. Using options or other derivatives does not bypass the restriction, and personal profit is not required for a violation.

对应原题 / Source examples: Q10 / Q108 / Q114

03 公开资料与非重大非公开资料可形成独立研究判断。咨询没有内幕渠道的行业专家可以接受；独立研究报告先向付费客户发布，不因未向全社会免费提供而成为内幕交易。

Independent research may combine public information and nonmaterial nonpublic information. Appropriate industry experts may be consulted. Distributing proprietary research to paying clients does not itself make the research illicit MNPI.

对应原题 / Source examples: Q107 / Q108

04 操纵包括散布误导消息、虚假买卖制造交易量，以及控制相关工具来扭曲价格。获利或亏损不改变操纵意图；正常利用价格低效、税务安排或改善执行，不当然是操纵。

Manipulation includes misleading information, artificial volume and dominant positions used to distort related prices. Profits or losses do not change the intent. Genuine arbitrage, tax trading or execution improvements are not automatically manipulation.

对应原题 / Source examples: Q24 / Q39 / Q84 / Q94 / Q98 / Q115

05 建议建立信息隔离和观察、限制名单，审查员工交易。不能让投行与研究部门常规分享内幕信息；也不能简单断言机构持有 MNPI 后所有自营活动一概停止。

Use information barriers, watch or restricted lists and employee-trading reviews. Routine sharing of MNPI between investment banking and research is inappropriate; a blanket statement that every proprietary activity must cease is too broad.

对应原题 / Source examples: Q83

易错提醒 / Common trap

不是所有“别人不知道的分析”都是 MNPI，也不是所有影响价格的交易都是操纵。

Not every private analytical insight is MNPI, and not every trade that moves a price is manipulation.

先做示范 / Start here: Q108 / Q24

Q108 衍生品同样受内幕信息限制

CORE EXAMPLE | Inside information and derivatives

原题来源 / Source: 题库 PDF p.174（本节 p.28）| 答案 PDF p.108 | II(A)

英文原题 / Original question

Which of the following member actions most likely violates the Standard relating to material nonpublic information?

Action1	An analyst buys call options on a stock after learning from the company's CEO that the company will report earnings exceeding analyst expectations.
Action2	n analyst buys an oil company stock after speaking to a well-known industry expert who believes oil prices will rise due to geopolitical risk.

中文对照 / Chinese translation

以下哪项会员行为最可能违反重大非公开信息准则？

行为 1：分析师从公司 CEO 得知公司将公布高于分析师预期的盈利后，买入该公司股票的看涨期权。

行为 2：分析师与一位知名行业专家交流，专家认为地缘政治风险将推高油价，之后分析师买入一家石油公司的股票。

A. Action 1 only

A. 仅行为 1。

B. Action 2 only

B. 仅行为 2。

C. both Action 1 and Action 2

C. 行为 1 和行为 2。

正确答案 / Correct answer: A | II(A)

CEO 提供尚未公布且会影响价格的盈利消息，属于重大非公开信息；用它买期权同样违规。行业专家对地缘政治与油价的判断不等同于内幕事实。

The CEO supplies material earnings information before release, so using it to buy call options violates II(A). An expert opinion about geopolitical effects on oil prices is not, on these facts, inside information.

其余选项为什么错 / Why the other choices fail

B：漏掉了明显的内幕交易。C：把一般专家判断也错误地视为内幕信息。

B: It misses the clear insider-information violation. C: It incorrectly classifies the general expert view as inside information.

记忆提示 / Recall: 买股票、期权或其他衍生品，都不能利用内幕信息。

The inside-information restriction also covers options and other derivatives.

原文提示 / Source note: 原题 Action2 后的 “n analyst” 缺少字母，译文按句意译为“分析师”。 / “n analyst” is a source typographical error.

Q024 操纵意图与盈利结果

CORE EXAMPLE | Manipulative intent versus investment outcome

原题来源 / Source: 题库 PDF p.153（本节 p.7）| 答案 PDF p.24 | II(B)

英文原题 / Original question

Which of the following activities violates the Standard relating to market manipulation?

Activity 1	A member secures a dominant position in futures contracts to influence the price of the underlying. The transaction results in large losses for the member.
Activity 2	A member frequently trades a stock in multiple client accounts with an intent to increase the volume of the stock. The transactions result in large gains for the clients.

中文对照 / Chinese translation

以下哪些行为违反“市场操纵”准则？

行为 1：会员取得某期货合约的支配性头寸，以影响标的资产价格，最终遭受重大损失。

行为 2：会员在多个客户账户间频繁交易某股票，意图增加该股票成交量，最终为客户带来重大收益。

A. Activity 1 only

A. 仅行为 1。

B. Activity 2 only

B. 仅行为 2。

C. Both Activity 1 and Activity 2

C. 行为 1 和行为 2。

正确答案 / Correct answer: C | II(B)

两项均旨在人为影响价格或成交量，属于交易型操纵。行为 1 亏损、行为 2 盈利，都不改变其操纵意图及违规性质。

Both actions aim to distort price or trading volume and constitute transaction-based manipulation. A loss from the first strategy and gains for clients from the second do not change the manipulative intent or the violation.

其余选项为什么错 / Why the other choices fail

A：遗漏了人为放大成交量的行为 2。B：亏损不能使行为 1 的操纵合法化。

A: It omits artificial volume creation in Activity 2. B: Losses do not excuse the manipulation in Activity 1.

记忆提示 / Recall: 操纵看意图与行为，盈利亏损都不能免责。

Manipulation depends on intent and conduct, not whether the trade makes money.

Q010 重大非公开信息与拼图理论

PRACTICE | Material nonpublic information and mosaic theory

原题来源 / Source: 题库 PDF p.149（本节 p.3）| 答案 PDF p.10 | II(A)

英文原题 / Original question

Maria Jennings, CFA, overhears the CEO of United Retail saying that the quarterly report to be released next week will miss analysts' expectations. Jennings immediately calls her brother who owns the stock to tell him what she overheard. One week later, Jennings writes a report on another company, KTD retail. She uses public and non material nonpublic information for her analysis to issue a "buy" recommendation. Has Jennings most likely violated the Standards?

中文对照 / Chinese translation

Maria Jennings，CFA，偶然听到 United Retail 的 CEO 说，下周公布的季度报告将低于分析师预期。她立即致电持有该股票的兄弟，告诉他听到的消息。一周后，她为另一家公司 KTD Retail 撰写报告，通过分析公开信息与非重大的非公开信息，提出“买入”建议。Jennings 最可能是否违反准则？

A. No

A. 没有。

B. Yes, by calling her brother to tell him what she overheard

B. 有，因为她致电兄弟，告诉他自己听到的消息。

C. Yes, by using public and non material nonpublic information for her analysis to issue a "buy" recommendation

C. 有，因为她使用公开信息及非重大的非公开信息作出“买入”建议。

正确答案 / Correct answer: B | II(A)

CEO 提供的尚未公布业绩预警具备重大性和非公开性，不能据此交易或使他人采取行动。公开信息加非重大非公开信息的拼图分析则可以支持投资建议。

Unreleased earnings guidance from the CEO is material nonpublic information. Passing it to a stockholding relative can cause action on that information. Mosaic analysis using public and nonmaterial nonpublic information is permitted.

其余选项为什么错 / Why the other choices fail

A：向持股亲属传递重大非公开信息构成违规。C：题干明确为“非重大”非公开信息，属于可用的拼图信息。

A: Tipping a stockholding relative violates the Standard. C: The stem expressly describes nonmaterial nonpublic information, which mosaic analysis may use.

记忆提示 / Recall: 拼图理论只允许非重大非公开信息，不能洗白内幕信息。

Mosaic theory permits nonmaterial nonpublic inputs, not material inside information.

Q011 重大性与公开状态

PRACTICE | Materiality and public availability

原题来源 / Source: 题库 PDF p.149（本节 p.3）| 答案 PDF p.11 | II(A)

英文原题 / Original question

According to the Standards, which of the following is most likely considered material nonpublic information?

中文对照 / Chinese translation

根据准则，以下哪项最可能构成重大非公开信息？

A. The recent execution of a large buy order from a hedge fund.

A. 某对冲基金最近已经执行的一笔大额买单。

B. Significant legal challenges revealed at an internal meeting of the company's management.

B. 在公司管理层内部会议上披露的重大法律争议。

C. Recent increases in a company's board remuneration discussed at the annual general meeting.

C. 在股东周年大会上讨论的公司董事薪酬近期上调情况。

正确答案 / Correct answer: B | II(A)

重大的法律争议可能影响估值，且只在内部会议披露，符合重大与非公开两个条件。判断时必须同时检查信息内容及传播范围。

A significant legal challenge may affect value, and disclosure only at an internal management meeting leaves it nonpublic. Both materiality and public availability must be assessed.

其余选项为什么错 / Why the other choices fail

A：本题强调订单已经执行，区别于执行前的大额订单信息。C：题目将股东大会讨论内容视为已向市场公开。

A: The stated order has already been executed, unlike a pending large order. C: The question treats the AGM disclosure as publicly available.

记忆提示 / Recall: 重大 + 非公开，两项同时满足才落入本条禁用范围。

The restriction requires information to be both material and nonpublic.

适用边界 / Qualification: 不要推广为“已成交信息永远不重大”或“任何股东大会信息必然公开”；应根据实际传播范围及内容判断。本题按给定事实及答案作答。

Do not generalize that executed-trade information can never be material or that every AGM disclosure is automatically public. Assess the actual facts; the supplied solution applies these assumptions to this case.

Q039 交易型与信息型操纵

PRACTICE | Transaction-based versus information-based manipulation

原题来源 / Source: 题库 PDF p.156（本节 p.10）| 答案 PDF p.39 | II(B)

英文原题 / Original question

A member secures a controlling, dominant position in an option on a stock in order to benefit from trading the stock. The option trades are reported by the exchange and the increased option trading volume leads other traders to take positions in the option and in the underlying stock. The member has violated the Standards:

中文对照 / Chinese translation

某会员在一只股票的期权上取得控制性、支配性头寸，以从该股票交易中获利。交易所公布了这些期权交易，增加的成交量促使其他交易者在期权及标的股票上建立头寸。该会员违反准则的方式是：

A. by engaging in transaction-based manipulation only.

A. 仅交易型操纵。

B. by engaging in information-based manipulation only.

B. 仅信息型操纵。

C. by engaging in both transaction-based manipulation and information-based manipulation.

C. 既交易型操纵，也信息型操纵。

正确答案 / Correct answer: A | II(B)

取得支配性衍生品头寸，以影响相关股票交易属于交易型操纵。交易所真实报告成交量，不等于会员散布虚假消息，因此题目未显示信息型操纵。

Using a dominant derivatives position to exploit the related stock is transaction-based manipulation. The exchange's reporting of actual trades is not the member's dissemination of false information, so information-based manipulation is not established.

其余选项为什么错 / Why the other choices fail

B：没有散布谣言或虚假信息的事实。C：错误地把交易所真实披露成交量也视为信息型操纵。

B: No false rumor or misinformation is stated. C: Reporting actual trading volume does not establish information-based manipulation.

记忆提示 / Recall: 造假消息看信息型；操纵头寸或成交量看交易型。

False messages suggest information manipulation; distorted positions or volume suggest transaction manipulation.

Q083 观察名单与信息隔离

PRACTICE | Watch lists and information barriers

原题来源 / Source: 题库 PDF p.168（本节 p.22）| 答案 PDF p.83 | II(A)

英文原题 / Original question

According to recommended procedures for compliance with the Standard relating to material nonpublic information, firms should:

中文对照 / Chinese translation

根据重大非公开信息准则的建议合规程序，公司应：

A. review employee trading through the maintenance of watch lists.

A. 通过维护观察名单来审查员工交易。

B. prohibit all types of proprietary activity when a firm comes into possession of material nonpublic information.

B. 当公司取得重大非公开信息时，禁止所有种类的自营业务。

C. permit regular interdepartmental communication of nonpublic information between the corporate finance and equity research departments of a firm.

C. 允许公司企业融资部门与股票研究部门定期相互传递非公开信息。

正确答案 / Correct answer: A | II(A)

观察名单、限制名单及交易审查，有助于发现并控制员工利用敏感信息交易。信息隔离应限制部门间不当传播；不能把控制义务简化为禁止任何性质的所有自营活动。

Watch lists, restricted lists, and trade reviews help control misuse of sensitive information. Information barriers limit improper interdepartmental sharing; a blanket prohibition on every proprietary activity is not the prescribed rule.

其余选项为什么错 / Why the other choices fail

B：把控制范围绝对化为所有自营活动。C：融资和研究部门自由传递非公开信息，削弱必要的信息隔离。

B: It overstates the rule as a ban on all proprietary activity. C: Routine unrestricted information exchange undermines the necessary barriers.

记忆提示 / Recall: 看到 all 或 permit regular sharing，检查是否破坏有针对性的隔离与监控。

Check absolute bans and routine sharing against targeted controls and information barriers.

中文对照 / Chinese translation

Tim Howley，CFA，通过散播误导性信息来"拉高"某证券价格，待价格达到人为抬高的水平后再"出货"。Howley 最可能违反哪项准则？

A. market manipulation.

A. 市场操纵。

B. independence and objectivity.

B. 独立性与客观性。

C. material nonpublic information.

C. 重大非公开信息。

正确答案 / Correct answer: A | II(B)

先用虚假或误导性信息诱使他人买入，再在虚高价格出售，是典型的信息型市场操纵。违规要点是有意误导市场参与者并扭曲价格。

Using misleading information to inflate a price and selling at the artificial level is information-based market manipulation. The central issue is intentionally misleading participants and distorting price.

其余选项为什么错 / Why the other choices fail

B：不是本题最直接对应的准则。C：题目涉及散播误导信息，并未给出利用真实重大非公开信息的事实。

B: It is not the most directly applicable standard. C: The facts concern misleading information, not trading on genuine material nonpublic information.

记忆提示 / Recall: 虚假消息推价格属于 II(B)；真实内幕信息交易属于 II(A)。

False information used to move prices points to II(B); trading on genuine MNPI points to II(A).

如果会员有下列哪项行为，最可能违反市场操纵准则？

A. secures a dominant position in a stock to win a proxy vote.

A. 为赢得股东代理投票而取得某股票的主导性持仓。

B. exploits market inefficiencies in a thinly traded penny stock.

B. 利用一只成交清淡的低价股中的市场无效率。

C. places both buy and sell orders of a stock at the same price to increase trading volume.

C. 以相同价格同时提交某股票的买单和卖单，以增加成交量。

正确答案 / Correct answer: C | II(B)

以对敲式买卖制造成交量，会给市场造成虚假的活跃程度，是交易型操纵。取得投票控制权或利用市场无效率本身可以是合法投资目的，不能只因交易规模或股票流动性判违规。

Offsetting buy and sell orders intended to inflate volume create a false appearance of activity. Obtaining voting control or exploiting perceived inefficiency can be legitimate; size or illiquidity alone does not establish manipulation.

其余选项为什么错 / Why the other choices fail

A：题设动机是赢得投票，不是操纵价格。B：利用无效率属于可能合法的策略，并未描述误导市场。

A: The stated purpose is a proxy vote, not price distortion. B: Exploiting inefficiency does not by itself involve deception.

记忆提示 / Recall: II(B) 看人为扭曲与误导意图，不是看到“大仓位”就判操纵。

Focus on artificial distortion and intent to mislead, not large positions alone.

Which of the following member actions most likely violates the Standard relating to market manipulation?

下列哪项会员行为最可能违反市场操纵准则？

A. Selling one security and buying another to minimize tax liability

A. 卖出一种证券并买入另一种，以降低税务负担。

B. Writing misleading posts on social media about the development of a new product

B. 在社交媒体上就某新产品的开发发布误导性帖文。

C. Dividing a large block order into a series of smaller orders to achieve better execution

C. 将大额订单拆分为一系列小额订单，以取得更佳执行。

正确答案 / Correct answer: B | II(B)

散播有关新产品的误导信息，可能欺骗其他参与者并影响价格，属于信息型操纵。节税交易和为减少市场冲击而拆单，本身并不具有题设中的欺骗目的。

Misleading posts about product development can deceive participants and distort prices, constituting information-based manipulation. Tax planning and order splitting for better execution are not inherently deceptive.

其余选项为什么错 / Why the other choices fail

A：题设目的为降低税负，而非误导市场。C：为改善执行而拆单是可接受的交易安排。

A: The stated purpose is tax reduction, not deception. C: Splitting orders to improve execution is a legitimate practice.

记忆提示 / Recall: 交易形式本身不决定违规；关键是目的、信息真实性及市场误导。

Assess intent, truthfulness, and misleading effects rather than the transaction form alone.

Shirin Regali, CFA, is a well-respected, sell-side analyst covering the biotech sector. While researching the market prospects for a drug being trialed by Bio Heal Inc., Regali interviews industry experts who are not affiliated with the trials or Bio Heal. These experts express confidence that the drug will pass the trials and be a market success. After thorough analysis and based on these experts 'insights, Regali issues a "buy" recommendation for Bio Heal and distributes it to her clients and not to the public. Has Regali most likely violated the Standard relating to material nonpublic information?

Shirin Regali，CFA，是一名备受尊重的生物科技行业卖方分析师。在研究 Bio Heal Inc. 正在试验的药物之市场前景时，她访问了与该试验及 Bio Heal 均无关联的行业专家。专家相信药物会通过试验并取得市场成功。经过深入分析并结合专家意见，她给 Bio Heal 发布“买入”建议，只向客户分发而未向公众公开。她最可能违反重大非公开信息准则吗？

A. No

A. 没有。

B. Yes, by distributing the recommendation to her clients and not to the public

B. 有，因为她只向客户而未向公众分发建议。

C. Yes, by issuing a "buy" recommendation for Bio Heal based on insights from industry experts

C. 有，因为她依据行业专家见解发布“买入”建议。

正确答案 / Correct answer: A | II(A)

题目没有表明专家提供了内幕事实。独立研究和合法专家意见可构成分析依据；自己形成的重要研究结论可仅向客户收费提供。

The facts indicate legitimate expert opinions rather than inside trial information. Analysts may combine such inputs into their own conclusions and distribute the resulting research only to clients.

其余选项为什么错 / Why the other choices fail

B：自有研究不必免费向所有公众发布。C：咨询专家本身并不违法，关键是信息是否重大且非公开。

B: Proprietary research need not be made public. C: Expert consultation itself is permissible; the character of the information is decisive.

记忆提示 / Recall: 重大研究结论不等于重大非公开事实。

A material research conclusion is not automatically inside information.

Iris Hadid，CFA，是投资银行分析师。她建立财务模型，为 Ski Mountain Lodge（SML）估值。朋友 Peter Jackson，CFA，在另一家顾问公司工作。Hadid 与他分享分析细节，以获得对 SML 估值的反馈。Jackson 据此买入 SML 的看涨期权。谁违反了准则？

A. Hadid only

A. 仅 Hadid。

B. Jackson only

B. 仅 Jackson。

C. Both Hadid and Jackson

C. Hadid 和 Jackson 均违反。

正确答案 / Correct answer: C | II(A)

原解将该信息视为重大非公开信息：Hadid 泄露信息并导致他人交易，Jackson 使用信息买期权，两人都违反 II(A)。

The supplied solution treats the valuation details as material nonpublic information. On that interpretation, Hadid causes another person to act and Jackson trades options on the information, so both violate II(A).

其余选项为什么错 / Why the other choices fail

A：忽略接收者实际交易。B：忽略提供者使他人据此交易的责任。

A: It ignores the recipient’s trade. B: It ignores the provider’s role in causing another person to act.

记忆提示 / Recall: 内幕信息不能自己用，也不能使他人用。

Do not act or cause another person to act on inside information.

适用边界 / Qualification: 题干未明确说明资料的重大性与非公开性，C 依赖原解的这一认定；不要把一般估值研究一律当成内幕信息。原解析结尾把 II(A) 误写为 I(A)。

Materiality and nonpublic status are not explicit in the stem; C relies on the source’s interpretation. Ordinary valuation research is not automatically inside information. The source’s final I(A) reference should be II(A).

以下哪项有关市场操纵的陈述符合准则？会员必须避免：

A. inducing trading by disseminating verifiable information.

A. 通过传播可核实的信息来促使交易。

B. engaging in practices which exploit perceived market inefficiencies.

B. 利用被认为存在的市场低效率进行交易。

C. securing a dominant position in a financial instrument to exploit the price of the underlying asset.

C. 在某金融工具中取得支配性头寸，以利用并影响其标的资产价格。

正确答案 / Correct answer: C | II(B)

取得支配性头寸并利用它扭曲标的价格，属于交易型市场操纵。是否违规取决于行为及目的，而不是交易获利本身。

A dominant position used to exploit the underlying asset's price is transaction-based manipulation. Legitimate trading on information or perceived inefficiency is different from intentionally distorting markets.

其余选项为什么错 / Why the other choices fail

A：传播真实可核实信息本身不构成操纵。B：利用市场低效率本身可以是正常投资策略。

A: Disseminating verifiable information is not inherently manipulative. B: Exploiting inefficiencies can be legitimate investing.

记忆提示 / Recall: 操纵题盯住误导、虚假活跃和扭曲价格的目的。

Look for deception, artificial activity, and price distortion.

6 道原题 / original questions | 核心规则 / Core rules

找出真正的客户，然后判断谁承担成本、谁获得利益。

Identify the real client, then ask who bears the cost and who receives the benefit.

01 客户利益应先于雇主和个人利益。养老金或信托的最终受益人才是主要忠诚义务对象，不是聘用经理的公司管理层或公司股东。

Client interests precede the employer's and the professional's personal interests. For pensions and trusts, the primary duty is owed to ultimate beneficiaries, not the appointing management or the sponsoring company's shareholders.

对应原题 / Source examples: Q37

02 客户佣金是客户资源。为取得对客户有用的研究而支付佣金，与为了经理获得转介而多付佣金不同；后者没有相应客户利益。

Brokerage commissions belong to the client economically. Paying for research that benefits the client differs from paying excess commissions to obtain referrals for the manager, which provide no corresponding client benefit.

对应原题 / Source examples: Q26 / Q51

03 客户可指定经纪商；经理应说明可能无法获得最佳执行。客户指定且研究真正服务该客户，并不因佣金较高就必然违规。

Clients may direct brokerage. Explain that this may prevent best execution. Client direction and genuinely beneficial research do not automatically violate the Standard merely because commissions are higher.

A. shareholders of Jupiter.

A. Jupiter 的股东。

B. management of Jupiter.

B. Jupiter 的管理层。

C. beneficiaries of the pension fund.

C. 退休基金的受益人。

正确答案 / Correct answer: C | III(A)

管理退休金或信托资产时，真正受托保护的对象是计划或信托的最终受益人，而不是聘用经理的公司管理层或公司股东。

For pension or trust portfolios, the duty of loyalty is owed to the ultimate beneficiaries. The company or managers who hired the investment manager are not automatically the parties whose interests take priority.

其余选项为什么错 / Why the other choices fail

A：公司股东并非本退休金基金的受益人。B：聘用经理的管理层不是最终客户。

A: Corporate shareholders are not the pension fund’s beneficiaries. B: The hiring management team is not the ultimate client.

Claus Holm，CFA，将大部分客户交易交给佣金高于平均水平的 RRT Company（RRT）。作为回报，RRT 为 Holm 介绍个人资产管理客户。Holm 没有向现有或潜在客户披露该安排。他最可能违反以下哪些准则？

A. only to referral fees.

A. 仅介绍费。

B. only to loyalty, prudence, and care.

B. 仅忠诚、审慎与尽责。

C. both to referral fees and to loyalty, prudence, and care.

C. 介绍费及忠诚、审慎与尽责。

正确答案 / Correct answer: C | III(A); VI(C)

客户付出较高佣金，却由经理取得拓客利益，客户未获得对应利益，违反忠诚义务。介绍安排即使不是现金付款，也属于需向相关方披露的利益。

Higher commissions are paid by clients while the manager receives business referrals without a corresponding client benefit, breaching loyalty. Referral benefits need disclosure even when no cash fee changes hands.

其余选项为什么错 / Why the other choices fail

A：除了未披露介绍利益，还使用客户佣金谋取自身利益。B：遗漏了未披露介绍安排的违规。

A: It omits the misuse of client commissions for the manager’s benefit. B: It omits the undisclosed referral arrangement.

记忆提示 / Recall: 客户付钱买来的利益，应服务客户。

以下哪项是遵守“忠诚、审慎与尽责”准则的建议程序？会员应当：

A. eliminate all actual and potential conflicts of interest.

A. 消除所有实际及潜在利益冲突。

B. make their clients aware of all forms of manager compensation.

B. 让客户了解管理人的所有形式报酬。

C. submit to each client, at least annually, an itemized statement showing the funds and securities in custody.

C. 至少每年向每位客户提交一次托管资金及证券的明细报表。

正确答案 / Correct answer: B | III(A)

客户应了解管理人的各种报酬形式，以评估利益冲突。对于控制客户资产的管理人，建议至少每季度提供资产明细；不能把“建议每季”记成“每年”。

Clients should understand all forms of manager compensation so they can evaluate conflicts. For members controlling client assets, the recommended itemized account statement frequency is at least quarterly, rather than annually.

其余选项为什么错 / Why the other choices fail

A：不能要求消除所有冲突；应避免可避免的冲突并充分披露其余冲突。C：建议至少每季度，而非每年。

A: Eliminating every conflict is not required; avoid conflicts where possible and disclose those that remain. C: The recommendation is at least quarterly.

记忆提示 / Recall: 报酬全披露；资产明细至少每季度是建议程序。

Disclose compensation; quarterly asset statements are a recommended procedure.

Q031 代理投票的经济价值

PRACTICE | Economic value of proxy voting

原题来源 / Source: 题库 PDF p.154（本节 p.8）| 答案 PDF p.31 | III(A)

英文原题 / Original question

According to the guidance for the Standard relating to loyalty, prudence, and care, which of the following statements is most accurate?

中文对照 / Chinese translation

根据“忠诚、审慎与尽责”准则的指引，以下哪项最准确？

A. Voting proxies is necessary in all instances.

A. 所有情况下都必须行使代理投票权。

B. Members must maximize the economic value of proxies for clients.

B. 会员必须为客户最大化代理投票权的经济价值。

C. Consistent application of proxy policies includes voting with management on all nonroutine governance matters.

C. 一致执行代理投票政策，意味着对所有非例行治理议题都支持管理层。

正确答案 / Correct answer: B | III(A)

代理投票权属于客户的经济利益，应妥善保护并以客户利益为判断依据。若投票成本超过潜在收益，并非每次都必须投票；也不能机械地支持管理层。

Proxy rights have economic value that should be safeguarded for clients. Voting is not required in every case when costs exceed likely benefits, and consistent policy does not mean automatically supporting management.

其余选项为什么错 / Why the other choices fail

A：忽视投票成本与收益。C：对非例行议题应独立评估，不能一律支持管理层。

A: It ignores a cost-benefit assessment. C: Nonroutine matters require judgment rather than automatic support for management.

记忆提示 / Recall: 投票是客户资产的一部分，按经济利益决策。

Treat voting rights as a client asset and assess their economic benefit.

His firm gives its advisors a bonus for recommending the firm's proprietary products. If all other variables are equal in an investment choice, Milton uses the proprietary products. Milton does not inform the clients of this bonus. Has Milton most likely violated the Standards?

中文对照 / Chinese translation

Andrew Milton，CFA，是面向个人客户的顾问。他谨慎推荐符合客户整体目标与风险承受能力的投资。公司会向推荐自家产品的顾问发放奖金。如果其他投资条件相同，Milton 就使用自家产品，但不告知客户此奖金安排。他最可能是否违反准则？

A. No.

A. 没有。

B. Yes, the Standard relating to suitability.

B. 有，违反“适合性”准则。

C. Yes, the Standard relating to loyalty, prudence, and care.

C. 有，违反“忠诚、审慎与尽责”准则。

正确答案 / Correct answer: C | III(A); VI(A)

投资适合客户，不代表可隐瞒销售激励。自家产品奖金可能影响建议，必须清楚披露，让客户评估利益冲突；题目已说明投资符合客户目标与风险承受能力。

Suitability does not excuse undisclosed sales incentives. A proprietary-product bonus can influence advice and requires clear disclosure so clients can assess the conflict. The facts already establish that the investments are suitable.

其余选项为什么错 / Why the other choices fail

A：隐瞒奖金仍属违规。B：题干没有不适合事实，问题在未披露利益冲突及客户忠诚义务。

A: The undisclosed incentive remains a violation. B: Suitability is established; the problem is the undisclosed conflict and client loyalty.

记忆提示 / Recall: 适合性通过，不等于利益冲突检查通过。

Passing suitability does not resolve conflict-of-interest duties.

Tim Newman, CFA, is an investment manager. One of his clients directs Newman to use Mercer brokerage to execute trades. Newman believes Mercer does not offer best execution, but uses the brokerage commissions to purchase research services for his client. 中文对照 / Chinese translation

Tim Newman，CFA，是一名投资经理。一位客户指示 Newman 使用 Mercer 经纪商执行交易。Newman 认为 Mercer 不能提供最佳执行，但他使用经纪佣金为该客户购买研究服务。Newman 告知客户，该客户可能无法获得最佳执行。Newman 的行为是否符合有关忠诚、审慎与尽责的准则？

A. Yes.

A. 是。

B. No, because he used commissions to purchase research.

B. 否，因为他使用佣金购买研究。

C. No, because he failed to achieve best execution for the client.

C. 否，因为他未能为客户实现最佳执行。

正确答案 / Correct answer: A | III(A)

这是客户主动指定经纪商。佣金属于客户资产，用于使该客户受益的研究，并向客户披露可能无法取得最佳执行，因此按题设不构成违反忠诚义务。

The client directed the brokerage arrangement. Commissions are client assets, and the research benefits that client. Disclosure that directed brokerage may prevent best execution supports the supplied answer of no violation.

其余选项为什么错 / Why the other choices fail

B：用佣金购买研究并非一律禁止，关键在于客户是否受益。C：客户指定经纪商且已获相关执行风险披露，不因未取得最佳执行这一事实自动违规。

B: Purchasing research with commissions is not automatically prohibited; client benefit matters. C: Disclosed, client-directed brokerage does not automatically violate the standard merely because best execution is unavailable.

记忆提示 / Recall: 先辨认是谁指定经纪商，再判断佣金使谁受益。

Identify who directed the broker and who benefits from the commissions.

对应原题 / Source examples: Q12 / Q142

02 广泛发布建议后可以提供更详细跟进；不同服务层级应透明并按合理政策提供，不能以差异化服务为借口给予消息先机。

More detailed follow-up after broad dissemination can be appropriate. Service levels should be transparent and governed by fair policies; differentiated service does not justify advance access to recommendations.

对应原题 / Source examples: Q13 / Q52 / Q142

对应原题 / Source examples: Q109 / Q110

04 收费且按普通客户方式管理的家属账户，应得到与其他客户一样的待遇；经理个人利益账户不能挤占客户机会。不能仅因亲属关系就让收费客户排在最后。

Susana Garcia，CFA，是备受尊重的运输行业分析师。她完成对一家公司的新建议后，次日上午先用电邮发给公司最大的客户，午饭后才发给其他所有客户。一小时后，她再致电最大客户详细讨论该建议。她违反公平交易准则的行为是：

A. only by calling the largest client to discuss the recommendation in detail.

A. 仅致电最大客户作详细讨论。

B. only by emailing the recommendation to the largest client prior to sending it to all other clients.

B. 仅先把建议发给最大客户，再发给其他客户。

C. both by calling the largest client to discuss the recommendation in detail and by emailing the recommendation to the largest client prior to sending it to all other clients.

C. 以上两项行为均违反。

正确答案 / Correct answer: B | III(B)

先让大客户获得可交易的信息，会使其他客户处于劣势。建议公平广泛发布后，再个别跟进、提供额外讨论本身可以。

Giving the largest client advance access can disadvantage others. After fair dissemination, individual follow-up discussions are permissible; identical amounts of service are not required.

其余选项为什么错 / Why the other choices fail

A：把允许的后续讨论误判为违规。C：两件事中只有提前发送构成题示违规。

A: The later discussion is permissible. C: Only the advance distribution is improper on the facts.

John Lee, CFA, manages portfolios for several individuals, including his brother. All of Lee's clients are standard fee-paying clients. Lee subscribes to an IPO for only those clients for whom the IPO is suitable, which includes his brother. Lee does not receive the number of shares requested by his clients and allocates shares of the IPO pro-rata to those clients, including his brother. Are Lee's actions most likely consistent with the Standards?

John Lee，CFA，管理数位个人客户的组合，包括他的兄弟；所有客户均支付标准费用。他只为适合该 IPO 的客户认购，其中包括兄弟。最终获配股数少于客户要求的股数，他便向这些客户（包括兄弟）按比例分配。Lee 的做法最可能符合准则吗？

A. Yes

A. 符合。

B. No, because he allocates the IPO shares to his brother

B. 不符合，因为他把 IPO 股份分给了兄弟。

C. No, because he fails to allocate the IPO shares to all of his clients

C. 不符合，因为他没有把 IPO 股份分给所有客户。

正确答案 / Correct answer: A | III(B); VI(B)

公平以适合投资及有认购需要的客户为范围，并非所有客户都必须持有同一证券。兄弟是普通收费客户，因此不应仅因亲属关系被排除。

Fair allocation applies among clients for whom the investment is suitable and requested. His brother is a regular fee-paying client and should not be excluded solely because of the relationship.

其余选项为什么错 / Why the other choices fail

B：收费家庭客户可正常参与。C：把不适合该投资的客户也纳入，反而忽略适当性。

B: The family client may participate normally. C: Including unsuitable clients would ignore suitability.

A. fair and equal manner.

A. 公平且完全相同。

B. fair and impartial manner.

B. 公平且不偏不倚。

C. equal and impartial manner.

C. 完全相同且不偏不倚。

正确答案 / Correct answer: B | III(B)

公平对待要求不偏袒、不歧视；它并不要求每位客户在完全相同的一刻收到信息，或获得完全相同的服务。不同服务安排须透明且不能不公平地损害其他客户。

Fair dealing requires impartial treatment without discrimination. It does not require identical services or communication at precisely the same instant. Service differences must be transparent and must not unfairly disadvantage other clients.

其余选项为什么错 / Why the other choices fail

A、C：均把 equal 视为强制要求；准则使用 fair and impartial。

A and C: Both incorrectly make equal or identical treatment mandatory; the relevant wording is fair and impartial.

Fair treatment does not require identical treatment.

A. 根据客户的投资需求，有选择地向客户提供不同级别服务。

B. disclose to clients and prospective clients how she selects accounts to participate in an order.

B. 向客户及潜在客户披露如何选择参与某笔交易的账户。

C. inform all firm staff of the content of upcoming investment recommendations to assure that all clients' investment needs are met

C. 将即将发布的投资建议内容通知所有员工，以确保满足所有客户的投资需求。

正确答案 / Correct answer: B | III(B)

客户应了解交易参与及分配方法。不同服务级别应充分披露并公平提供，而即将发布的研究内容应控制知悉人员数量，以降低泄漏和抢先交易的风险。

Disclose the method for selecting accounts to participate in trades. Service tiers should be transparently available, while access to pending recommendations should be limited to reduce leakage and advance trading.

其余选项为什么错 / Why the other choices fail

A：不能不透明地选择性提供服务；不同级别须披露并公平开放。C：应限制提前知悉者，而非通知全体员工。

A: Selective, undisclosed access to service levels is inappropriate. C: Limit advance access rather than informing all employees.

记忆提示 / Recall: 分配规则向客户透明；未发布建议在内部限知。

Be transparent about allocation, and restrict advance access to recommendations.

Q067 建议发布的时间安排

PRACTICE | Timing of recommendation dissemination

英文原题 / Original question

Jayson Kite, CFA, a senior analyst, is preparing a research report on a shipping company. Kite concludes that the stock of a company is a good investment and decides to put a "buy" recommendation on the stock. According to there commended procedures for compliance, Kite should communicate the recommendation:

中文对照 / Chinese translation

Jayson Kite，CFA，是一名资深分析师，正在为一家航运公司编写研究报告。Kite 认为该公司的股票是良好投资，决定给予“买入”建议。根据建议的合规程序，Kite 应如何传达该建议？

A. within the firm first and then to customers.

A. 先在公司内部传达，再告知客户。

B. to customers first and then within the firm.

B. 先告知客户，再在公司内部传达。

C. simultaneously within the firm and to customers.

C. 同时向公司内部人员和客户传达。

正确答案 / Correct answer: C | III(B)

建议的合规做法是同时向公司内部及客户发布，减少有人利用提前获知的信息抢先交易。重点是公平的传播机制和防止提前泄露，而不是机械要求每个人同一秒收到。

Simultaneous dissemination within the firm and to customers is a recommended procedure to limit unfair early access. The objective is a fair process and prevention of misuse, not literal receipt by everyone at an identical instant.

其余选项为什么错 / Why the other choices fail

A：先内部后客户可能让内部人员取得提前交易机会。B：也不符合题目要求的同时传播建议程序。

A: Internal advance dissemination can create an unfair trading opportunity. B: It is not the recommended simultaneous-distribution procedure asked for.

记忆提示 / Recall: 本题考推荐的发布流程，不能与先群发后逐一跟进混淆。

This asks for the recommended release procedure, not subsequent individual follow-up.

原文提示 / Source note: 公平对待的正确编号为 III(B)。The correct reference for Fair Dealing is III(B).

Q109 超额认购 IPO 与家庭客户

PRACTICE | Oversubscribed IPOs and family clients

原题来源 / Source: 题库 PDF p.174（本节 p.28）| 答案 PDF p.109 | III(B)

英文原题 / Original question

David Andrews, CFA, is an investment manager with Aldona Investments. Aldona secures a block of stock in an oversubscribed initial public offering. Andrews decides to prorate the issue to all fee-paying accounts for which it is appropriate, including the fee-paying accounts of his immediate family members. Has Andrews violated the Standard relating to fair dealing?

中文对照 / Chinese translation

David Andrews，CFA，是 Aldona Investments 的投资经理。Aldona 获配了一批超额认购 IPO 的股票。Andrews 决定把股份按比例分配给所有适合该投资的收费账户，包括其直系亲属的收费账户。他是否违反公平交易准则？

A. No

A. 没有。

B. Yes, by prorating the issue to all subscribers.

B. 有，因为他按比例分配给所有认购者。

C. Yes, by including immediate family members in the transaction.

C. 有，因为他让直系亲属参与该交易。

正确答案 / Correct answer: A | III(B)

适合该投资的正常收费家庭客户应与其他客户公平对待。对超额认购配售按比例分配，没有因为亲属关系优待或歧视。

Regular fee-paying family client accounts should be treated fairly alongside other suitable client accounts. Pro-rata allocation of the oversubscribed issue is appropriate here.

其余选项为什么错 / Why the other choices fail

B：在适合且参与认购的客户间按比例分配是合理方法。C：亲属身份本身不是排除正常客户的理由。

B: Pro-rata allocation among suitable subscribers is reasonable. C: Family status alone does not justify excluding a regular client account.

记忆提示 / Recall: 家庭客户账户也有客户权利。

A family client account still has client rights.

08 III(C) 适合性与投资政策声明

III(C) Suitability and the IPS

6 道原题 / original questions | 核心规则 / Core rules

建议必须适合客户的整体目标和约束；产品本身好，不代表适合这个客户。

Advice must fit the client's objectives and constraints at the portfolio level; an attractive product is not necessarily suitable for a particular client.

01 在顾问关系中，先合理了解客户经验、风险及收益目标、财务情况与约束，再依据书面 IPS 作建议；市场漂移不能成为长期偏离已定配置的理由。

In an advisory relationship, investigate experience, risk and return objectives, finances and constraints before acting consistently with the written IPS. Market drift does not justify disregarding an agreed allocation.

对应原题 / Source examples: Q87 / Q117 / Q129

02 客户主动要求不适合交易时，先解释疑虑，并取得客户理解与接受，遵守公司程序；若将重大影响组合，应重新讨论或更新 IPS。原题的 1% 是具体情景，不是统一豁免门槛。

For an unsolicited unsuitable order, discuss concerns, obtain the client's acknowledgment and follow firm procedures. A material portfolio impact calls for reconsidering or updating the IPS. The source question's 1% is a case fact, not a universal exemption threshold.

对应原题 / Source examples: Q6

03 基金经理按既定 mandate 管理共同基金，责任是遵循该 mandate；若没有个人顾问关系，不自动承担判断基金是否适合每位购买人的责任。

A manager running a pooled fund to a mandate must honor that mandate. Without an advisory relationship, the manager is not automatically responsible for determining suitability for every investor who buys the fund.

对应原题 / Source examples: Q42

04 客户拒绝披露其他资产时，适合性判断只能基于已提供的资料，并说明范围；投资计划与战略配置可以放在 IPS 之外的独立文件。

When a client withholds other assets, the assessment is limited to information provided and its agreed scope. The investment program and strategic allocation may be documented separately from the IPS.

对应原题 / Source examples: Q47

05 应定期更新客户资料与目标约束；年度检查是合理的推荐频率，重大变化时应更频繁。IPS 制定也应考虑绩效比较基准。

Review the client's objectives and constraints periodically. Annual review is a reasonable recommendation, with more frequent review after material changes. Consider performance benchmarks when establishing investment policy.

对应原题 / Source examples: Q87 / Q129

易错提醒 / Common trap

不能把客户一句"增加风险"当作完整更新，也不能把基金管理职责与个人理财顾问职责混为一谈。

A brief request for more risk is not a complete client update. Distinguish fund management duties from duties in a personal advisory relationship.

Q006 客户主动指令与重大性

CORE EXAMPLE | Unsolicited trades and materiality

原题来源 / Source: 题库 PDF p.148（本节 p.2）| 答案 PDF p.6 | III(C)

英文原题 / Original question

Dennis Kim, CFA, works at Century Growth Partners (CGP) where he manages an investment account for his client Amelia Frost. Frost tells Kim to invest one percent of her portfolio in biotech stocks. Kim believes such an investment is inconsistent with Frost's investment policy statement. CGP has no policy regarding execution of unsolicited trading requests. Kim discusses his concerns with Frost, but she does not change her instruction. Without amending Frost's investment policy statement, Kim executes the trade afterward. Has Kim violated the Standards?

中文对照 / Chinese translation

Dennis Kim，CFA，在 Century Growth Partners（CGP）管理客户 Amelia Frost 的投资账户。Frost 要求将投资组合的 1% 投入生物科技股票。Kim 认为该投资与 Frost 的投资政策声明（IPS）不一致。CGP 没有关于执行客户主动提出交易要求的政策。Kim 向 Frost 解释了顾虑，但她坚持指令。随后，Kim 未修改 IPS 即执行交易。Kim 是否违反准则？

A. No

A. 没有。

B. Yes, because Kim executes an unsuitable trade for Frost

B. 有，因为他为 Frost 执行了不适合的交易。

C. Yes, because Kim does not change Frost's investment policy statement before executing the trade

C. 有，因为他在执行交易前没有修改 Frost 的 IPS。

正确答案 / Correct answer: A | III(C)

答案将本题的 1% 交易视为对整体组合影响不重大。Kim 先说明不适合之处，客户仍确认执行，且公司没有额外审批政策，因此可执行；只有影响重大时才需借此重新审视 IPS。

The supplied solution treats this 1% trade as immaterial to the overall portfolio. Kim first discusses the suitability concern and the client maintains her instruction. With no additional firm policy, execution is permitted; a material change would require revisiting the IPS.

其余选项为什么错 / Why the other choices fail

B：客户主动指令在沟通及确认后，并非一律禁止。C：本题交易影响不重大，不必每次为小额指令修改 IPS。

B: An unsolicited unsuitable trade is not always prohibited after discussion and acknowledgment. C: An immaterial request does not automatically require an IPS amendment.

记忆提示 / Recall: 1% 是本题事实判断，不是通用安全比例。

The 1% figure is case-specific, not a universal safe threshold.

Q042 基金授权与个人适合性

CORE EXAMPLE | Fund mandates versus individual suitability

原题来源 / Source: 题库 PDF p.157（本节 p.11）| 答案 PDF p.42 | III(C)

英文原题 / Original question

According to the Standard relating to suitability, a member who manages a mutual fund is required:

中文对照 / Chinese translation

根据"适合性"准则，共同基金经理必须：

A. only to invest in a manner consistent with the fund's stated mandate.

A. 仅以符合基金既定投资授权的方式投资。

B. only to determine the suitability of the fund for investors who may be purchasing shares in the fund.

B. 仅判断基金是否适合可能购买基金份额的投资者。

C. both to invest in a manner consistent with the fund's stated mandate and to determine the suitability of the fund for investors who may be purchasing shares in the fund.

C. 既遵循基金既定投资授权，也判断基金是否适合可能购买份额的投资者。

正确答案 / Correct answer: A | III(C)

管理集合基金的职责是遵循基金的既定授权。对具体投资者判断基金是否适合，通常属于与该投资者有顾问关系者的义务；不能自动加到基金经理身上。

A pooled-fund manager must follow the fund's stated mandate. Assessing whether that fund suits an individual investor belongs to the professional with an advisory relationship with that investor, not automatically the fund manager.

其余选项为什么错 / Why the other choices fail

B：错把销售或顾问端的适合性责任赋予基金经理。C：加入了题目未建立的个人顾问责任。

B: It assigns the individual adviser's suitability duty to the fund manager. C: It adds an advisory duty not established by the facts.

记忆提示 / Recall: 管理基金看 mandate；建议客户买基金看客户适合性。

Fund management follows the mandate; advising an investor requires client suitability.

Q047 资料不完整时的适合性分析

PRACTICE | Suitability with incomplete client information

原题来源 / Source: 题库 PDF p.158（本节 p.12）| 答案 PDF p.47 | III(C)

英文原题 / Original question

Johanna Ayers, CFA, is a portfolio manager. She has a new client and develops an investment policy statement (IPS) that addresses the client's risk and return objectives and constraints. The client does not disclose assets managed by other firms and Ayers agrees to only manage the portion of the client's assets disclosed to her. In a separate document, Ayers develops an investment program and strategic asset allocation for the portion of client assets she manages. Has Ayers most likely violated the Standard relating to suitability?

中文对照 / Chinese translation

Johanna Ayers，CFA，是投资组合经理。她为一名新客户制定投资政策声明（IPS），涵盖客户风险及收益目标和约束。客户未披露其他公司管理的资产，Ayers 同意仅管理已披露部分。她又在一份独立文件中，为自己管理的资产制定投资方案和战略资产配置。Ayers 最可能是否违反“适合性”准则？

A. No.

A. 没有。

B. Yes, by keeping the investment program and strategic asset allocation in a document that is separate from the IPS.

B. 有，因为投资方案和战略资产配置放在与 IPS 不同的文件中。

C. Yes, by agreeing to manage a portion of the client's assets without knowledge of the client's assets managed by other firms.

C. 有，因为不了解客户在其他公司管理的资产，却同意只管理其部分资产。

正确答案 / Correct answer: A | III(C)

应尽力取得完整资产信息，但客户拒绝披露时，可依据已知资料评估约定范围内的资产，明确分析局限。投资方案及战略配置可单独成文，无须与 IPS 处于同一文件。

Seek complete financial information, but when a client withholds it, suitability assessment can proceed on the information supplied for the agreed mandate. Investment programs and strategic allocations may be documented separately from the IPS.

其余选项为什么错 / Why the other choices fail

B：允许另附文件或独立文件。C：客户未披露其他资产，不自动禁止管理约定的部分资产。

B: Separate documents or appendices are allowed. C: Withheld information does not automatically prohibit management of the agreed portion.

记忆提示 / Recall: 尽力了解全貌；在可得信息与约定范围内判断。

Seek the full picture, then assess the available information and agreed scope.

Q087 更新客户资料后再提高风险

PRACTICE | Updating the client profile before increasing risk

原题来源 / Source: 题库 PDF p.169（本节 p.23）| 答案 PDF p.87 | III(A); III(C)

英文原题 / Original question

David Bravoria, CFA, is an independent financial advisor for a high-net-worth client with whom he had not had contact in more than two years. During a recent brief telephone conversation, the client states that he wants to increase his risk exposure. Bravoria subsequently recommends and invests in several high-risk venture capital funds on behalf of the client. Bravoria continues, as he has done in the past, to send to his client monthly, detailed, itemized investment statements. Did Bravoria most likely violate any CFA Standards?

中文对照 / Chinese translation

David Bravoria，CFA，是一位高净值客户的独立财务顾问，但已有两年多未与客户联系。最近一次简短电话交谈中，客户表示希望增加风险敞口。随后，Bravoria 推荐并代客户投资了数只高风险创业投资基金。他像过去一样，继续每月向客户发送详细、逐项列示的投资报表。Bravoria 最可能是否违反任何 CFA 准则？

A. No.

A. 没有。

B. Yes, with regard to investment statements.

B. 有，涉及投资报表。

C. Yes, with regard to purchasing venture capital funds.

C. 有，涉及购买创业投资基金。

正确答案 / Correct answer: C | III(A); III(C)

一句"希望增加风险"不能替代更新客户的风险与收益目标、财务状况及约束。两年多未充分联系后，不应仅凭简短通话就增加高风险投资。每月提供详细报表本身没有问题。

A brief request for more risk does not replace an updated assessment of objectives, finances, and constraints. Following a long lapse in contact, that assessment should precede high-risk investments. Monthly detailed statements are not improper.

其余选项为什么错 / Why the other choices fail

A：忽略了客户资料陈旧与适合性审查不足。B：每月报表频率并不构成违规，问题发生在投资决定之前。

A: It overlooks stale client information and insufficient assessment. B: Monthly statements are not the violation; the deficiency precedes the investment decision.

记忆提示 / Recall: 客户说"愿意"不等于已确认"能够"承受该风险。

A willingness to increase risk does not establish capacity or overall suitability.

适用边界 / Qualification: 原答案以 III(A) 解释，本讲义同时交叉标注 III(C) 适合性。账户报表至少每季度提供属于该指引下的建议，不能把所有建议都读成强制标准条文。

The supplied answer cites III(A); III(C) is cross-referenced for suitability. Quarterly account statements are a recommended practice in the guidance, rather than a universal standalone mandatory frequency.

Q117 看好市场也不能偏离授权

PRACTICE | Optimism does not override the mandate

原题来源 / Source: 题库 PDF p.176（本节 p.30）| 答案 PDF p.117 | III(C); III(A)

英文原题 / Original question

Grace Lee, CFA, is an investment advisor. The investment policy statement of one of her clients specifies an equal-weighted portfolio of consumer durables, clean energy, and technology stocks. Over time, the portfolio has become significantly over-weighted toward technology stocks due to their superior performance. Lee expects technology stocks to outperform for another year and decides not to rebalance the portfolio. Has Lee violated the Standards?

中文对照 / Chinese translation

Grace Lee，CFA，是一名投资顾问。某客户的投资政策声明要求消费耐用品、清洁能源和科技股票各占相同比重。随着科技股表现优异，组合逐渐显著超配科技股。Lee 预计科技股未来一年仍会跑赢，因此决定不再平衡组合。她是否违反准则？

A. No.

A. 没有。

B. Yes, only the Standard relating to suitability.

B. 有，仅违反适当性准则。

C. Yes, both the Standard relating to suitability and the Standard relating to loyalty, prudence, and care.

C. 有，同时违反适当性及忠诚、审慎与尽责准则。

正确答案 / Correct answer: C | III(C); III(A)

客户授权是等权配置，Lee 不能凭看涨判断自行改成超配。她既未遵守书面投资约束，也未按客户指引谨慎管理资产。

The client’s written mandate requires equal weights. Lee cannot replace it with her own market view. Ignoring it breaches both suitability and the duty to manage assets prudently under the client’s instructions.

其余选项为什么错 / Why the other choices fail

A：预期高回报不豁免授权限制。B：不仅涉及配置适当性，也涉及忠诚与审慎履行客户指令。

A: Expected outperformance does not excuse the mandate breach. B: It also breaches loyalty, prudence, and care.

记忆提示 / Recall: 先遵守 IPS；要变策略，先与客户更新授权。

Follow the IPS; revise the mandate with the client before changing it.

Q129 IPS 的复核与业绩基准

PRACTICE | Reviewing the IPS and its benchmark

原题来源 / Source: 题库 PDF p.179（本节 p.33）| 答案 PDF p.129 | III(C)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to suitability?

Procedure1	An investor's objectives and constraints should be reviewed annually unless there is a reason that1dictates more frequent review.
Procedure2	A member in an investment advisory relationship with clients should take into consideration performance measurement benchmarks in formulating an investment policy statement.

中文对照 / Chinese translation

以下哪些是遵守适当性准则的建议程序？

程序 1：除非存在需要更频繁复核的原因，否则应每年复核投资者目标与约束。

程序 2：与客户存在投资顾问关系的会员在制定投资政策声明时，应考虑业绩衡量基准。

A. Procedure 1 only.

A. 仅程序 1。

B. Procedure 2 only.

B. 仅程序 2。

C. Both Procedure 1 and Procedure 2.

C. 程序 1 和程序 2。

正确答案 / Correct answer: C | III(C)

IPS 应随客户情况与环境变化更新；通常每年复核，重大变化时更频繁。业绩基准也是制定投资政策应考虑的要素，因此两项都正确。

Review the IPS periodically, normally annually and more often when circumstances warrant. Performance benchmarks are also relevant to formulating the investment policy. Both procedures are recommended.

其余选项为什么错 / Why the other choices fail

A：遗漏基准要素。B：遗漏定期及有重大变化时的复核。

A: It omits the benchmark consideration. B: It omits periodic and event-driven review.

记忆提示 / Recall: 至少记住“年度复核 + 变化触发”，不是等一年才处理。

Remember annual review plus updates when circumstances change.

对应原题 / Source examples: Q43 / Q111 / Q112 / Q116

04 可在授权范围内向共同服务该客户的同事提供必要资料；不能为了其他客户或自己的用途随意转用。客户明确授权时按授权范围披露。

05 标准列有涉及违法活动、法律要求或客户允许披露等情形，但仍须遵守适用法律；法律禁止时不能自行解除保密，包括向 PCP 提供信息也须依法进行。

The Standard recognizes exceptions involving illegal activities, legal requirements or client permission, subject to applicable law. Do not override a legal prohibition on disclosure; PCP cooperation must also be lawful.

对应原题 / Source examples: Q113 / Q116

06 保密控制要适应本公司实际系统，对员工进行培训，并提醒客户不是所有通讯渠道都适合传输机密资料；不要求每个从业者都成为 IT 安全专家。

Johny Lumunon，CFA，向潜在客户展示一个投资目标为“平衡型”的账户业绩，并强调该账户过去十年跑赢基准。他没有披露这是表现最好的账户，也没有披露公司管理的半数“平衡型”账户在同一期间跑输基准。Lumunon 最可能违反了以下哪些准则？

A. only misrepresentation.

A. 仅失实陈述。

B. only performance presentation.

B. 仅业绩呈现。

C. both misrepresentation and performance presentation.

C. 失实陈述和业绩呈现。

正确答案 / Correct answer: C | I(C); III(D)

只展示最好账户，却让客户以为它代表公司同策略业绩，构成选择性披露和误导。既违反失实陈述，也违反业绩应公平、准确、完整呈现的要求。

Presenting the best account as if it represented the strategy, while omitting weaker accounts, misleads prospects. The conduct violates both misrepresentation and fair, accurate, complete performance-presentation duties.

其余选项为什么错 / Why the other choices fail

A：遗漏了业绩呈现违规。B：遗漏了通过重大信息遗漏造成的失实陈述。

A: It omits the performance-presentation violation. B: It omits the misleading representation caused by material omissions.

记忆提示 / Recall: 最好账户不代表整体业绩。

The best account is not representative of the whole strategy.

英文原题 / Original question

Richard Hicks, CFA, is an investment advisor. A friend asks Hicks to share client contacts in order to solicit charitable donations. Hicks responds that he is unable to share current clients 'contact details and instead provides e-mail addresses of several former clients. The next day, Hicks finds out that one of his colleagues, Claudia Moll, a Level III candidate in the CFA Program, has failed to inform her supervisor about her personal bankruptcy resulting from large medical bills. Have the Standards most likely been violated?

中文对照 / Chinese translation

Richard Hicks，CFA，是投资顾问。朋友请他分享客户联系方式，用于募集慈善捐款。Hicks 表示不能提供现有客户资料，但给了几位前客户的电子邮件地址。第二天，Hicks 得知同事 Claudia Moll（CFA 三级考生）因巨额医疗账单而个人破产，却未告知主管。准则最可能是否被违反？

A. No.

A. 没有。

B. Yes, by Moll.

B. 有，Moll 违反了准则。

C. Yes, by Hicks.

C. 有，Hicks 违反了准则。

正确答案 / Correct answer: C | III(E); I(D)

保密义务在客户关系结束后仍持续，慈善目的也不提供披露许可。Hicks 透露前客户邮箱违规；Moll 的医疗债务破产未显示欺诈或职业失信，本题不据此认定违规。

Confidentiality continues after a client relationship ends, and a charitable purpose does not authorize disclosure. Hicks breaches confidentiality by sharing former clients' emails. Medical-debt bankruptcy alone does not establish professional misconduct by Moll.

其余选项为什么错 / Why the other choices fail

A：忽视了前客户保密义务。B：医疗费用导致破产不自动构成职业违规。

A: It overlooks the former clients' continuing confidentiality. B: Bankruptcy caused by medical bills is not automatically professional misconduct.

记忆提示 / Recall: 前客户、现客户、潜在客户的信息均须保护。

Protect confidential information of former, current, and prospective clients.

中文对照 / Chinese translation

以下哪项是遵守“业绩呈现”准则的建议程序？会员呈现业绩时，应当：

A. exclude terminated accounts.

A. 排除已终止账户。

B. use a single representative account for each investment mandate.

B. 每种投资授权只使用一个代表账户。

C. disclose that investment results are simulated when model results are used.

C. 使用模型结果时，披露这些投资结果是模拟的。

正确答案 / Correct answer: C | III(D)

模型或回测结果必须清楚标为模拟，避免客户误认真实投资记录。呈现整体业绩应保留已终止账户的相关历史，并尽量使用同策略组合群，避免精选个别账户。

Clearly identify model or back-tested results as simulated. A fair history includes relevant terminated-account performance and uses a composite of similar portfolios rather than cherry-picking a single account.

其余选项为什么错 / Why the other choices fail

A：剔除终止账户可能造成幸存者偏差。B：单一代表账户可能不反映同策略整体表现。

A: Excluding terminated accounts can create survivorship bias. B: A single account may not represent the strategy as a whole.

记忆提示 / Recall: 模拟要标明；终止账户历史不能随意抹掉。

Label simulations and do not erase terminated accounts from the relevant history.

Q041 简要业绩展示的支持资料

PRACTICE | Supporting abbreviated performance presentations

原题来源 / Source: 题库 PDF p.157（本节 p.11）| 答案 PDF p.41 | III(D)

中文对照 / Chinese translation

Mary Rein，CFA，向一群现有及潜在客户简要介绍公司业绩。根据"业绩呈现"准则，客户提出要求时，Rein 是否必须提供支持该展示的详细资料？

A. No.

A. 不需要。

B. Yes, only to current clients.

B. 需要，但仅向现有客户提供。

C. Yes, both to current clients and to prospective clients.

C. 需要，向现有客户及潜在客户均须提供。

正确答案 / Correct answer: C | III(D)

简要业绩展示可以采用，但应说明其信息有限，并在现有或潜在客户提出要求时提供详细支持资料。潜在客户同样需要资料判断管理能力。

An abbreviated presentation is permitted, but its limited scope should be clear and detailed supporting information must be available on request to both existing and prospective clients. Prospects also need evidence to assess the manager.

其余选项为什么错 / Why the other choices fail

A：简要展示不免除提供支持资料的义务。B：不能把潜在客户排除。

A: Brevity does not eliminate the supporting-information obligation. B: Prospective clients cannot be excluded.

记忆提示 / Recall: 现有客户与潜在客户，均可索取业绩依据。

Both clients and prospects may request the basis for performance claims.

Q044 历史业绩与未来回报暗示

PRACTICE | Past performance and future-return implications

原题来源 / Source: 题库 PDF p.157（本节 p.11）| 答案 PDF p.44 | III(D); I(C)

英文原题 / Original question

Tom Dixon, CFA, provides a brief summary of his investment performance to his clients. He indicates that further information is available upon request. He tells his clients they can expect a return of 5% in the next three years based on his strong track record. Has Dixon most likely violated the Standards?

中文对照 / Chinese translation

Tom Dixon，CFA，向客户提供投资业绩简要摘要，并说明可按要求提供更多资料。他依据良好历史业绩告诉客户，未来三年可以预期获得 5% 的回报。Dixon 最可能是否违反准则？

A. No.

A. 没有。

B. Yes, by indicating that further information is available upon request.

B. 有，因为他说更多资料可按要求提供。

C. Yes, by telling his clients they can expect a return of 5% in the next three years.

C. 有，因为他说客户未来三年可预期获得 5% 回报。

正确答案 / Correct answer: C | III(D); I(C)

不能仅根据以往良好业绩，让客户相信将得到某个回报。提供有依据、附假设及风险的预测与保证结果不同；本题以历史记录直接支撑确定回报预期，被答案视为误导。

Past success alone must not imply that clients will receive a particular future return. A properly qualified forecast differs from a guarantee; the supplied case treats the direct historical-performance-based assurance as misleading.

其余选项为什么错 / Why the other choices fail

A：忽视了历史业绩不能支持确定回报暗示。B：摘要附“资料可索取”的安排本身允许。

A: It overlooks the misleading implication of a particular future return. B: Making fuller information available on request is permitted.

记忆提示 / Recall: 可解释预测与假设，不能用过去业绩暗示保证。

Explain forecasts and assumptions without implying that past results guarantee future returns.

Q054 简要业绩展示与支持资料

PRACTICE | Brief performance presentations

原题来源 / Source: 题库 PDF p.160（本节 p.14）| 答案 PDF p.54 | III(D); III(B)

英文原题 / Original question

Amy Joy, CFA, works at Park lane Investments Ltd. (PIL). When presenting to PIL' s prospective clients, Joy uses a brief investment performance summary and makes available detailed supporting information only upon client request. Has Joy violated the Standards?

中文对照 / Chinese translation

Amy Joy，CFA，在 Park lane Investments Ltd.（PIL）工作。向 PIL 的潜在客户展示资料时，Joy 使用简短的投资业绩摘要，只有在客户要求时才提供详细支持资料。Joy 是否违反准则？

A. No.

A. 没有。

B. Yes, the Standard relating to fair dealing.

B. 有，违反公平对待准则。

C. Yes, the Standard relating to performance presentation.

C. 有，违反业绩呈报准则。

正确答案 / Correct answer: A | III(D); III(B)

业绩介绍可以采用摘要形式，只要表达公平、准确、完整，并在客户或潜在客户提出要求时提供详细支持资料。题目没有描述偏袒客户或误导业绩的行为。

A performance presentation may be brief if it is fair, accurate, and complete and detailed supporting information is available on request. The facts do not establish unfair treatment or misleading performance.

其余选项为什么错 / Why the other choices fail

B：没有证据显示客户被不公平对待。C：摘要形式本身不违规，详细支持资料可依要求提供。

B: The facts show no unfair treatment. C: A brief format is permitted when detailed supporting information is available upon request.

记忆提示 / Recall: 简短不等于不完整或误导；关键是支持资料与公平呈报。

A short presentation is not automatically misleading; assess fair presentation and supporting information.

Q057 保密沟通及员工培训

PRACTICE | Confidential communication and staff training

原题来源 / Source: 题库 PDF p.161（本节 p.15）| 答案 PDF p.57 | III(E)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to preservation of confidentiality?

Procedure 1	Members should convey to clients that not all firm-sponsored communication methods may be suitable for transmitting confidential information.
Procedure 2	Procedure Members should encourage their firms to provide periodic training on confidentiality procedures to all clients.
Procedure 3	Procedure Members should become experts in information technology security in order to protect client confidentiality.

中文对照 / Chinese translation

下列哪一项属于遵守保密准则的建议程序？

程序 1：会员应告知客户，并非所有公司提供的沟通方式都适合传送机密信息。

程序 2：会员应鼓励公司向所有客户定期提供保密程序培训。

程序 3：会员应成为信息技术安全专家，以保护客户机密。

A. Procedure 1

A. 程序 1。

B. Procedure 2

B. 程序 2。

C. Procedure 3

C. 程序 3。

正确答案 / Correct answer: A | III(E)

应提醒客户选择适合传递机密信息的渠道。定期保密培训的建议对象是所有相关员工，包括非投资岗位员工；会员需要理解雇主的安全政策，但无需成为技术安全专家。

Clients should be told which channels are appropriate for confidential information. Recommended periodic training concerns relevant firm personnel, including non-investment staff. Members should understand security policies but need not become IT-security experts.

其余选项为什么错 / Why the other choices fail

B：把应培训的“员工”换成“所有客户”。C：把理解安全政策夸大成必须成为安全专家。

B: The recommendation concerns staff, not all clients. C: Understanding security policies does not require becoming an information-security specialist.

记忆提示 / Recall: 建议程序题常通过替换对象或夸大义务设置干扰。

Procedure questions often change the target audience or overstate the required expertise.

原文提示 / Source note: 原题的重复单词 Procedure 不影响三个程序的内容；译文按编号呈现。The duplicated word Procedure does not change the three statements.

Q082 内部信息共享与适合公司的保密制度

PRACTICE | Internal sharing and suitable confidentiality controls

原题来源 / Source: 题库 PDF p.167（本节 p.21）| 答案 PDF p.82 | III(E)

英文原题 / Original question

Which of the following is a recommended procedure for complying with the Standard relating to preservation of confidentiality?

Procedure 1	Disclose to authorized fellow employees only information that will improve service to the client
Procedure 2	Encourage the adoption of standard confidentiality procedures utilized by leading firms in the industry

中文对照 / Chinese translation

下列哪项属于遵守保密准则的建议程序？
程序 1：只向获授权的同事披露有助于改善客户服务的信息。
程序 2：鼓励采用行业领先公司所使用的标准保密程序。

A. Procedure 1 only

A. 仅程序 1。

B. Procedure 2 only

B. 仅程序 2。

C. Both Procedure 1 and Procedure 2

C. 程序 1 和程序 2。

正确答案 / Correct answer: A | III(E)

获授权且服务该客户的员工，可在改善服务所需范围内知悉客户信息。保密制度应适合公司本身的情况，不能认为照搬行业领先公司的标准程序就一定合适。

Information may be shared with authorized colleagues working for the client when it improves service. Confidentiality procedures should fit the firm’s circumstances rather than automatically copy another firm’s model.

其余选项为什么错 / Why the other choices fail

B：外部领先公司的通用做法不自动适合本公司。C：程序 2 并非所要求的建议，只有程序 1 正确。

B: Another leading firm’s standard procedures may not fit this firm. C: Only Procedure 1 is the appropriate recommendation.

记忆提示 / Recall: 内部可以按授权及需要分享，但不是全体同事都能看。

Internal access depends on authorization and a service-related need, not mere employment.

Q111 前客户和潜在客户的保密

PRACTICE | Confidentiality beyond current clients

原题来源 / Source: 题库 PDF p.175（本节 p.29）| 答案 PDF p.111 | III(E)

英文原题 / Original question

Which of the following most likely violates the Standard relating to preservation of confidentiality?

中文对照 / Chinese translation

以下哪项最可能违反保密准则？

A. Recommending a former client as a potential donor for a local charity

A. 向本地慈善机构推荐一名前客户作为潜在捐款人。

B. Disclosing details of client activity to the CFA Institute Professional Conduct Program

B. 向 CFA 协会职业操守计划披露客户活动详情。

C. Providing confidential information about a prospective client when permitted by the prospective client

C. 在潜在客户许可下，提供其保密信息。

正确答案 / Correct answer: A | III(E)

保密义务覆盖现有、过去和潜在客户。为慈善目的也不能未经许可使用或披露前客户的私人信息。

Confidentiality extends to former and prospective clients. A charitable purpose does not authorize using or disclosing a former client's private information without permission.

其余选项为什么错 / Why the other choices fail

B：在适用法律允许时，可向 PCP 提供调查所需资料。C：可在有效授权范围内披露。

B: Disclosure to the PCP is permissible when applicable law allows it. C: Disclosure within the client's authorization is permitted.

记忆提示 / Recall: 关系结束不等于保密结束。

Ending the relationship does not end confidentiality.

适用边界 / Qualification: 与 Q113 对照：PCP 调查不会凌驾当地禁止披露的法律。

Compare Q113: a PCP request does not override a legal prohibition on disclosure.

Q112 客户主动订单的保密边界

PRACTICE | Confidentiality of unsolicited client orders

原题来源 / Source: 题库 PDF p.175（本节 p.29）| 答案 PDF p.112 | III(E)

英文原题 / Original question

Linda Barr, CFA, a portfolio manager, receives an unsolicited stock order from a client. She discusses the order with her firm's analysts to determine how it will impact that client's portfolio. The analysts determine the stock to be highly undervalued and suitable for many of Barr's clients. Barr calls clients for whom the stock is suitable to recommend the stock. She then executes a single block trade for the original client as well as other clients for whom the stock is suitable. Barr most likely violated the Standards:

中文对照 / Chinese translation

Linda Barr，CFA，是一名组合经理。她收到客户主动提出的股票订单后，与公司的分析师讨论该订单对客户组合的影响。分析师认为这只股票严重低估，也适合 Barr 的许多客户。Barr 致电适合该股票的客户进行推荐，随后把原客户与其他适合客户的订单合并为一笔大宗交易。Barr 最可能违反准则的行为是：

A. only by executing the single block trade.

A. 仅执行这笔合并的大宗交易。

B. only by discussing unsolicited client orders with her analysts.

B. 仅与分析师讨论客户主动提出的订单。

C. both by executing the single block trade and by discussing unsolicited client orders with her analysts.

C. 以上两项行为均违反。

正确答案 / Correct answer: A | III(E)

原答案按 A 处理：与为该客户工作的获授权同事讨论订单可以，但未经原客户许可，把其保密订单信息用于其他客户的交易，触及保密义务。

The supplied key is A. Internal discussion with authorized colleagues serving the client is allowed. The solution interprets the subsequent combined trade as using confidential order information for other clients without authorization.

其余选项为什么错 / Why the other choices fail

B：为服务原客户而与获授权分析师讨论可以。C：把允许的内部讨论也列为违规。

B: Necessary discussion with authorized analysts is allowed. C: It wrongly includes that permitted internal discussion.

记忆提示 / Recall: 区分获授权内部交流与对其他客户使用保密信息。

Distinguish authorized internal discussion from use for other clients.

适用边界 / Qualification: 原题未充分说明对其他客户披露或使用了哪些保密信息；合并交易本身并非当然违规。保留原答案 A，不应背成“所有合并交易都违反保密”。原解析把 III(E) 一处误写为 II(E)。

The stem does not fully specify what confidential information was disclosed or used. A block trade is not inherently a confidentiality breach. Retain source key A, with this limitation. The source also mistypes III(E) as II(E).

Q116 保密例外受法律约束

PRACTICE | Confidentiality exceptions and law

原题来源 / Source: 题库 PDF p.176（本节 p.30）| 答案 PDF p.116 | III(E); I(A)

英文原题 / Original question

To comply with the Standards, if applicable law requires members to maintain confidentiality of client information, confidentiality must be maintained unless:

中文对照 / Chinese translation

如果适用法律要求会员保持客户信息机密，为遵守准则，会员必须继续保密，除非：

A. the client has died.

A. 客户已经去世。

B. the client's information involves illegal activities.

B. 客户的信息涉及违法活动。

C. the client permits the disclosure of the information.

C. 客户允许披露该信息。

正确答案 / Correct answer: C | III(E); I(A)

按题目与原解，客户有效许可是可用例外。死亡不终止保密；发现涉嫌违法，也不能无视当地保密法律自行披露。

Under the supplied facts and solution, client permission provides the applicable exception. Death does not end confidentiality, and suspected illegal activity does not automatically override local confidentiality law.

其余选项为什么错 / Why the other choices fail

A：保密在客户去世后继续。B：是否可举报仍须考察适用法律，而非自动披露。

A: Confidentiality survives death. B: Legal permission or requirements must still be assessed.

记忆提示 / Recall: 保密例外不能脱离适用法律。

Read confidentiality exceptions together with applicable law.

适用边界 / Qualification: 客户同意也必须在法律认可其授权有效的范围内使用；本题不表示客户可以授权一切违法披露。

Client consent operates only where legally effective; it cannot authorize a disclosure that law still prohibits.

Q122 历史业绩与收益保证

PRACTICE | Past performance versus guarantees

原题来源 / Source: 题库 PDF p.177（本节 p.31）| 答案 PDF p.122 | III(D); I(C)

英文原题 / Original question

A member uses his firm's composite to show performance to a prospective client. The member states "Our composite shows that we have outperformed the benchmark over the last five years, gross of fees." Has the member most likely violated the Standards?

中文对照 / Chinese translation

一名会员向潜在客户展示公司投资组合群的业绩，并表示："本组合群显示，我们过去五年扣费前的表现跑赢了基准。"他最可能违反了准则吗？

A. No.

A. 没有。

B. Yes, the Standard relating to misrepresentation.

B. 有，违反虚假陈述准则。

C. Yes, the Standard relating to performance presentation.

C. 有，违反业绩展示准则。

正确答案 / Correct answer: A | III(D); I(C)

在数据真实、完整且明确为扣费前的前提下，陈述过去五年的组合群业绩是允许的；题目并没有承诺客户未来同样跑赢。

On the stated facts, this is a factual description of historical composite performance, explicitly gross of fees. It is not a guarantee or implication that the prospective client will earn the same future return.

其余选项为什么错 / Why the other choices fail

B：没有作出未来收益保证。C：使用组合群并明确费用口径，本身不构成不公平展示。

B: No future return is guaranteed. C: A clearly identified gross-of-fees composite is not inherently misleading.

记忆提示 / Recall: "过去发生"与"未来保证"必须分开。

Separate a historical fact from a future guarantee.

适用边界 / Qualification: 本题的扣费前披露不等于已满足所有 GIPS 报告要求；是否宣称 GIPS 合规需另行检验完整规定。

Gross-of-fees disclosure alone does not establish compliance with every GIPS reporting requirement.

10 IV 对雇主的责任

IV Duties to Employers

16 道原题 / original questions | 核心规则 / Core rules

雇主有权获得你的工作与忠诚，但不会因此控制所有私人事务。

An employer is entitled to loyalty in your work, not control of every private activity.

01 与就业有关的事项须为雇主利益行事；不能把雇主利益概括为一切事项中永远高于个人。无竞争或合理冲突的周末教学等活动不自动构成违规。

Act for the employer's benefit in employment matters, without treating employer interests as superior in every private matter. Unrelated teaching or other noncompeting activity is not automatically a violation.

对应原题 / Source examples: Q32 / Q34 / Q59 / Q139

02 在职期间可在不损害雇主的前提下准备未来事业；实际开展有偿竞争服务前应通知雇主并取得同意。准备材料不等于已招揽客户或运营竞争业务。

Preparations for a future business may be acceptable if they do not breach loyalty. Obtain employer consent before actually providing competing compensated services. Preparation differs from solicitation or operation.

对应原题 / Source examples: Q14 / Q34 / Q59

03 离职不能擅自带走客户清单、研究记录或软件。离职后用公开资料联系旧客户通常可行，但仍受有效不招揽或竞业约定约束。取得某项资料许可，不代表所有资料都获许可。

Do not take client lists, research records or software without permission. Public information may generally be used after departure, subject to valid restrictions. Permission for one item does not authorize taking everything.

对应原题 / Source examples: Q5 / Q49 / Q126 / Q146

04 可能与雇主利益冲突的额外薪酬、礼物或非现金福利，接受前须取得相关各方书面同意；来源可能是客户或第三方。披露、口头告知与事前书面同意不是同一要求。

Obtain prior written consent from involved parties for additional compensation or benefits that may conflict with employer interests. Clients and third parties can provide such benefits. Disclosure, oral notification and prior written consent are distinct.

对应原题 / Source examples: Q45 / Q46 / Q118 / Q119

05 主管应合理确保受监督人员守法守准则；发现可能违规，应主动调查范围并采取防止继续违规的措施，不能只接受下属保证。

Supervisors must make reasonable efforts to ensure compliance. On learning of a possible violation, investigate its scope and take steps to prevent recurrence; an employee's assurance is not enough.

对应原题 / Source examples: Q48 / Q62

06 制度不足以履行监督职责时，应书面拒绝接受该职责直至改善。伦理守则宜用易懂语言并与具体合规程序分别表达；仅采用 CFA 守则不能替代实际监督制度。

If controls are too inadequate to discharge supervision, decline that responsibility in writing until improved. A plain-language ethics code should be distinct from detailed compliance procedures; adopting the CFA Code alone is not a substitute.

对应原题 / Source examples: Q21 / Q62 / Q101 / Q132

易错提醒 / Common trap

不是所有副业都须禁止，也不是离职后就可以带走公司资料。先分竞争、冲突、所有权与合同限制。

Not all outside work is prohibited, and departure does not permit taking firm property. Separate competition, conflicts, ownership and contractual restrictions.

Q046 非现金额外报酬

CORE EXAMPLE | Noncash additional compensation

原题来源 / Source: 题库 PDF p.158（本节 p.12）| 答案 PDF p.46 | IV(B)

英文原题 / Original question

John Run, CFA, manages client accounts for an investment firm. A client says to Run: "For every year my portfolio beats the benchmark by 5%, you can use my beach home for a week." Run also serves on the board of Core Air Ltd. (Core). He does not receive cash payments from Core for board services but Core sends Run a family voucher for a flight. Run accepts both offers and does not inform his firm about the beach home offer or the flight voucher. Has Run most likely violated the Standard relating to additional compensation arrangements?

中文对照 / Chinese translation

John Run，CFA，为某投资公司管理客户账户。一名客户告诉他："你的组合每年只要跑赢基准 5%，你就可以使用我的海滨住宅一周。"Run 也担任 Core Air Ltd.（Core）的董事。Core 不为董事服务支付现金，但给他一张家庭机票礼券。Run 接受两项安排，既未告知公司海滨住宅优惠，也未告知机票礼券。他最可能是否违反"额外报酬安排"准则？

A. No.

A. 没有。

B. Yes, only because Run accepts the beach home offer without informing his employer.

B. 有，仅因未经告知雇主便接受海滨住宅优惠。

C. Yes, both because Run accepts the beach home offer and the family flight voucher without informing his employer.

C. 有，接受海滨住宅优惠及家庭机票礼券均未告知雇主。

正确答案 / Correct answer: C | IV(B)

未来业绩挂钩的度假待遇，以及董事服务换得的机票，均属于额外利益，现金与否不影响判断。须在接受前取得所需书面同意，不能因为不是工资或现金便忽略。

The performance-linked holiday benefit and the flight voucher for board service are both additional compensation. Noncash form does not remove the obligation to obtain the required prior written consent.

其余选项为什么错 / Why the other choices fail

A：两项均不能因非现金而免责。B：机票也是提供服务获得的额外利益。

A: Noncash benefits are still covered. B: The flight voucher is also a benefit received for services.

记忆提示 / Recall: 度假、机票、优惠也可能是报酬。

Holidays, flights, and privileges can all be compensation.

Q049 离职后的公开信息招揽

CORE EXAMPLE | Post-employment solicitation using public information

B. 仍受雇期间开展独立竞争业务。

C. contact clients from his previous employer using public information to solicit business at his new firm.

C. 离开前雇主后，利用公开资料联系其客户，为新公司招揽业务。

正确答案 / Correct answer: C | IV(A)

离职后，只要没有限制协议，且联系资料来自公开来源而非前雇主记录，可招揽前公司的客户。客户名单是雇主资料，不能擅自复制；在职开展竞争业务须先获同意。

After leaving, a member may use public information to contact former-employer clients when no restrictive agreement applies. Employer client lists cannot be taken without permission, and competitive services while employed require consent.

其余选项为什么错 / Why the other choices fail

A：把客户名单发给自己属于未经授权带走雇主资料。B：在职竞争业务不能绕过雇主同意。

A: Emailing the client list appropriates employer records. B: Competitive activity during employment requires employer consent.

记忆提示 / Recall: 离职后可用公开资料联系；不可带走内部名单。

After departure, use public contacts rather than taking internal client lists.

Q005 离职招揽、雇主资料与引用

PRACTICE | Departing employees, records, and attribution

英文原题 / Original question

Lisa Hajak, CFA, specialized in research on real estate companies at Cornerstone Country Bank for the past twenty years. Hajak recently started her own investment research firm, Hajak Investment Advisory. One of her former client sat Cornerstone asks Hajak to update a research report she wrote on a real estate company when she was at Cornerstone. Hajak updates the report, which she had copied to her personal computer without the bank's knowledge, and replaces references to the bank with her new firm, Hajak Investment Advisory. Hajak also incorporates the conclusions of a real estate study conducted by the Real tors Association that appeared in the Wall Street Journal. She references the Journal as her source in her report. She provides the revised report free of charge along with a cover letter for the bank's client to become a client of her firm. Concerning the reissued research report, Hajak least likely violated the CFA Institute Standards of Professional Conduct because she:

A. solicited the bank's client.

A. 招揽该银行的客户。

B. did not obtain consent to use the bank report.

B. 未取得使用银行研究报告的同意。

C. did not cite the actual source of the real estate study.

C. 未引用房地产研究的实际来源。

正确答案 / Correct answer: A | IV(A); V(C); I(C)

离职后，题目未说明有禁止招揽协议，也未表明客户资料来自银行记录，因此招揽本身不是违规点。未经同意带走银行报告，以及只引用转载报纸而遗漏原研究来源，均有问题。

After departure, solicitation is not itself prohibited when no restrictive agreement or misuse of employer client records is indicated. Taking the bank’s report without permission violates record-retention duties, and citing only the intermediary omits the underlying research source.

其余选项为什么错 / Why the other choices fail

B：研究报告属于雇主资料，带走或使用须获许可。C：应识别实际研究来源，必要时同时注明原作者与转载来源。

B: Employer research records require permission to take or use. C: Identify the actual research source and, where appropriate, both the original and intermediary sources.

记忆提示 / Recall: 可以依法重新建立业务；不能顺手带走雇主报告。

You may establish a new business, but employer records require permission.

Q014 离职前筹备与竞争

PRACTICE | Preparation versus competition before departure

原题来源 / Source: 题库 PDF p.150（本节 p.4）| 答案 PDF p.14 | IV(A)

英文原题 / Original question

Which of the following statements is accurate according to the Standards?

Statement 1	A member, prior to leaving his current employer, may contact potential clients for purposes of soliciting1their business for their new employer.
Statement 2	A member, while still employed, is free to make arrangements outside of normal working hours to apply for a license with the local regulator to set up a competing business.

中文对照 / Chinese translation

根据准则，以下哪项陈述准确？

陈述 1：会员在离开现雇主之前，可以联系潜在客户，为新雇主招揽业务。

陈述 2：会员仍受雇期间，可以在正常工作时间之外办理向当地监管机构申请牌照的安排，以筹建竞争业务。

A. Statement 1 only.

A. 仅陈述 1。

B. Statement 2 only.

B. 仅陈述 2。

C. Both Statement 1 and Statement 2.

C. 陈述 1 和陈述 2。

正确答案 / Correct answer: B | IV(A)

在不损害雇主利益的前提下，可利用私人时间准备新业务，例如申请牌照；但不能在离职前为新业务招揽客户或实际开展未经同意的竞争服务。

An employee may make nonconflicting preparations for a future business on personal time, such as regulatory registration. Soliciting business for the new employer before departure breaches the duty of loyalty.

其余选项为什么错 / Why the other choices fail

A：离职前为新雇主招揽业务不允许。C：包含了错误的陈述 1。

A: Solicitation for the future employer before departure is prohibited. C: It includes the incorrect first statement.

记忆提示 / Recall: 可筹备，不可提前抢客户。

Preparation is permitted; premature solicitation is not.

Q021 道德守则与合规程序

PRACTICE | Code of ethics versus compliance procedures

原题来源 / Source: 题库 PDF p.152（本节 p.6）| 答案 PDF p.21 | IV(C)

英文原题 / Original question

According to the recommended procedures for compliance with the Standard relating to responsibilities of supervisors, a firm's code of ethics should:

中文对照 / Chinese translation

根据“主管责任”准则的建议遵守程序，公司的道德守则应当：

A. only be written in plain language.

A. 仅应采用通俗语言撰写。

B. only be integrated in the firm's compliance procedures.

B. 仅应整合到公司的合规程序中。

C. both be written in plain language and be integrated in the firm's compliance procedures.

C. 既采用通俗语言撰写，也整合到公司的合规程序中。

正确答案 / Correct answer: A | IV(C)

建议使用独立、清晰、通俗的道德守则表达一般受托原则，再由具体合规程序落实。题目中的“仅”是在比较两项提议，不表示守则只需满足语言要求。

A stand-alone code of ethics should use plain language and communicate general fiduciary principles, while detailed compliance procedures implement those principles. “Only” distinguishes the listed proposals, not all possible requirements of a code.

其余选项为什么错 / Why the other choices fail

B：不建议把原则性守则埋入繁复的程序文件。C：其中“整合”不是本题所指建议做法。

B: The general code should remain distinct from detailed procedures. C: It includes the unsupported integration proposal.

记忆提示 / Recall: 守则讲原则，程序讲怎么做。

The code states principles; procedures explain how to implement them.

Q032 忠诚义务的边界与激励

PRACTICE | Limits of employer loyalty and incentives

原题来源 / Source: 题库 PDF p.154（本节 p.8）| 答案 PDF p.32 | IV(A)

英文原题 / Original question

According to the guidance for the Standards, which of the following statements are accurate?

Statement 1	Employees must place employer interests ahead of personal interests in all matters.
Statement 2	Statement Senior management of a member's firm should create financial compensation structures that do not2drive unethical behavior.

中文对照 / Chinese translation

根据准则指引，以下哪些陈述准确？
陈述 1：员工在所有事项上都必须把雇主利益置于个人利益之上。
陈述 2：会员所属公司的高级管理层应建立不会驱动不道德行为的薪酬结构。

A. Statement 1 only.

A. 仅陈述 1。

B. Statement 2 only.

B. 仅陈述 2。

C. Both Statement 1 and Statement 2.

C. 陈述 1 和陈述 2。

正确答案 / Correct answer: B | IV(A)

对雇主的忠诚主要涉及雇佣相关事项，不是雇主在所有私人事项上均优先。高级管理层应设计不鼓励不道德行为的薪酬和激励安排。

Loyalty to an employer concerns employment-related matters, not every aspect of an employee’s personal life. Senior management should design compensation and incentives that do not encourage unethical behavior.

其余选项为什么错 / Why the other choices fail

A：all matters 过于绝对。C：包含错误的陈述 1。

A: “In all matters” is too broad. C: It includes the incorrect first statement.

记忆提示 / Recall: 雇主忠诚不是对私人生活的无限优先权。

Employer loyalty does not grant unlimited priority over personal life.

原文提示 / Source note: 原件第二条内有多余 Statement，且 not2drive 中夹入数字2；不是仅文本提取错误。可在注释说明排版残留，勿误译为实质内容。 / The source itself contains an extra Statement and not2drive. These are source typography artifacts, not solely extraction errors.

B. notify their employer before engaging in an independent practice while still employed.

B. 仍受雇期间开展独立执业前，通知雇主。

C. never act against their employer's interests when complying with their duties to clients.

C. 履行对客户的义务时，绝不采取与雇主利益相反的行动。

正确答案 / Correct answer: B | IV(A)

计划在职提供独立有偿服务，应披露服务内容、期限及报酬，并在实际开展可能竞争的服务前取得雇主同意。选项 B 表述通知要求，但实践中不能把通知当成充分授权。

Members planning independent paid services should disclose the services, expected duration, and compensation, and obtain employer consent before providing competitive services. B states the notification obligation; notification alone is not sufficient authorization.

其余选项为什么错 / Why the other choices fail

A：雇主不在所有私人事项上优先。C：对客户的义务可能要求采取不符合雇主短期利益的行动。

A: Employer interests do not take priority in all personal matters. C: Client duties may require action contrary to an employer’s immediate interests.

记忆提示 / Recall: 通知说明安排；同意之后再提供竞争服务。

Notify the employer of the arrangement and obtain consent before competitive service.

B. is required to notify his employer about compensation from the third party immediately after receiving it.

B. 收到报酬后，必须立即通知雇主。

C. must obtain written consent from his employer and the third party offering fees to the member before accepting the compensation

C. 在接受报酬前，必须取得雇主及提供费用的第三方书面同意。

正确答案 / Correct answer: C | IV(B)

可能与雇主利益竞争或产生冲突的额外报酬，须在接受前取得所有相关方书面同意。利益可以是现金、实物或其他待遇，事后通知不符合要求。

Additional compensation that competes with or creates an employer conflict requires written consent from all involved parties before acceptance. Benefits include cash and noncash compensation; notice after receipt is insufficient.

其余选项为什么错 / Why the other choices fail

A：取得合适的事前书面同意后可能允许。B：事后通知太迟，且不等于同意。

A: Proper prior written consent can permit the arrangement. B: After-the-fact notice is too late and is not consent.

记忆提示 / Recall: 额外报酬：事前 + 书面 + 所有相关方。

Additional compensation: before acceptance, in writing, from all involved parties.

Q048 发现潜在违规后的调查义务

PRACTICE | Assessing suspected violations

中文对照 / Chinese translation

以下哪项最可能违反“主管责任”准则？会员：

A. accepts supervisory duties before ensuring the firm has adopted a codes of ethics.

A. 在确认公司已采纳道德守则之前，接受主管职责。

B. delegates supervisory duties to subordinates who have no prior compliance experience.

B. 将监督职责委托给没有既往合规经验的下属。

C. relies on a subordinate's statements without initiating an assessment about the extent of a potential violation of the Standards.

C. 面对潜在准则违规时，仅依赖下属陈述，而没有启动评估以确定违规范围。

正确答案 / Correct answer: C | IV(C)

知道或怀疑下属违规时，主管须及时启动评估，确定范围并采取必要控制，不能只接受“问题不严重”或“不会再犯”的保证。可委派监督工作，但不能放弃监督责任。

A supervisor who learns of possible wrongdoing must promptly assess its extent and take appropriate controls. Employee assurances alone are insufficient. Tasks may be delegated, but supervisory responsibility remains.

其余选项为什么错 / Why the other choices fail

A：缺少正式道德守则不等于完全无法监督；关键在合规系统是否充分。B：无既往经验不自动禁止委派，但须确保有效监督。

A: Lack of a formal ethics code is not necessarily an inadequate compliance system. B: No prior experience alone does not prohibit delegation, though supervision must remain effective.

记忆提示 / Recall: 发现疑点要评估，不能只听下属保证。

Investigate warning signs instead of relying only on assurances.

Q059 不冲突的兼职与离职筹备

PRACTICE | Nonconflicting outside work and preparations to leave

中文对照 / Chinese translation

Melinda Jacobs，CFA，是 SFM Asset Managers（SFM）的投资组合经理。Jacobs 周末在一所商学院教授投资课程并收取报酬。她计划离开 SFM，已开始为一家将与 SFM 竞争的新企业制作营销资料。Jacobs 最可能是否违反准则？

A. No

A. 没有。

B. Yes, by accepting a fee from the business school

B. 有，因为她收取商学院支付的报酬。

C. Yes, by developing marketing materials for her new business that will compete with SFM

C. 有，因为她为将与 SFM 竞争的新企业制作营销资料。

正确答案 / Correct answer: A | IV(A); IV(B)

题设未显示周末教学与雇主竞争或构成利益冲突。员工也可为离职后开展竞争业务作准备，只要尚未抢客户、侵占资源或实际损害雇主利益。单纯制作准备材料在本题中可接受。

The weekend teaching is not shown to compete with or create a conflict with the employer. Preparations for a future competing business are allowed if they do not breach loyalty, solicit clients prematurely, or misuse employer resources.

其余选项为什么错 / Why the other choices fail

B：不是所有有报酬的外部活动都属于需审批的竞争性利益安排。C：筹备新业务不同于仍在职时实际招揽雇主客户。

B: Not every paid outside activity creates a competing compensation arrangement. C: Preparing a business is different from soliciting the employer’s clients while still employed.

记忆提示 / Recall: 先问是否竞争或冲突，不能看到“兼职有收入”就判违规。

Ask whether the outside activity competes or conflicts; payment alone is not decisive.

Q062 主管义务与合规制度缺失

PRACTICE | Supervisory duties and inadequate procedures

原题来源 / Source: 题库 PDF p.163（本节 p.17）| 答案 PDF p.62 | IV(C)

英文原题 / Original question

According to the Standards, which of the following statements relating to a member in a supervisory position is accurate?

Statement 1	The member must make reasonable efforts to ensure that anyone subject to her supervision complies1with the Code and Standards.
Statement 2	The member must adopt the CFA Institute Code of Ethics to substitute for lack of compliance procedures until the firm adopts reasonable procedures to allow adequate exercise of supervisory responsibility.

中文对照 / Chinese translation

根据准则，下列关于担任主管的会员的陈述，哪一项准确？

陈述 1：该会员必须作出合理努力，确保受其监督的人遵守《职业道德守则与专业行为准则》。

陈述 2：在公司建立可让她适当履行监督责任的合理程序前，该会员必须采用 CFA Institute《职业道德守则》来替代缺失的合规程序。

A. Statement 1 only

A. 仅陈述 1。

B. Statement 2 only

B. 仅陈述 2。

C. Both Statement 1 and Statement 2

C. 陈述 1 和陈述 2。

正确答案 / Correct answer: A | IV(C)

主管必须作出合理努力，使受监督人员遵守适用法律及准则。一般道德守则不能替代有效的合规制度；若制度缺陷使合理监督无法实现，应书面拒绝承担该监督责任，直至制度得到合理完善。

Supervisors must make reasonable efforts to secure compliance. A general ethics code cannot replace operational compliance procedures. If inadequate procedures prevent effective supervision, the responsibility should be declined in writing until reasonable procedures are adopted.

其余选项为什么错 / Why the other choices fail

B：陈述 2 把一般守则当作有效合规体系的替代物。C：虽然陈述 1 正确，陈述 2 仍错误。

B: Statement 2 wrongly substitutes a general code for effective procedures. C: Only the first statement is correct.

记忆提示 / Recall: 监督责任是合理努力；纸面道德守则不能补足缺失的控制程序。

Supervision requires reasonable efforts supported by workable compliance procedures.

原文提示 / Source note: 原件第一条写 complies1with；数字1为排版残留，可注明。 / The first statement reads complies1with in the original; flag the stray numeral as a typography artifact.

Q101 合规制度不足时的监督责任

PRACTICE | Supervision without adequate compliance

Cecilia Foster，CFA，入职 Sisyphus Investments（SI）担任研究主管，负责监督一个小型分析师团队。她发现 SI 的合规制度未达到自己的期望，便向上司说明需要改善。上司表示，公司会在四个月后、下一财年开始时考虑改善合规制度。为遵守准则，Foster 最可能首先应该：

A. resign her new position.

A. 辞去新职位。

B. decline in writing to accept supervisory responsibility.

B. 以书面形式拒绝承担监督责任。

C. establish departmental procedures to ensure fellow Charterholders comply with applicable regulations.

C. 制定部门程序，确保其他 CFA 持证人遵守适用法规。

正确答案 / Correct answer: B | IV(C)

当制度缺失或不足使主管无法履行监督职责时，应书面拒绝承担该职责，直到公司建立合理程序。不能明知制度无效仍默默承担责任。

If an inadequate compliance system prevents effective supervision, decline supervisory responsibility in writing until reasonable procedures are adopted. Merely telling a supervisor and waiting does not resolve the problem.

其余选项为什么错 / Why the other choices fail

A：制度不足并不自动要求立即辞职。C：监督对象包括所有下属，不能只覆盖 CFA 持证人。

A: Immediate resignation is not automatically required. C: Supervisory procedures must cover all supervised staff, not only charterholders.

记忆提示 / Recall: 先书面拒绝无法履行的监督责任。

Decline an unworkable supervisory responsibility in writing.

Q118 额外报酬的来源与同意

PRACTICE | Sources of additional compensation

原题来源 / Source: 题库 PDF p.176（本节 p.30）| 答案 PDF p.118 | IV(B)

英文原题 / Original question

According to the Standards, members are required to obtain permission from their employer before accepting additional compensation from:

中文对照 / Chinese translation

根据准则，会员接受以下哪一方的额外报酬前，必须先获得雇主许可？

A. clients only.

A. 仅客户。

B. third parties only.

B. 仅第三方。

C. both clients and third parties.

C. 客户和第三方均包括。

正确答案 / Correct answer: C | IV(B)

为雇主提供的服务而取得，或可能与雇主利益冲突的额外报酬，不论来自客户或第三方，都需处理相关书面同意要求。

Additional compensation related to services for the employer, or reasonably expected to conflict with its interests, can come from clients or third parties. The relevant advance written-consent requirements apply to both.

其余选项为什么错 / Why the other choices fail

A：遗漏第三方利益。B：客户直接支付的额外报酬也可能造成冲突。

A: Third-party benefits also count. B: Direct client compensation may also create a conflict.

记忆提示 / Recall: 看利益冲突，不只看付款人是谁。

Assess the conflict, not merely who pays.

适用边界 / Qualification: IV(B) 针对与雇主利益竞争或可合理预期产生冲突的安排，并非禁止所有与投资工作无关的有偿活动；同意应来自所有相关方并采用书面形式。

IV(B) concerns competing or reasonably conflicting arrangements, not every unrelated paid activity. Consent must be written and obtained from all involved parties.

Q119 非现金利益也可能属于额外报酬

PRACTICE | Noncash benefits and additional compensation

原题来源 / Source: 题库 PDF p.176（本节 p.30）| 答案 PDF p.119 | IV(B); I(B)

英文原题 / Original question

Frank Taylor, CFA, manages a portfolio for a football club. The club's chairman is pleased with Taylor's work and offers him a front-row ticket to an upcoming, sold-out match. Taylor accepts the ticket without informing his employer. The chairman also provides Taylor with a performance-based cash incentive for which he receives permission from his employer to accept. Has Taylor most likely violated the Standards?

中文对照 / Chinese translation

Frank Taylor，CFA，为一家足球俱乐部管理组合。俱乐部主席满意其工作，送给他一张即将举行且已售罄比赛的前排门票。Taylor 未告知雇主就接受了。主席还给予他一项与业绩挂钩的现金奖励，他已获得雇主许可接受该奖励。Taylor 最可能违反哪项准则？

A. No.

A. 没有违反。

B. Yes, the Standard relating to loyalty, prudence, and care.

B. 违反忠诚、审慎与尽责准则。

C. Yes, the Standard relating to additional compensation arrangements.

C. 违反额外报酬安排准则。

正确答案 / Correct answer: C | IV(B); I(B)

原答案 C：门票也是具有价值的非现金利益。现金奖励已获许可，并不能替代对门票的披露及原解所要求的同意。

The supplied key is C: the ticket is a valuable noncash benefit. Permission for the separate cash incentive does not cover the undisclosed ticket or the consent required under the source’s interpretation.

其余选项为什么错 / Why the other choices fail

A：忽略未报告的门票利益。B：题目直接考察雇主与额外报酬安排，而非对客户的资产管理义务。

A: It overlooks the undisclosed ticket. B: The direct issue is additional compensation and employer interests.

记忆提示 / Recall: 现金和非现金都要检查；逐项看披露与许可。

Check both cash and noncash benefits, arrangement by arrangement.

适用边界 / Qualification: 保留原答案。现行指导区分客户对过去表现的酬谢礼物与未来奖励安排：前者通常强调向雇主披露；若达到 IV(B) 的冲突条件，则需事先书面同意。不要把所有客户小礼物都归为必须事先书面批准。

Retain the supplied key. Current guidance distinguishes gifts rewarding past performance from future compensation arrangements. Past gifts generally require employer disclosure; IV(B) applies where its conflict conditions are met.

Q126 离职后的许可、产权与招揽

PRACTICE | Permission, property, and solicitation after departure

原题来源 / Source: 题库 PDF p.178（本节 p.32）| 答案 PDF p.126 | IV(A); V(C)

英文原题 / Original question

Jan Loots, CFA, quit his job as a portfolio manager at an investment firm with which he had a non -solicitation agreement he signed several years ago. Loots received permission to take his investment performance history with him and also took a copy of the firm's software-trading platform. Access to Loots' social media sites is restricted to friends, family, and former clients. Loots least likely violated the CFA Institute Standards of Professional Conduct concerning his:

中文对照 / Chinese translation

Jan Loots，CFA，辞去投资公司的组合经理职位。他数年前签署过禁止招揽客户协议。他取得许可，可带走自己的投资业绩历史；同时也复制带走了公司的软件交易平台。之后他在社交媒体发布寻找新投资管理客户的信息，其社交媒体仅向朋友、家人及前客户开放。就以下哪项而言，他最不可能违反准则？

A. trading software.

A. 交易软件。

B. non-solicitation agreement

B. 禁止招揽客户协议。

C. investment performance history.

C. 投资业绩历史。

正确答案 / Correct answer: C | IV(A); V(C)

题目明确给予带走业绩历史的许可，因此 C 最不可能违规。软件属于雇主财产，未见许可；原解认定向可见的前客户招揽违反已签协议。

Permission is expressly given for the performance history, making C the least likely violation. No permission is stated for the employer’s software. The source interprets the social-media solicitation as breaching the existing agreement.

其余选项为什么错 / Why the other choices fail

A：复制雇主专有软件需许可。B：离职不自动解除有效的禁止招揽约定。

A: Taking proprietary employer software requires permission. B: Leaving does not automatically cancel a valid non-solicitation agreement.

记忆提示 / Recall: 离职可带走技能；资料和软件先看所有权与许可。

You retain skills; records and software require attention to ownership and permission.

适用边界 / Qualification: 原解析提及他“亲自编写软件”，题干未提供这一事实，本讲义不据此推断。

The source explanation says he created the software, but the stem does not state that fact; this guide does not rely on it.

Q132 道德守则与合规程序的区别

PRACTICE | Code of ethics versus compliance procedures

原题来源 / Source: 题库 PDF p.179（本节 p.33）| 答案 PDF p.132 | IV(C)

英文原题 / Original question

Recommended procedures for compliance with the Standard relating to responsibilities of supervisors include:

中文对照 / Chinese translation

遵守监督责任准则的建议程序包括：

A. encouraging employers to provide a copy of the firm's code of ethics to clients.

A. 鼓励雇主向客户提供公司的道德守则。

B. requiring firms to adopt the CFA Code of Ethics and Standards of Professional Conduct.

B. 要求公司采用 CFA 道德守则与专业行为准则。

C. consolidating a code of ethics and specific policies and procedures to ensure compliance.

C. 将道德守则与确保合规的具体政策程序合并。

正确答案 / Correct answer: A | IV(C)

向客户提供清晰的道德守则，有助于展示公司对客户利益与诚信的承诺。守则应强调原则，具体操作程序可另行详细说明。

Providing the firm’s code to clients communicates its commitment to ethical conduct. The code sets understandable principles; detailed operating procedures serve a different function.

其余选项为什么错 / Why the other choices fail

B：并非所有公司都必须正式采用 CFA 守则。C：原指导建议守则保持独立、易懂，避免与详尽程序混杂。

B: Formal adoption of the CFA Code is not universally mandatory. C: The recommended approach keeps the principles-based code distinct from detailed procedures.

记忆提示 / Recall: 守则讲价值与原则；程序讲如何落实。

The code states principles; procedures explain implementation.

17 道原题 / original questions | 核心规则 / Core rules

判断研究是否有依据、客户是否明白、证据能否追溯；不以事后涨跌倒推过程。

Assess whether the research was supported, clients were informed and evidence is retained, rather than judging the process solely by subsequent returns.

01 研究和建议须勤勉、独立、充分，并有合理依据。亏损或无法预知的新事件本身不证明违规；应按决策当时已知资料评估。

Use diligence, independence, thoroughness and a reasonable basis. A loss or an unforeseeable new event does not itself establish a violation; evaluate information known when the decision was made.

对应原题 / Source examples: Q22 / Q64 / Q68 / Q97

02 使用模型要理解假设、参数和局限，但不必亲自开发或掌握每项技术细节。外部经理须按标准化准则审查；可信同事的第三方尽调可合理依赖，出现疑点时不能盲信。

Understand a model’s assumptions, inputs and limitations without having to build it or master every technical detail. Apply standardized external-manager review criteria. Reliance on colleagues’ due diligence is permissible unless there is reason for doubt.

对应原题 / Source examples: Q50 / Q63 / Q69 / Q120

03 团队结论与自己意见不同，不自动要求移除名字；若共识仍有合理基础且独立客观，可以保留署名。关键是研究过程，不是每人结论必须一致。

Disagreement with a group conclusion does not automatically require removing your name if the consensus remains independent, objective and reasonably supported. The process matters, not unanimous personal views.

对应原题 / Source examples: Q22 / Q63 / Q137

04 区分事实与意见，披露重要已知风险与局限，及时说明重要流程变更。沟通可口头或书面；简短建议可配合告知客户如何取得支持分析。

Separate fact from opinion, disclose material known risks and limitations, and communicate significant process changes promptly. Communication may be oral or written; brief recommendations can point clients to supporting analysis.

对应原题 / Source examples: Q52 / Q64 / Q68 / Q73 / Q97

05 记录应支持买入、卖出以及“复核后不交易”的决定；纸本与电子都可以。雇佣期间形成的工作记录通常属于雇主，不能因自己撰写就据为己有。

Retain support for purchases, sales and reviews that result in no trade. Paper and electronic records are both acceptable. Records created for an employer belong to the firm, not automatically to their author.

对应原题 / Source examples: Q72 / Q146

06 遵守法律及公司保留期限；两者均无规定时，CFA Institute 建议至少七年。Q70 公司要求五年则按该政策；转职后重建资料应用公开或公司直接提供的信息，不能凭记忆补造。

Follow legal and firm retention requirements. With neither, CFA Institute recommends at least seven years. Q70 follows a five-year firm policy. Rebuild records using public or directly obtained company information, not memory.

对应原题 / Source examples: Q53 / Q70 / Q134 / Q143

易错提醒 / Common trap

七年是缺乏法规与公司政策时的建议；“有亏损就违规”和“报告写过就属于我”都不成立。

Seven years is the default recommendation when law and firm policy are absent. Neither a loss nor authorship alone determines a violation or ownership.

A. 本人开发或共同开发该模型。

B. become an expert in every technical aspect of the model developed by others.

B. 成为他人开发模型的每个技术细节的专家。

C. understand the assumptions and limitations inherent in the model developed by others.

C. 理解他人开发模型所固有的假设与局限。

正确答案 / Correct answer: C | V(A)

使用外部模型无需自行编写或掌握全部技术细节，但必须理解关键参数、假设、局限及结果如何用于投资决策，才能建立合理依据。

A member need not build a model or master every technical detail, but must understand its relevant parameters, assumptions, limitations, and use in investment decisions to establish a reasonable basis.

其余选项为什么错 / Why the other choices fail

A：不要求亲自开发。B：不要求精通全部技术细节，但不能盲信输出。

A: Personal development is not required. B: Complete technical mastery is unnecessary, but blind reliance is unacceptable.

记忆提示 / Recall: 模型可以外包，理解和判断不能外包。

You may outsource the model, but not understanding and judgment.

Q052 事实与意见的区分

Vasilis first shares the recommendation with all clients by email. He then calls each of his clients by phone to present the recommendation. Has Vasilis violated the Standards?

中文对照 / Chinese translation

Algiris Vasilis，CFA，经过全面分析后，对一家公司的股票提出“买入”建议。他在报告中写道：“该公司下个月的盈利将超过分析师预测。”Vasilis 先通过电子邮件向所有客户发送建议，然后逐一致电每位客户介绍该建议。Vasilis 是否违反准则？

A. No

A. 没有。

B. Yes, by calling each of his clients by phone to present the recommendation

B. 有，因为他逐一致电客户介绍该建议。

C. Yes, by writing in the report, "The company will beat analysts' earnings projections next month"

C. 有，因为他在报告中写道：“该公司下个月的盈利将超过分析师预测。”

正确答案 / Correct answer: C | V(B); III(B)

未来盈利超过预测属于判断，不是已确定事实。应明确其预测性质及不确定性。先向所有客户发送邮件，再逐一电话跟进，符合公平传播的要求。

A claim about future earnings is an opinion or forecast, not an established fact. It must be presented accordingly. Emailing all clients before individual follow-up calls provides fair dissemination.

其余选项为什么错 / Why the other choices fail

A：报告把预测当成确定事实，已经违规。B：公平对待不要求所有客户在完全同一秒接到电话，统一发布后可分别跟进。

A: The forecast is improperly presented as fact. B: Fair dealing does not require every client to receive a telephone call at the exact same instant; follow-up after general dissemination is allowed.

记忆提示 / Recall: 看到 will、一定、必然等措辞，检查是否把未来意见写成事实。

When a future outcome is stated as certain, check whether opinion has been presented as fact.

原文提示 / Source note: 公平对待的正确编号为 III(B)。The correct reference for Fair Dealing is III(B).

Q022 合理研究过程

PRACTICE | A diligent research process

原题来源 / Source: 题库 PDF p.152（本节 p.6）| 答案 PDF p.22 | V(A)

英文原题 / Original question

According to the Standard relating to diligence and reasonable basis, a member is required to:

中文对照 / Chinese translation

根据"勤勉与合理依据"准则，会员必须：

A. exercise diligence, independence, and thoroughness in analyzing investments.

A. 在分析投资时保持勤勉、独立与全面。

B. become an expert in the technical aspects of the models used for investment recommendations.

B. 成为投资建议所用模型全部技术细节的专家。

C. dissociate and remove her name from a company group report if the report does not reflect her opinion.

C. 当团队报告不反映本人观点时，与报告切割并删除自己的署名。

正确答案 / Correct answer: A | V(A)

投资分析必须勤勉、独立且全面。使用模型须理解假设与局限，但无需精通全部技术细节；团队结论不同于个人意见，也不自动要求撤名，只要形成结论的过程合理。

Investment analysis must be diligent, independent, and thorough. Model users need to understand assumptions and limitations, not every technical detail. Disagreement with a group conclusion does not require withdrawal when the process has a reasonable basis.

其余选项为什么错 / Why the other choices fail

B：技术专家要求过度。C：个人观点不同不等于报告缺乏合理依据。

B: Technical expertise in every detail is excessive. C: Disagreement alone does not demonstrate an unreasonable basis.

记忆提示 / Recall: 看研究过程和依据，不要求每个人都得出同一结论。

Assess the research process and basis, not unanimity of opinion.

Q053 研究记录不能仅凭记忆重建

中文对照 / Chinese translation

Melissa Kon，CFA，是一名股票分析师。她最近离开 Ham m Capital（HC），加入 Eagle Investments（EI）。Kon 获得 HC 的明确许可，将一份以往的研究报告带走。在 EI，她认真更新并发布该报告。随后，她为存档而凭记忆重新制作支持记录。Kon 是否违反准则？

A. No

A. 没有。

B. Yes, by publishing the updated research report.

B. 有，因为她发布了更新后的研究报告。

C. Yes, by re-creating supporting records from memory.

C. 有，因为她凭记忆重新制作支持记录。

正确答案 / Correct answer: C | V(C); IV(A)

前雇主明确许可解决了携带报告的所有权问题，但不能替代研究证据。重建支持材料应依靠可核实的公开资料或重新取得的信息；仅凭记忆补写记录不能满足记录保存要求。

Permission from the former employer addresses ownership of the report. It does not replace supporting evidence. Reconstructed records should use verifiable public information or newly obtained information, rather than memory alone.

其余选项为什么错 / Why the other choices fail

A：凭记忆补写支持记录违反 V(C)。B：题设已明确获得前雇主许可，更新和发布报告本身不是所指违规。

A: Memory-only reconstruction breaches V(C). B: The former employer expressly permitted use of the report; updating and publishing it is not the violation identified by the supplied answer.

记忆提示 / Recall: 获得带走报告的许可，不等于可以省略可靠的支持记录。

Permission to take a report does not remove the need for reliable supporting records.

Has the Standard relating to diligence and reasonable basis most likely been violated?

中文对照 / Chinese translation

Emma Berkstein，CFA，使用第三方数据编写公司研究报告。她没有亲自核验这些数据，而是依赖资深同事进行尽职调查。同公司的另一位分析师 Jimmy Brooks，CFA，与同事共同撰写行业报告。经全面研究，团队同意发布看好该行业的报告。Brooks 不同意这一结论，但仍保留其报告署名。有关勤勉与合理依据的准则最可能是否被违反？

A. No.

A. 没有。

B. Yes, by Brooks.

B. 有，Brooks 违反。

C. Yes, by Berkstein.

C. 有，Berkstein 违反。

正确答案 / Correct answer: A | V(A)

没有警讯时，可善意依赖同事对第三方研究的审查。个人不同意团队结论，也不必自动撤名；只要研究过程独立客观，团队观点有合理充分依据，就可保留署名。

Absent reasons for doubt, an analyst may rely in good faith on colleagues' due diligence. Disagreement with a team's conclusion does not require withdrawal if the process is independent and objective and the conclusion has a reasonable basis.

其余选项为什么错 / Why the other choices fail

B：观点不同不等于研究过程不可靠。C：标准不要求每位成员重复完成同一尽调，但发现可疑迹象时须进一步核查。

B: Disagreement does not by itself make the research unsound. C: Each analyst need not duplicate the same due diligence, though warning signs require further investigation.

记忆提示 / Recall: 区分"不同意结论"与"认为研究基础有缺陷"。

Distinguish disagreeing with a conclusion from doubting its analytical basis.

Q064 摘要建议与事前风险判断

Has Watt most likely violated the Standards?

中文对照 / Chinese translation

Tania Watt，CFA，向客户提出数只债券的“买入”建议，没有附上更多细节。她通知客户，可依要求提供补充资料。一周后，由于利率意外上升，所有获推荐债券的价格均下跌，客户因此蒙受重大损失。Watt 最可能是否违反准则？

A. No

A. 没有。

B. Yes, by issuing recommendations which result in large losses for her clients

B. 有，因为她提出的建议导致客户重大亏损。

C. Yes, by issuing "buy" recommendations for several bonds to her clients without providing further details.

C. 有，因为她提出数只债券的“买入”建议时没有提供更多细节。

正确答案 / Correct answer: A | V(B); V(A)

简要建议可以通过“详细分析可索取”的方式提供支持。合规按建议时已知的信息及合理研究判断，不根据事后亏损倒推；题设没有给出已知重大风险被隐瞒的证据。

Abbreviated recommendations may state that further analysis is available. Compliance is assessed using information and reasonable analysis available at the time, rather than inferred solely from a subsequent loss.

其余选项为什么错 / Why the other choices fail

B：投资亏损不自动证明违规。C：摘要建议并非必然不充分，本题已通知客户可以索取详细资料。

B: A loss does not automatically establish a breach. C: The abbreviated format is not itself improper when further information is available and clients are informed.

记忆提示 / Recall: 用事前可得信息判断过程，不用事后结果代替证据。

Assess the process using information available beforehand, not the loss alone.

适用边界 / Qualification: 答案 A 不表示一般利率风险无需考虑；若存在已知重大风险而未披露，仍可能违反 V(B)。

Answer A does not remove the need to consider ordinary interest-rate risk. Failure to disclose a known significant risk could still violate V(B).

Q068 突发损失与研究合规

PRACTICE | Unexpected losses and sound research

As a result, all the companies Matthew covers experience significant losses. Has Matthew most likely violated the Standards[7]

Hugh Matthew，CFA，负责研究某行业内的几家公司。对各公司作全面分析后，他均提出"买入"建议，并在每份报告中披露所用假设、方法及风险因素。两周后，一项意外事件对该行业造成负面影响，他研究的所有公司均遭受显著损失。Matthew 最可能是否违反准则？

A. No

A. 没有。

B. Yes, the Standard relating to diligence and reasonable basis

B. 有，违反勤勉与合理依据准则。

C. Yes, the Standard relating to communication with clients and prospective clients

C. 有，违反与客户及潜在客户沟通的准则。

正确答案 / Correct answer: A | V(A); V(B)

题设已说明他全面研究并披露相关假设和风险。意外事件导致亏损，并不能单独证明研究缺乏合理依据或披露不足；判断应基于当时可得信息。

The facts specify thorough analysis and disclosure of assumptions, methodology, and risks. Losses from an unexpected later event alone do not establish inadequate research or communication.

其余选项为什么错 / Why the other choices fail

B：没有证据表明研究不勤勉。C：不能要求预先披露未知的事件；已知重大风险仍须披露。

B: No lack of diligence is established. C: Unknown later events cannot be disclosed in advance, though known significant risks must be communicated.

记忆提示 / Recall: 职业道德评估的是可证明的过程和行为，收益结果只是背景。

Ethics assesses evidenced conduct and process; performance alone is insufficient.

Q069 研究审核、模型测试及外部顾问

PRACTICE | Research review, model testing, and external advisers

原题来源 / Source: 题库 PDF p.164（本节 p.18）| 答案 PDF p.69 | V(A)

According to the recommended procedures for compliance with the Standard relating to diligence and reasonable basis, members should encourage their firms to:

中文对照 / Chinese translation

根据有关勤勉与合理依据准则的建议合规程序，会员应鼓励公司：

A. evaluate the adequacy of external advisors by customizing the evaluation criteria for each advisor.

A. 为每位外部顾问定制不同评估标准，以判断其是否适任。

B. establish maximum levels of scenario testing of all computer-based models used in evaluating financial instruments.

B. 为所有用于评估金融工具的计算机模型设定情景测试的最高水平。

C. appoint a supervisory analyst to determine whether research reports have a reasonable and adequate basis prior to external circulation.

C. 委任一名监督分析师，在研究报告对外发布前判断报告是否具有合理充分的依据。

正确答案 / Correct answer: C | V(A)

在报告对外发布前，由监督分析师或委员会审核是否具有合理充分依据，是建议的合规控制。外部顾问评估应采用一致、可比较的标准；模型测试应设置最低充分程度，而非最高上限。

Pre-publication review by a supervisory analyst or committee supports a reasonable basis. Adviser evaluations should use consistent, comparable criteria, and model testing should have minimum adequate standards rather than maximum limits.

其余选项为什么错 / Why the other choices fail

A：逐人随意定制标准会失去评估一致性。B：将 minimum 改成 maximum，限制测试程度。

A: Individually changing criteria undermines consistent evaluation. B: Maximum testing levels reverse the recommendation to establish minimum testing standards.

记忆提示 / Recall: 建议程序题特别检查 minimum/maximum、consistent/customized 等替换。

Watch for reversals such as minimum versus maximum and consistent versus customized.

Q070 记录保存期限的适用层次

PRACTICE | Applicable record-retention period

原题来源 / Source: 题库 PDF p.165（本节 p.19）| 答案 PDF p.70 | V(C)

英文原题 / Original question

A member works for an investment firm. There are no applicable laws relating to record retention. The firm's policy requires staff to retain records for five years. A local investment association recommends retaining records for eight years. At a recent client briefing, some of the firm's largest clients expressed a preference for the firm to retain records for at least ten years. To be consistent with the Standards, records should be retained for:

中文对照 / Chinese translation

一名会员在投资公司工作。没有适用的记录保存法律。公司政策要求员工保存记录五年；当地投资协会建议保存八年；最近一次客户说明会上，公司部分最大客户表示希望至少保存十年。为符合准则，记录应保存多久？

A. 5 years.

A. 5 年。

B. 8 years.

B. 8 年。

C. 10 years.

C. 10 年。

正确答案 / Correct answer: A | V(C)

遵守适用监管要求和公司政策可满足 V(C)。本题没有适用法律，但公司明确规定五年，因此答案为五年。协会建议和客户偏好没有自动变成强制义务。

Meeting applicable regulatory and firm requirements satisfies V(C). With no applicable law but an explicit five-year firm policy, five years is the required answer. Industry recommendations and client preferences do not automatically become obligations.

其余选项为什么错 / Why the other choices fail

B：协会的八年只是建议。C：客户表示偏好十年不等于合同或强制规定。

B: The association’s eight years is a recommendation. C: A stated client preference is not a contractual or mandatory rule in this question.

记忆提示 / Recall: 不要机械选最长年限；先区分法律、公司政策、建议和偏好。

Do not automatically choose the longest period; distinguish rules from recommendations and preferences.

适用边界 / Qualification: CFA Institute 的至少七年为缺乏监管指引或公司政策时的建议，本题已有公司政策。

The CFA Institute seven-year recommendation applies in the absence of regulatory guidance or firm policy; a firm policy exists here.

Q072 不交易的决定也须留痕

PRACTICE | Records supporting decisions not to trade

英文原题 / Original question

A member keeps all records supporting his decisions to buy or sell securities, but discards the records not leading to changes in positions. The member keeps some records in hard copy but others in electronic form. The member has most likely violated the Standard relating to record retention:

中文对照 / Chinese translation

一名会员保存了支持所有买入或卖出证券决定的记录，但丢弃了未导致持仓变化的研究记录。他把部分记录保存为纸本，其他记录以电子形式保存。该会员最可能因何违反记录保存准则？

A. only by discarding the records not leading to changes in positions.

A. 仅因丢弃未导致持仓变化的记录。

B. only by keeping some records in hard copy but others in electronic form.

B. 仅因同时采用纸本和电子形式保存记录。

C. both by discarding the records not leading to changes in positions and by keeping some records in hard copy but others in electronic form.

C. 既因丢弃未导致持仓变化的记录，也因同时采用纸本和电子形式保存记录。

正确答案 / Correct answer: A | V(C)

维持原有持仓也是投资判断，相关复核材料同样应保留。记录可以采用纸本、电子或两者结合，关键是内容适当、完整且可保存调取。

Reviews resulting in no portfolio change still support investment decisions and must be retained. Paper, electronic, or mixed formats are acceptable if appropriate records are maintained.

其余选项为什么错 / Why the other choices fail

B：混合保存格式本身不违规。C：只有丢弃支持持仓不变决定的记录这一行为违规。

B: Mixed formats are not prohibited. C: Only discarding relevant no-change reviews is a breach.

记忆提示 / Recall: Hold 也是决策；记录义务不只覆盖 Buy 和 Sell。

Hold is also a decision; record retention is not limited to buys and sells.

Q073 重大投资流程变更的沟通方式

PRACTICE | Communicating material investment-process changes

原题来源 / Source: 题库 PDF p.165（本节 p.19）| 答案 PDF p.73 | V(B)

英文原题 / Original question

Mary Lorraine, CFA, is a portfolio manager. She adds new factors to her stock selection process which affects all existing clients. She omits providing her clients with a written update regarding this change. Instead, Lorraine explains the change to her clients over the phone. Has Lorraine violated the Standards?

中文对照 / Chinese translation

Mary Lorraine，CFA，是一名投资组合经理。她在选股流程中加入新因素，对所有现有客户均有影响。她没有向客户发送书面更新，而是通过电话向客户解释这项变化。Lorraine 是否违反准则？

A. No

A. 没有。

B. Yes, because she adds new factors to her stock selection process which affects all existing clients

B. 有，因为她加入了影响所有现有客户的新选股因素。

C. Yes, because she fails to provide her clients with a written update about adding new factors to her stock selection Process

C. 有，因为她没有就加入新选股因素向客户提供书面更新。

正确答案 / Correct answer: A | V(B)

投资流程可以调整，但重大变化必须及时告知客户。准则并不把沟通限定为书面报告；本题通过电话解释变化，因此按所给事实不违规。

Investment processes may change, provided material changes are promptly communicated. V(B) permits oral communication, including telephone calls; written reports are not the only valid medium.

其余选项为什么错 / Why the other choices fail

B：准则没有禁止改进或改变流程。C：电话沟通可以符合准则，不存在普遍的书面形式硬性要求。

B: Changing the process is not prohibited. C: Telephone communication can comply; there is no universal written-only requirement.

记忆提示 / Recall: 必须告知，不等于一律必须书面告知；另有法律或公司要求时照办。

Required communication is not universally written-only; applicable law or firm rules may impose more.

Q097 风险披露的事前标准

PRACTICE | Ex ante evaluation of risk disclosure

原题来源 / Source: 题库 PDF p.171（本节 p.25）| 答案 PDF p.97 | V(A); V(B)

英文原题 / Original question

Stella Murphy, CFA, a portfolio manager, meets with a client who is concerned about a security recently added to the portfolio. Murphy reviews with the client the decision for buying the security and the risks associated with the company and stock. The following week, the company announces it is buying a company in a non-related industry and the stock falls sharply. The client accuses Murphy of not disclosing all the risks associated with holding the security. Murphy explains the company's acquisition was unexpected and not factored into the forecast. Has Murphy most likely violated the Standards?

中文对照 / Chinese translation

Stella Murphy，CFA，是一名投资组合经理。她与一位客户会面，该客户担忧近期加入组合的一只证券。Murphy 与客户复核了买入理由，以及相关公司和股票的风险。下一周，该公司宣布将收购一家不相关行业的公司，股价大跌。客户指责 Murphy 没有披露持有该证券的所有风险。Murphy 解释说，这项收购出乎预料，未被纳入预测。Murphy 最可能是否违反准则？

A. No

A. 没有。

B. Yes, the Standard relating to communication with clients

B. 有，违反与客户沟通的准则。

C. Yes, the Standard relating to diligence and reasonable basis

C. 有，违反勤勉与合理依据准则。

正确答案 / Correct answer: A | V(A); V(B)

应按采取投资行动时已知的重大风险判断披露是否适当。Murphy 已说明投资理由和风险；题设没有证据说明她应已知该意外收购，单次事后亏损不能证明沟通或尽调违规。

Risk disclosure is judged using significant risks known when the action was taken. Murphy reviewed the investment rationale and risks. An unexpected acquisition and subsequent loss alone do not establish deficient disclosure or diligence.

其余选项为什么错 / Why the other choices fail

B：不能要求预先准确披露未知突发事件。C：亏损并不证明研究没有合理依据，题设没有给出尽调不足的事实。

B: Unknown future events cannot be disclosed with certainty in advance. C: A loss alone does not demonstrate an unreasonable research basis.

记忆提示 / Recall: Ex ante = 事前可得信息；别把 hindsight 当违规证据。

Ex ante means using information available beforehand; avoid hindsight bias.

适用边界 / Qualification: 若所谓"未知"是因为没有进行应有的合理调查，仍可能违反 V(A)；本题未提供这种证据。

Ignorance resulting from inadequate reasonable investigation could still violate V(A); that deficiency is not established here.

Q120 选择外部经理的尽职调查

PRACTICE | Due diligence on external managers

原题来源 / Source: 题库 PDF p.177（本节 p.31）| 答案 PDF p.120 | V(A)

英文原题 / Original question

Applying standardized criteria for the selection of external managers is a requirement of the Standard relating to:

中文对照 / Chinese translation

采用标准化准则来选择外部经理，是以下哪项准则的要求？

A. suitability

A. 适当性。

B. independence and objectivity.

B. 独立性与客观性。

C. diligence and reasonable basis.

C. 勤勉与合理依据。

正确答案 / Correct answer: C | V(A)

外包管理不等于外包责任。选择外部经理时，应有一致的评估标准，检查投资流程、合规、内部控制与业绩资料质量，以建立合理依据。

Using an external manager does not remove due-diligence responsibilities. Standardized evaluation of the manager's process, controls, compliance, and performance information supports a reasonable basis for selection.

其余选项为什么错 / Why the other choices fail

A：适当性主要判断投资与客户需要的匹配。B：独立性相关，但此项具体审查程序归于 V(A)。

A: Suitability focuses on fit with the client. B: Independence matters, but the specified selection procedure belongs to V(A).

记忆提示 / Recall: 第三方研究与外部经理都要先尽调。

Due diligence also applies to third-party research and managers.

Q134 离职后重新建立研究记录

PRACTICE | Recreating research records after leaving

原题来源 / Source: 题库 PDF p.180（本节 p.34） | 答案 PDF p.134 | V(C); IV(A)

英文原题 / Original question

A member leaves her employer to start at a new firm. According to the Standards, at her new firm, the member is permitted to recreate supporting records of her work at her previous employer from:

中文对照 / Chinese translation

一名会员离开原雇主，加入新公司。根据准则，她可以在新公司利用以下哪种来源，重新建立在前雇主处工作的支持记录？

A. memory.

A. 记忆。

B. sources obtained at the previous employer.

B. 在前雇主处取得的资料来源。

C. information provided directly by the covered company.

C. 被研究公司直接提供的信息。

正确答案 / Correct answer: C | V(C); IV(A)

研究记录属于原雇主，不能未经许可带走，亦不能只凭记忆重建证据。可重新从公开来源或被研究公司取得资料，建立新的支持记录。

The old supporting records belong to the former employer. Without permission, do not take them or reconstruct evidentiary records from memory. Obtain fresh support from public sources or directly from the covered company.

其余选项为什么错 / Why the other choices fail

A：记忆不能代替可核验的支持资料。B：前雇主处取得的研究资料不能被自动移作新雇主记录。

A: Memory is not a substitute for verifiable supporting evidence. B: Materials obtained through the former employer are not automatically portable.

记忆提示 / Recall: 技能经验能带走；研究证据重新合法取得。

Retain your skills; reacquire research evidence lawfully.

Q137 集体研究结论与署名

PRACTICE | Group research conclusions and attribution

英文原题 / Original question

Sue Yong, CFA, is an analyst at a large investment firm. After thorough research, she issues a "buy" rating on a company and submits her report to her firm's investment committee for review. The committee disagrees with Yong' s assumptions in the report. As a result, the report is changed to a "neutral" rating. The final report is issued and Yong agrees to leave her name on the report. Has Yong violated the Standards?

中文对照 / Chinese translation

Sue Yong，CFA，在大型投资公司担任分析师。深入研究后，她对一家公司给出“买入”评级，并将报告提交投资委员会审核。委员会不同意她的假设，把最终报告评级改为“中性”。报告发布时，Yong 同意保留自己的名字。她是否违反准则？

A. No.

A. 没有。

B. Yes, the Standard relating to loyalty, prudence, and care.

B. 有，违反忠诚、审慎与尽责准则。

C. Yes, the Standard relating to diligence and reasonable basis.

C. 有，违反勤勉与合理依据准则。

正确答案 / Correct answer: A | V(A)

同一事实可支持不同合理判断。若团队流程及最终结论具有合理充分依据，即使她不同意全部内容，也不必自动撤名或与报告脱离。

Reasonable analysts can disagree. If the group process and final conclusion have an adequate basis, disagreement alone does not require removing her name or dissociating from the report.

其余选项为什么错 / Why the other choices fail

B：题目没有显示牺牲客户利益。C：分歧本身不表示研究缺乏依据；题目并未指出委员会依据不合理。

B: No sacrifice of client interests is shown. C: Disagreement alone does not establish a deficient research basis.

记忆提示 / Recall: 关键是最终依据是否合理，不是所有人是否同意。

Test the adequacy of the final basis, not unanimity.

适用边界 / Qualification: A 不代表可以为明知缺乏依据或受不当压力改变的报告署名；合理研究流程是前提。

A does not permit endorsing a report known to lack a reasonable basis or to reflect improper pressure.

Q143 七年是缺省建议

中文对照 / Chinese translation

在没有监管指引或公司政策的情况下，CFA 协会建议至少保留记录：

A. three years

A. 三年。

B. five years.

B. 五年。

C. seven years

C. 七年。

正确答案 / Correct answer: C | V(C)

题干明确"没有监管或公司政策"，才适用至少七年的建议。保留记录应先满足适用法律和公司政策；不能把七年背成任何情况下都强制。

The seven-year recommendation applies when regulatory guidance and firm policy are absent. First comply with applicable legal and firm requirements; seven years is not an unconditional minimum imposed in every case.

其余选项为什么错 / Why the other choices fail

A、B：均短于题设缺省建议。与 Q70 对比，公司已有五年政策时不能机械套用七年。

A and B: Both fall below the stated fallback recommendation. Compare Q70, which supplies a firm policy.

记忆提示 / Recall: 先法律与政策；两者缺位，记七年。

Law and policy first; absent both, remember seven years.

Q146 研究记录的所有权

PRACTICE | Ownership of research records

原题来源 / Source: 题库 PDF p.182（本节 p.36）| 答案 PDF p.146 | V(C)

中文对照 / Chinese translation

一名受雇于投资公司的会员应客户要求开展研究。该研究记录属于：

A. client.

A. 客户。

B. member

B. 会员。

C. investment firm.

C. 投资公司。

正确答案 / Correct answer: C | V(C)

会员代表雇主履行职业职责时产生的研究记录，属于公司。客户提出要求、会员亲自完成，都不自动改变雇佣关系下的记录所有权。

Records produced as part of professional activity on behalf of the employer belong to the firm. The client's request and the employee's authorship do not automatically transfer ownership.

其余选项为什么错 / Why the other choices fail

A：提出研究要求不意味着拥有雇主的记录。B：亲手撰写不意味着可自行带走。

A: Requesting the research does not confer ownership of employer records. B: Authorship does not create an unrestricted right to take them.

记忆提示 / Recall: 谁写的，不等于谁拥有。

Authorship is not the same as ownership.

12 VI 利益冲突、个人交易与转介

VI Conflicts, Personal Trading and Referrals

15 道原题 / original questions | 核心规则 / Core rules

把利益关系讲清楚，并让客户交易优先；披露不替代其他标准要求。

Make interests clear and give client transactions priority. Disclosure does not replace compliance with other Standards.

01 披露足以影响客观性或职责的利益关系，使客户、潜在客户和雇主能判断冲突，包括销售奖励、费用返还等。不能把存在冲突都等同于禁止，也不能认为披露后任何行为都可以。

Disclose interests that could impair objectivity or duties so clients, prospects and employers can assess conflicts, including incentives and fee rebates. A conflict is not always a prohibition, but disclosure does not permit every action.

对应原题 / Source examples: Q35 / Q121 / Q140

02 实益拥有不只看账户姓名；经济利益、投票权或处置权都可能相关。研究覆盖证券的重大实益利益与亲属自己独立拥有、本人无实益利益的持股，要区别分析。

Beneficial ownership is not determined solely by the account name; economic interests, voting power or disposal authority can matter. Distinguish a material beneficial interest from a relative's independent holding in which the analyst has none.

对应原题 / Source examples: Q75 / Q92

03 客户与雇主交易应先于经理个人利益交易。轮流让自己的账户先成交，不会因为长期"机会均等"而合规；也不能用客户同意免除优先义务。

Client and employer trades take priority over the professional's personal transactions. Rotating a personal account into first position is not cured by equal chances over time or by client approval.

对应原题 / Source examples: Q102

04 收费家属客户账户应按普通客户公平对待，不能因亲属关系受优待或被排后。本人有实益利益时还须考虑公司的事前批准与报告要求，不能把客户身份直接抹去。

Treat fee-paying family client accounts fairly as client accounts, without favoring or disadvantaging them because of the relationship. Beneficial ownership may add firm preclearance and reporting duties; it does not erase the client relationship.

对应原题 / Source examples: Q16 / Q109 / Q110 / Q141

05 个人交易控制包括事前批准、限制期及向雇主提供交易副本；限制期约束个人抢先交易，不是禁止为客户交易。遵守公司批准的当日、数量等条件。

Personal-trading controls include preclearance, blackout periods and duplicate confirmations to the employer. Blackouts target personal front-running, not client trading. Follow the firm's conditions, including approval duration and quantity.

对应原题 / Source examples: Q15 / Q71 / Q100 / Q128 / Q141

06 转介利益包括现金、实物和相互介绍客户。签订服务协议前应说明性质及估计金额，并向雇主、客户和潜在客户披露；"没有现金往来"不等于无须披露。

Referral benefits include cash, in-kind benefits and reciprocal introductions. Before a service agreement, disclose the nature and estimated value to relevant clients or prospects, and inform the employer. No cash payment does not mean no disclosure.

对应原题 / Source examples: Q26 / Q55 / Q56 / Q103 / Q144

易错提醒 / Common trap

家属收费客户与个人账户不能一概等同；告知转介安排时，遗漏估计金额仍可能不合格。

Wang Dazong, CFA, is a sole proprietor investment advisor. Dazong believes in putting his money at risk along with his clients and trades the same securities as his clients. In order to ensure fair treatment of all accounts, he rotates trade allocations so that each account has an equal likelihood of receiving a fill on their orders. This allocation procedure also applies to Dazong's own account. According to the CFA Institute Code of Ethics and Standards of Professional Conduct, the allocation procedure used by Dazong:

Wang Dazong，CFA，是独资经营的投资顾问。他相信应让自己的资金与客户一同承担风险，因此交易与客户相同的证券。为确保所有账户获得公平待遇，他轮流分配交易，使每个账户的订单都有同等机会成交；他自己的账户也适用这一分配程序。根据 CFA 协会道德守则与专业行为准则，这一分配程序：

A. complies with the Standards.

A. 符合准则。

B. requires revision to ensure client trades take precedence.

B. 需要修订，以确保客户交易优先。

C. should be disclosed and written approval received from clients.

C. 应予披露，并取得客户的书面批准。

正确答案 / Correct answer: B | VI(B)

把个人账户与客户账户轮流排队，意味着有时个人订单会领先客户，违反交易优先原则。与客户投资相同证券本身可以，但不得挤占客户机会。

A rotating allocation sometimes puts Dazong ahead of clients. Client transactions must take priority over his personal transactions. Co-investing is permissible only when it does not disadvantage clients.

其余选项为什么错 / Why the other choices fail

A：机会均等不等于符合客户优先。C：披露或客户同意不能取代交易优先要求。

A: Equal chances do not satisfy client priority. C: Disclosure or permission does not cure the improper priority.

记忆提示 / Recall: 普通客户之间讲公平；个人账户先让客户。

Fairness among clients; client priority over the manager.

C. 不符合“勤勉与合理依据”准则。

正确答案 / Correct answer: B | VI(B)

兄弟的付费客户账户应与其他客户账户公平处理，不能因亲属关系被排到最后。Mak 的实益所有权可能触发预先审批或申报，但不取消其作为付费客户的公平待遇；亏损本身不证明研究失当。

A fee-paying family client account should receive the same treatment as other client accounts, without being disadvantaged. Beneficial ownership may trigger preclearance or reporting but does not remove that client status. A subsequent loss does not itself show inadequate diligence.

其余选项为什么错 / Why the other choices fail

A：故意让该付费亲属账户排在所有其他客户之后，不符合公平待遇。C：题目已说明研究全面，不能以亏损倒推研究违规。

A: Disadvantaging this fee-paying family account is inconsistent with fair treatment. C: Comprehensive research is stated; losses alone do not prove a diligence violation.

记忆提示 / Recall: 付费亲属客户要公平；不要自动当作经理自己的账户。

Treat a fee-paying family client fairly; do not automatically equate it with the manager’s own account.

Q015 买方个人交易政策披露

PRACTICE | Buy-side personal trading disclosures

原题来源 / Source: 题库 PDF p.150（本节 p.4） | 答案 PDF p.15 | VI(A); VI(B)

中文对照 / Chinese translation

根据“利益冲突披露”准则，买方会员应向客户披露以下哪项？

A. beneficial ownership in any security.

A. 本人在任何证券中的实益所有权。

B. firm's procedures for reporting requirements for personal transactions.

B. 所属公司关于个人交易申报要求的程序。

C. firm's policies on blackout periods during which the member cannot trade for clients.

C. 所属公司禁止会员为客户交易的禁售期政策。

正确答案 / Correct answer: B | VI(A); VI(B)

买方应向客户披露个人交易申报程序，帮助客户理解利益冲突控制。题目不是要求逐项公开持有的任何证券；禁售期主要用于限制相关员工个人交易及防止抢先交易。

Buy-side members should disclose personal-transaction reporting procedures so clients can assess conflict controls. The rule is not a blanket disclosure of every security holding; blackout periods primarily restrict personal trading to prevent front-running.

其余选项为什么错 / Why the other choices fail

A：“任何证券”过于绝对；与投资建议相关的重大利益冲突仍须披露。C：错误地说禁售期禁止为客户交易。

A: “Any security” is overly broad; material conflicts relevant to advice still require disclosure. C: It incorrectly characterizes blackouts as restrictions on client trading.

记忆提示 / Recall: 禁售期主要管个人交易，客户交易优先。

Blackouts primarily constrain personal trades; client trades take priority.

Q055 非现金及双向转介利益

PRACTICE | Reciprocal and noncash referral benefits

原题来源 / Source: 题库 PDF p.160（本节 p.14）| 答案 PDF p.55 | VI(C)

英文原题 / Original question

Hannah Hostettler, CFA, is a portfolio manager at a wealth management firm. Hostettler has an arrangement with a lawyer, whereby she refers clients who need legal advice to the lawyer, who in turn refers clients to Hostettler. Because no referral fees are involved, Hostettler does not disclose this arrangement to her existing or prospective clients. Has Hostettler most likely violated the Standards?

中文对照 / Chinese translation

Hannah Hostettler，CFA，是一家财富管理公司的投资组合经理。她与一位律师有如下安排：她把需要法律建议的客户介绍给律师，律师则把客户介绍给她。因为双方没有支付转介费，Hostettler 没有向现有或潜在客户披露此安排。Hostettler 最可能是否违反准则？

A. No.

A. 没有。

B. Yes, only by failing to disclose the arrangement to existing clients.

B. 有，仅因未向现有客户披露该安排。

C. Yes, both by failing to disclose the arrangement to existing clients and to prospective clients.

C. 有，因既未向现有客户，也未向潜在客户披露该安排。

正确答案 / Correct answer: C | VI(C)

相互介绍业务本身就是可带来经济价值的利益安排。VI(C) 不只涵盖现金转介费，也涵盖实物及其他对价；应向有关现有客户和潜在客户披露。

Reciprocal referrals provide a benefit even without cash payments. VI(C) covers noncash consideration as well as cash, so the arrangement must be disclosed to the relevant existing and prospective clients.

其余选项为什么错 / Why the other choices fail

A：没有现金不代表没有需披露的利益。B：披露对象不止现有客户，还包括相关潜在客户。

A: No cash payment does not mean there is no disclosable benefit. B: Relevant prospective clients, as well as existing clients, need disclosure.

记忆提示 / Recall: Referral fee 的考点比"现金手续费"更广，互相介绍客户也算。

Referral arrangements include reciprocal business benefits, not just cash fees.

Q056 转介费披露的内容与时间

PRACTICE | Referral fee disclosure: content and timing

原题来源 / Source: 题库 PDF p.161（本节 p.15）| 答案 PDF p.56 | VI(C)

英文原题 / Original question

Thomas Huang, CFA, is an investment advisor for Newline Partners (NP). NP has an agreement with brokerage firm Ridge Capital (RC). Huang refers clients to RC in exchange for compensation. RC pays a cash fee to NP for referrals. Before entering into formal agreements for services, Huang makes the following disclosure to NP' s clients: "Please note that Newline Partners receives an annual cash percentage fee from Ridge Capital for the referral of clients." Huang omits disclosure of the estimated dollar value of the referrals. Has Huang violated the Standards?

中文对照 / Chinese translation

Thomas Huang，CFA，是 Newline Partners（NP）的投资顾问。NP 与经纪公司 Ridge Capital（RC）订有协议：Huang 向 RC 介绍客户，以换取报酬；RC 向 NP 支付现金转介费。在正式订立服务协议前，Huang 向 NP 的客户披露：“请注意，Newline Partners 每年从 Ridge Capital 收取按百分比计算的客户转介现金费用。”Huang 没有披露转介费的估计金额。Huang 是否违反准则？

A. No.

A. 没有。

B. Yes, by accepting a cash fee for referral of clients.

B. 有，因为他收取介绍客户的现金费用。

C. Yes, by not disclosing the estimated dollar value of the fee.

C. 有，因为他没有披露该费用的估计金额。

正确答案 / Correct answer: C | VI(C)

转介费并非一律禁止，但在正式服务协议订立前，需要披露利益的性质和估计金额。只说明“每年按百分比收费”，没有提供估计金额，披露不完整。

Referral fees are permitted with appropriate disclosure before the formal service agreement. The disclosure must describe the benefit and its estimated monetary value. Stating only that an annual percentage fee is paid is insufficient here.

其余选项为什么错 / Why the other choices fail

A：遗漏估计金额使披露不完整。B：收取现金转介费本身并不违规，问题在披露不足。

A: Omitting the estimated value makes the disclosure incomplete. B: Receiving a cash referral fee is not itself prohibited; inadequate disclosure is the issue.

记忆提示 / Recall: VI(C)：利益性质 + 估计金额 + 正式协议前。

VI(C): nature of the benefit, estimated value, and disclosure before the formal agreement.

适用边界 / Qualification: 勿与 V(B) 的一般服务费用披露混淆：V(B) 不要求所有收费预先写成确定金额；本题专门考 VI(C) 的转介利益估计金额。

Do not confuse VI(C) with general service-cost disclosures under V(B), which do not require every future fee to be stated as an exact monetary amount.

Q071 个人 IPO 交易的事前审批

PRACTICE | Preclearance for personal IPO participation

原题来源 / Source: 题库 PDF p.165（本节 p.19）| 答案 PDF p.71 | VI(B)

英文原题 / Original question

中文对照 / Chinese translation

根据交易优先次序准则的建议合规程序，会员应：

A. discourage clients from trading during blackout periods.

A. 劝阻客户在禁止交易期间进行交易。

B. supply copies of their personal securities transactions to clients upon request.

B. 应客户要求，向客户提供其个人证券交易记录副本。

C. preclear their participation in IPOs even if there is no conflict of interest between their participation in an IPO and the client's interests.

C. 即使个人参与首次公开发行与客户利益不存在冲突，也应事先取得 IPO 参与批准。

正确答案 / Correct answer: C | VI(B)

即使未发现实际冲突，个人参与 IPO 仍可能造成优先分配或利益交换的观感，因此在公司允许参与时，建议事前审批。

Personal IPO participation can create apparent conflicts even without an identified actual conflict. When firm policy permits participation, preclearance is recommended.

其余选项为什么错 / Why the other choices fail

A：禁止交易期主要约束相关员工个人交易，不是阻止客户交易。B：应向雇主提交个人交易资料；向客户披露的是公司个人交易政策，并非一律交出个人交易副本。

A: Blackout procedures concern relevant employees' personal trades, not a blanket restriction on clients. B: Personal transaction reporting goes to the employer; clients receive relevant policy disclosures.

记忆提示 / Recall: 分清 who trades、who approves、who receives reports。

Identify who trades, who approves, and who receives the reports.

Q075 亲属持股与实际利益冲突

PRACTICE | Family holdings and actual conflicts

原题来源 / Source: 题库 PDF p.166（本节 p.20）| 答案 PDF p.75 | VI(A); V(B)

英文原题 / Original question

Sharon Chan, CFA, is an analyst at an investment firm. Chan issues a "buy" rating on a company in which her brother holds shares. Chan does not disclose her brother's holdings in her report as she has no beneficial ownership in her brother's account. Has Chan violated the Standards?

中文对照 / Chinese translation

Sharon Chan，CFA，是一家投资公司的分析师。她对一家公司作出“买入”评级，而她的兄弟持有该公司股票。Chan 没有在报告中披露其兄弟的持股，因为她对兄弟的账户没有实益拥有权。Chan 是否违反准则？

A. No

A. 没有。

B. Yes, the Standard relating to disclosure of conflicts

B. 有，违反利益冲突披露准则。

C. Yes, the Standard relating to communication with clients and prospective clients

C. 有，违反与客户及潜在客户沟通的准则。

正确答案 / Correct answer: A | VI(A); V(B)

按本题事实，Chan 没有该账户的实益拥有权，也没有其他影响独立判断的事实，因此未披露这项亲属持股不构成题设中的违规。不能仅因“亲属持有”就自动推定她有实益权益。

On the stated facts, Chan has no beneficial ownership and no other impairment of objectivity is established. A relative’s holding alone does not automatically establish her beneficial interest or a disclosable conflict in this question.

其余选项为什么错 / Why the other choices fail

B：本题没有表明需披露的实益权益或其他冲突。C：没有证据表明投资流程或重要分析因素沟通不足。

B: No beneficial interest or other disclosable conflict is established here. C: The facts do not establish deficient communication of the investment process or analysis.

记忆提示 / Recall: 先找本人利益、控制权或影响判断的事实，不只看亲属关系。

Look for personal benefit, control, or impaired judgment rather than family status alone.

适用边界 / Qualification: 不能把本题概括为“没有实益持股就永远不用披露”：若亲属关系或其他安排可合理预期影响客观性，仍应按 VI(A) 处理。

This is not a universal exemption for relatives. Other relationships or arrangements that reasonably impair objectivity may still require action under VI(A).

Q092 实益拥有权的控制标准

PRACTICE | Control-based beneficial ownership

原题来源 / Source: 题库 PDF p.170（本节 p.24）| 答案 PDF p.92 | VI(A)

英文原题 / Original question

A member manages two fee-paying family accounts at her firm. The member has the power to vote on the shares held in Account 1 and the discretion to sell shares held in Account 2. According to the Standards, is the member considered a beneficial owner of the shares held in her family accounts?

中文对照 / Chinese translation

一名会员在公司管理两个付费亲属账户。她有权对账户 1 所持股份行使表决权，并有权自主出售账户 2 的股份。根据准则，该会员是否被视为这些亲属账户中股份的实益拥有人？

A. No

A. 否。

B. Yes, for Account 1 only

B. 是，仅账户 1。

C. Yes, for both Account 1 and Account 2

C. 是，账户 1 和账户 2 均是。

正确答案 / Correct answer: C | VI(A)

本题所用定义不只看直接经济收益，也包括投票或指示投票的权力，以及处置或指示处置股份的权力。因此两个账户都符合题设的实益拥有权判断。

For the definition tested here, beneficial ownership includes voting/directing votes and disposing/directing disposition, as well as economic interests. Both accounts therefore qualify.

其余选项为什么错 / Why the other choices fail

A：把实益拥有权过度限缩为直接拥有或领取收益。B：忽略处置权也可满足定义。

A: It defines beneficial ownership too narrowly as direct economic ownership. B: It overlooks the power of disposition.

记忆提示 / Recall: 受益、表决、处置，任何适用的实质权益或控制都要检查。

Check economic interests, voting power, and disposal power.

适用边界 / Qualification: 账户是付费亲属客户账户，不代表交易时必须被排到其他客户之后；公平分配与实益权益披露、审批是不同问题。

Fee-paying family client accounts should not be disadvantaged in allocation. Fair treatment and beneficial-interest disclosures or preclearance are separate questions.

Q100 事前审批的范围与有效期

PRACTICE | Scope and validity of trade preclearance

原题来源 / Source: 题库 PDF p.172（本节 p.26）| 答案 PDF p.100 | VI(B); IV(A)

英文原题 / Original question

Amanda Covington, CFA, works for McJan Investment Management. McJan employees must receive prior clearance of their personal investments in accordance with McJan's compliance procedures. To obtain prior clearance, McJan employees must provide a written request identifying the security, the quantity of the security to be purchased, and the name of the broker through which the transaction will be made. Pre -cleared transactions are approved only for that trading day. As indicated below, Covington received prior clearance.

Security	Quantity	Broker	Prior Clearance
A	100	Easy Trade	Yes
B	150	Easy Trade	Yes

Two days after she received prior clearance, the price of Stock B had decreased, so Covington decided to purchase 250 shares of Stock B only. In her decision to purchase 250 shares of Stock B only, did Covington violate any CFA Institute Standards of Professional Conduct?

中文对照 / Chinese translation

Amanda Covington，CFA，在 McJan Investment Management 工作。按照公司的合规程序，员工的个人投资必须事先获批。申请时须以书面列明证券名称、拟购买数量及交易经纪商，批准只在该交易日有效。Covington 获批的交易如下：证券 A，100 股，经纪商 Easy Trade，已获事前批准；证券 B，150 股，经纪商 Easy Trade，已获事前批准。两天后，股票 B 的价格下跌，Covington 决定只买入 B，数量为 250 股。她决定仅买入 250 股 B，是否违反 CFA Institute 专业行为准则？

A. No.

A. 没有。

B. Yes, relating to diligence and reasonable basis.

B. 有，涉及勤勉与合理依据。

C. Yes, relating to her employer's compliance procedures.

C. 有，涉及雇主的合规程序。

正确答案 / Correct answer: C | VI(B); IV(A)

原批准仅限当日，而且 B 仅获批 150 股。两天后买入 250 股，时间和数量均超出批准范围，应重新申请。个人交易审批不是获得一次许可后无限期、无限量有效。

The clearance covered only that trading day and 150 shares of B. Buying 250 shares two days later exceeds both time and quantity limits and requires renewed clearance.

其余选项为什么错 / Why the other choices fail

A：忽略事前批准的明确限制。B：题设未说明研究或估值依据有问题，违规在于未遵守个人交易合规流程。

A: It ignores the explicit clearance limits. B: No research-basis deficiency is established; the violation is failure to follow trading procedures.

记忆提示 / Recall: 审批核对四项：证券、数量、经纪商、有效时间。

Check security, quantity, broker, and validity period against the approval.

Q103 非现金转介利益

PRACTICE | Noncash referral arrangements

原题来源 / Source: 题库 PDF p.173（本节 p.27）| 答案 PDF p.103 | VI(C)

英文原题 / Original question

Ken Kawasaki, CFA, shares a building with a number of other professionals who are also involved in the investment management business. Kawasaki makes arrangements with several of these professionals, including accountants and lawyers, to refer clients to each other. An informal score is kept on the expectation the referrals will equal out over time, eliminating the need for any cash payments. Kawasaki never mentions this arrangement to clients or prospective clients. Does Kawasaki's agreement with the other building occupants most likely violate any CFA Institute Standards of Professional Conduct?

中文对照 / Chinese translation

Ken Kawasaki，CFA，与其他从事投资管理相关业务的专业人士共用一栋办公楼。他与其中数位专业人士（包括会计师和律师）约定相互介绍客户，并以非正式方式记录次数，希望长期相互抵销，从而无需支付现金。他从未向现有或潜在客户提及这一安排。这项约定最可能违反哪项准则？

A. No.

A. 没有违反。

B. Yes, related to referral fees.

B. 违反转介费准则。

C. Yes, related to communication with clients.

C. 违反与客户沟通准则。

正确答案 / Correct answer: B | VI(C)

互相转介客户具有经济利益，即使没有现金交换，也属于需要披露的对价或利益。应让相关客户和雇主了解这一安排。

Reciprocal referrals are an economic benefit even when no cash changes hands. The arrangement falls under VI(C) and must be disclosed to the relevant parties.

其余选项为什么错 / Why the other choices fail

A：非现金不代表没有利益。C：最直接适用的是专门规范转介利益的 VI(C)。

A: Noncash benefits still count. C: VI(C), the specific referral-fee standard, is the most directly applicable rule.

记忆提示 / Recall: 转介费包括现金、实物和相互介绍。

Referral benefits include cash, benefits in kind, and reciprocal business.

Q121 披露冲突的目的

PRACTICE | Purpose of conflict disclosure

原题来源 / Source: 题库 PDF p.177（本节 p.31）| 答案 PDF p.121 | VI(A)

英文原题 / Original question

The Standard relating to disclosure of conflicts requires a member to:

中文对照 / Chinese translation

利益冲突披露准则要求会员：

A. avoid all actual and potential conflicts of interest.

A. 避免所有实际和潜在利益冲突。

B. treat all clients equally when disseminating investment recommendations or taking investment action.

B. 在发布投资建议或采取投资行动时，对所有客户提供完全相同的待遇。

C. provide clients and prospective clients with information needed to evaluate the objectivity of investment advice given by the member

C. 向客户与潜在客户提供评估会员投资建议客观性所需的信息。

正确答案 / Correct answer: C | VI(A)

充分、显著且易理解的披露，使客户能够评估建议是否受利益影响。现行 VI(A) 为“避免或披露冲突”；并非所有冲突都必须完全消除。

Clear, prominent disclosure enables clients to assess objectivity. Current VI(A) requires avoiding conflicts or making full and fair disclosure; it does not require eliminating every possible conflict.

其余选项为什么错 / Why the other choices fail

A：绝对化为“所有冲突都要消除”。B：公平交易不等于完全相同服务，而且不是该准则的核心要求。

A: It imposes an absolute elimination requirement. B: Fair dealing does not mean identical service and is not the specific requirement tested.

记忆提示 / Recall: 披露是为了让对方能判断，不是隐藏在小字里。

Disclosure must enable an informed assessment, not hide the conflict.

适用边界 / Qualification: 原题使用旧标题 Disclosure of Conflicts；现行标题为 Avoid or Disclose Conflicts，答案 C 仍适用。

The stem uses the older title Disclosure of Conflicts. The current title is Avoid or Disclose Conflicts; C remains applicable.

Q128 交易确认副本与事前审批

PRACTICE | Duplicate confirmations and preclearance

原题来源 / Source: 题库 PDF p.178（本节 p.32）| 答案 PDF p.128 | VI(B)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to priority of transactions? Investment personnel should:

中文对照 / Chinese translation

以下哪项是遵守交易优先准则的建议程序？投资人员应该：

A. examine all personal trades for possible conflicts immediately after execution of the trades.

A. 每笔个人交易执行后立即检查是否存在冲突。

B. direct their brokers to supply their firms with duplicate confirmations of all their personal securities transactions.

B. 指示经纪商向所属公司发送所有个人证券交易的确认副本。

C. make a one-time disclosure of holdings in which they have a beneficial interest to their firm upon commencement of the employment relationship.

C. 只在入职时一次性披露具有实益权益的持仓。

正确答案 / Correct answer: B | VI(B)

经纪商直接提供交易确认副本，使雇主能够独立核查个人交易。应通过事前审批及持续报告预防和监控冲突。

Duplicate broker confirmations provide independent evidence of personal trades. Preclearance and ongoing reporting help prevent and monitor conflicts rather than relying only on the employee’s after-the-fact review.

其余选项为什么错 / Why the other choices fail

A：仅交易后检查太迟，冲突应尽可能事前发现。C：一次性披露不能反映之后的持仓变化。

A: Post-trade review alone is too late for prevention. C: One initial disclosure misses later changes.

记忆提示 / Recall: 事前审批、持续披露、独立确认。

Preclearance, ongoing disclosure, and independent confirmations.

Q140 基金服务费回扣与冲突披露

PRACTICE | Fund fee rebates and conflicts

原题来源 / Source: 题库 PDF p.181（本节 p.35）| 答案 PDF p.140 | VI(A)

英文原题 / Original question

According to the Standard relating to disclosure of conflicts, a member should:

中文对照 / Chinese translation

根据利益冲突披露准则，会员应该：

A. reject a board position in a company on which the member's firm is planning to initiate a research report.

A. 拒绝出任公司准备开始研究覆盖的企业之董事。

B. ensure that her firm discloses to clients any rebates received from the service fee some classes of mutual funds charge to investors.

B. 确保公司向客户披露收到的回扣，该回扣来自某些类别基金向投资者收取的服务费。

C. place a company on a restricted list and issue factual information about the company if the member's firm holds options on the company's shares.

C. 若公司持有某企业股票的期权，就把该企业加入限制名单，并只发布事实资料。

正确答案 / Correct answer: B | VI(A)

推荐基金能令公司取得服务费回扣，会影响建议的客观性，客户应知道自己承担的成本与公司获得的利益。

A rebate earned when the firm recommends a fund creates a conflict. Clients should understand both the cost they bear and the benefit received by the firm.

其余选项为什么错 / Why the other choices fail

A：董事职务并非一概禁止，应处理冲突并作充分披露和适当隔离。C：持有期权需披露相关利益，并不自动要求限制名单。

A: A board role is not universally prohibited; conflicts require appropriate management and disclosure. C: An option interest requires relevant disclosure, not automatic restriction in every case.

记忆提示 / Recall: 问"谁因推荐获利"，再看是否披露。

Ask who benefits from the recommendation and whether that is disclosed.

适用边界 / Qualification: 原题沿用旧 VI(A) 标题；现行规则强调避免或充分公平披露冲突。披露不自动使其他被禁止行为合法。

The stem uses the older VI(A) title. The current rule is to avoid or fully and fairly disclose conflicts; disclosure does not cure otherwise prohibited conduct.

Q141 禁售期与家庭客户的不同要求

PRACTICE | Blackout periods and family client accounts

原题来源 / Source: 题库 PDF p.181（本节 p.35）| 答案 PDF p.141 | VI(B)

英文原题 / Original question

Which of the following is a recommended procedure for compliance with the Standard relating to priority of transactions?

Procedure 1	Members should disclose personal transactions relating to shares in their firm's research universe to clients upon request.
Procedure 2	Members should establish blackout periods prior to trades for clients.
Procedure 3	Members should treat fee-paying family accounts in which they have beneficial ownership in the same manner as they would treat their personal accounts.

中文对照 / Chinese translation

以下哪项是遵守交易优先准则的建议程序？

程序 1：客户要求时，会员应向客户披露其对公司研究范围内股票所作的个人交易。

程序 2：会员应在客户交易之前设立禁止个人交易的期间。

程序 3：对于会员具有实益所有权的收费家庭客户账户，应以与个人账户相同的方式处理。

A. Procedure 1

A. 程序 1。

B. Procedure 2

B. 程序 2。

C. Procedure 3

C. 程序 3。

正确答案 / Correct answer: B | VI(B)

原答案 B：禁售期防止利用客户交易信息抢先交易。家庭收费账户仍需公平分配；有实益所有权可能增加个人交易审批与申报，不能一概把客户账户置于个人账户的末位。

Blackout periods help prevent front-running. Fee-paying family clients retain fair allocation rights. Beneficial ownership can add personal-trading preclearance and reporting requirements without automatically depriving such accounts of client treatment.

其余选项为什么错 / Why the other choices fail

A：建议向客户披露的是公司的个人交易政策，而非所有个人成交明细。C："所有方面都按个人账户处理"过于笼统，混淆分配公平与合规申报。

A: The recommendation concerns disclosure of personal-trading policies, not all individual trades. C: Its blanket treatment confuses fair client allocation with compliance reporting.

记忆提示 / Recall: 家庭账户分配看客户身份；申报审批看实益权益。

Client status governs fair allocation; beneficial ownership can trigger reporting.

适用边界 / Qualification: 与 Q16、Q109、Q110 联读。现行 VI(B) 的 Family Accounts as Equals 示例确认这一细分，不要只凭"家庭"或"实益所有权"单个词机械作答。

Read with Q16, Q109, and Q110. Current VI(B), Family Accounts as Equals, supports this distinction; do not decide from a single keyword.

Q144 转介利益应向谁披露

PRACTICE | Recipients of referral disclosures

原题来源 / Source: 题库 PDF p.182（本节 p.36）| 答案 PDF p.144 | VI(C)

英文原题 / Original question

The Standards require a member to inform which of the following parties of any benefit received for referrals of clients?

中文对照 / Chinese translation

准则要求会员把转介客户所收到的任何利益，告知以下哪一方？

A. Only his employer.

A. 仅雇主。

B. Only his potential clients.

B. 仅潜在客户。

C. Both his employer and his potential clients.

C. 雇主与潜在客户均需。

正确答案 / Correct answer: C | VI(C)

相关雇主、现有客户与潜在客户应了解转介利益。本题选项只有 C 同时包含所列两类应获披露者。

Referral benefits must be disclosed to the relevant employer, clients, and prospective clients. Of the choices given, only C includes both of the listed required recipients.

其余选项为什么错 / Why the other choices fail

A：遗漏潜在客户。B：遗漏雇主。完整规则还包括相关现有客户。

A: It omits prospective clients. B: It omits the employer. The complete rule also includes relevant existing clients.

记忆提示 / Recall: 转介披露不止向老板报备。

Reporting only to the employer is not enough.

C. 评论 1 和评论 2。

正确答案 / Correct answer: B | VII(A)

要求修改考试权重属于个人意见；说"没有 GIPS 题"披露了实际考试未覆盖的内容，属于考试保密范围。批评可以，泄露考与未考内容不可以。

A request to revise topic weights is an opinion. Saying that no GIPS questions appeared discloses content absent from the actual exam and breaches confidentiality. Criticism is allowed; tested and untested exam content remains protected.

其余选项为什么错 / Why the other choices fail

A：评论考试政策本身允许。C：错误地把个人意见也视为违规。

A: Criticism of exam policy is permitted. C: It incorrectly includes the permissible opinion.

记忆提示 / Recall: 公开考纲可讨论，实际考卷覆盖范围不可透露。

Discuss the public curriculum, not what appeared on the actual exam.

原文提示 / Source note: 原题表格两行都标为 Comment 1，但选项及答案说明引用 Comment 2。保留原文，注明第二行标签重复；教学中可称第二条评论。 / Both table rows are labelled Comment 1, while the choices and explanation refer to Comment 2. Preserve the original and flag the duplicated second label.

Q060 等待成绩与未来报名意向

CORE EXAMPLE | Awaiting results versus intending to register

原题来源 / Source: 题库 PDF p.162（本节 p.16）| 答案 PDF p.60 | VII(B)

英文原题 / Original question

Which of the following individuals can refer to themselves as a candidate in the CFA Program?

Individual 1	Has passed Level II and expects to register for Level III in a couple of months
Individual 2	Has failed Level I and expects to retake the exam in its next administration
Individual 3	Is awaiting results of the Level III exam

中文对照 / Chinese translation

下列哪位人士可以称自己为 CFA 项目考生？人士 1：已通过二级考试，预计数月后报名三级。人士 2：一级考试未通过，预计下次考试时重考。人士 3：正在等待三级考试成绩。

A. Individual 1

A. 人士 1。

B. Individual 2

B. 人士 2。

C. Individual 3

C. 人士 3。

正确答案 / Correct answer: C | VII(B)

已参加某次考试且正在等待该次成绩的人仍可称为考生。只计划未来报名或重考，没有当前有效报名身份，不足以称为考生。

A person who has sat an examination and is awaiting the result remains a candidate. Merely intending to register for a future level or retake is insufficient.

其余选项为什么错 / Why the other choices fail

A：通过二级加上未来报名意向，不等于当前已报名三级。B：计划重考也不等于当前有效考生身份。

A: Passing Level II and planning to register does not establish current Level III candidacy. B: An intention to retake also does not establish active candidacy.

记忆提示 / Recall: 关键词是 registered 或 awaiting results，而不是 plans/expects to register。

Look for registration or awaiting results, rather than plans to register.

Q018 考试保密的范围

PRACTICE | Scope of exam confidentiality

原题来源 / Source: 题库 PDF p.151（本节 p.5）| 答案 PDF p.18 | VII(A)

英文原题 / Original question

Which of the following is a violation of the Standard relating to conduct as participants in CFA Institute Programs? A candidate:

中文对照 / Chinese translation

以下哪项考生行为违反“作为 CFA Institute 项目参与者的行为”准则？

A. discusses broad topic areas covered in the curriculum in an online forum.

A. 在网上论坛讨论课程覆盖的广泛主题领域。

B. tells her brother, after taking the exam, how glad she was that no questions about the binomial model were asked.

B. 考试后告诉兄弟，她很高兴考试没有出现二叉树模型的题目。

C. publishes on a social media website her disappointment about what she thinks is an overly academic CFA Program.

C. 在社交媒体上发表对 CFA 课程过于学术化的失望意见。

正确答案 / Correct answer: B | VII(A)

不能透露实际考试考了或没有考哪些内容。“没有二叉树题”同样泄露考试内容。公开讨论课程主题或表达对项目的批评，只要不泄密，均可允许。

Exam confidentiality covers both tested and untested topics. Saying that no binomial-model questions appeared reveals confidential exam information. Discussion of public curriculum topics and criticism of the program are allowed without disclosure of exam content.

其余选项为什么错 / Why the other choices fail

A：公开课程领域可以讨论。C：表达负面意见本身不违规。

A: Public curriculum topics may be discussed. C: Negative opinions alone are not prohibited.

记忆提示 / Recall: “没考什么”也属于考试机密。

What was not tested is also confidential.

Q058 考生身份与匿名使用称号

PRACTICE | Candidate status and anonymous designation use

原题来源 / Source: 题库 PDF p.161（本节 p.15）| 答案 PDF p.58 | VII(B)

英文原题 / Original question

Marianne Lynn is registered for the CFA Level I exam. A few weeks after registration, she realizes that she is unable to prepare for the exam due to work commitments, so she informs CFA Institute that she declines to sit for the exam. Afterwards, shortly before the exam date, she posts on social media that she is a CFA candidate. Separately, Thomas Petrov, CFA, posts his investment views anonymously on social media and tags his post using "#CFA charter." Who has violated the Standards?

中文对照 / Chinese translation

Marianne Lynn 已报名参加 CFA 一级考试。报名数周后，她发现工作安排使她无法备考，因此通知 CFA Institute 她决定不参加考试。此后，在临近考试日期时，她在社交媒体上称自己是 CFA 考生。另外，Thomas Petrov，CFA，匿名在社交媒体上发表投资观点，并使用“#CFA charter”标签。谁违反了准则？

A. Lynn only

A. 仅 Lynn。

B. Petrov only

B. 仅 Petrov。

C. Both Lynn and Petrov

C. Lynn 和 Petrov 均违反。

正确答案 / Correct answer: C | VII(B)

Lynn 已明确退出该次考试，不能继续以有效考生身份宣传。Petrov 使用匿名身份发表观点，却附上 CFA 称号标签，不符合将称号与真实个人身份关联的使用要求。

After declining to sit the exam, Lynn is no longer an active candidate for this purpose. Petrov may express opinions anonymously, but must not attach the CFA designation to an identity-concealing profile.

其余选项为什么错 / Why the other choices fail

A：忽略 Petrov 对称号的匿名使用。B：忽略 Lynn 已退出考试而失去该考生身份。

A: Petrov also misuses the designation. B: Lynn also misstates her status after declining the examination.

记忆提示 / Recall: 报名记录、有效考生身份、匿名账号，是三个不同问题。

Distinguish past registration, active candidate status, and an anonymous online identity.

Q061 客观考试事实与夸大称号

PRACTICE | Exam facts versus exaggerated designation claims

原题来源 / Source: 题库 PDF p.162（本节 p.16）| 答案 PDF p.61 | VII(B)

英文原题 / Original question

Kelvin Lee, CFA, is a portfolio manager at an investment firm. His social media profile reads: "Kelvin Lee passed all three CFA examinations in three consecutive years. As a CFA charterholder, Lee achieves better investment performance results." Has Lee violated the Standards?

中文对照 / Chinese translation

Kelvin Lee，CFA，是一家投资公司的投资组合经理。他的社交媒体简介写道：“Kelvin Lee 连续三年通过全部三场 CFA 考试。作为 CFA 持证人，Lee 能取得更好的投资业绩。”Lee 是否违反准则？

A. No

A. 没有。

B. Yes, by stating that he passed all three CFA Program examinations in three consecutive years

B. 有，因为他说自己连续三年通过全部三场 CFA 项目考试。

C. Yes, by stating that he achieves better investment performance results as a CFA charterholder

C. 有，因为他说自己作为 CFA 持证人能取得更好的投资业绩。

正确答案 / Correct answer: C | VII(B)

可以准确说明通过考试所花时间，但不能暗示持有 CFA 称号本身带来更高回报或更优投资表现。违规点是把称号与投资业绩优越性直接联系起来。

An accurate statement about the time taken to pass the examinations is permitted. The designation must not be used to imply superior investment performance.

其余选项为什么错 / Why the other choices fail

A：更好业绩的称号宣传违规。B：如属实，连续三年通过考试只是客观事实，并不单独违规。

A: The superior-performance implication is a violation. B: The factual examination timeline, if true, is not itself improper.

记忆提示 / Recall: 通过速度可以如实说；不能把速度或称号推导成更强投资能力。

State examination facts accurately without inferring superior investing ability.

Q076 未考内容也属于考试机密

Jane Macmara, CFA, has just passed Level III of the CFA exam. In her blog, Macmara shares her views: “CFA exams are outrageously difficult," and "Thankfully, the CAPM was not tested." Macmara has most likely violated the Standards:

中文对照 / Chinese translation

Jane Macmara，CFA，刚通过 CFA 三级考试。她在博客中发表观点：“CFA 考试难得离谱”，以及“幸好没有考 CAPM。”Macmara 最可能因何违反准则？

A. only by writing "Thankfully, the CAPM was not tested."

A. 仅因写道“幸好没有考 CAPM”。

B. only by writing "CFA exams are outrageously difficult"

B. 仅因写道“CFA 考试难得离谱”。

C. by writing both "Thankfully, the CAPM was not tested" and "CFA exams are outrageously difficult."

C. 因同时写道“幸好没有考 CAPM”和“CFA 考试难得离谱”。

正确答案 / Correct answer: A | VII(A)

考试内容的保密范围包括考了什么，也包括没有考什么。在 CFA Institute 自行公开前，不能透露 CAPM 未被考查。对考试难度表达一般意见则允许。

Confidentiality covers both tested and untested topics until CFA Institute releases them. Saying CAPM was absent reveals confidential content, whereas a general opinion about difficulty is permitted.

其余选项为什么错 / Why the other choices fail

B：一般难度评价不泄露具体考试信息。C：把允许的意见和禁止的内容披露都认定为违规，范围过大。

B: General difficulty commentary does not reveal specific content. C: It incorrectly treats both statements as prohibited.

记忆提示 / Recall: “没考什么”也是考试内容，不能公开。

What was not tested is still confidential examination information.

原文提示 / Source note: 题干原文称其为 CFA 并称刚通过三级；讲义保留原文事实，不额外推断其持证资格。The original designation and exam status are preserved without additional assumptions.

中文对照 / Chinese translation

Timothy Charles，CFA，申请投资分析师职位。他在简历中写道："CFA 持证人能够取得更好的投资业绩。"他还写道："作为 CFA 持证人，我是最有资格管理客户投资的人。"Charles 最可能因何违反准则？

A. only by stating, "CFA charterholders achieve better performance results."

A. 仅因声称"CFA 持证人能够取得更好的投资业绩"。

B. only by stating, "As a CFA charterholder, I am the most qualified to manage client investments."

B. 仅因声称"作为 CFA 持证人，我是最有资格管理客户投资的人"。

C. both by stating, "CFA charterholders achieve better performance results" and by stating, "As a CFA charterholder, I am the most qualified to manage client investments."

C. 因同时声称"CFA 持证人能够取得更好的投资业绩"和"作为 CFA 持证人，我是最有资格管理客户投资的人"。

正确答案 / Correct answer: C | VII(B)

两句话都夸大 CFA 称号的含义：第一句暗示必然有更好投资表现，第二句把称号当成相对他人最有资格的依据。准则允许准确描述资格，不允许由此保证优越表现。

Both claims exaggerate the designation. One implies superior investment results; the other asserts superior qualification because of the charter. Accurate descriptions are allowed, but unsupported implications of superiority are not.

其余选项为什么错 / Why the other choices fail

A：遗漏第二句对能力的夸大。B：遗漏第一句对业绩的夸大。

A: It overlooks the exaggerated competence claim. B: It overlooks the superior-performance claim.

记忆提示 / Recall: CFA 不等于保证更高收益，也不等于自动比所有人更有资格。

The charter neither guarantees higher returns nor automatically establishes superior qualification.

Q091 一般考试评价与批评意见

PRACTICE | General examination commentary and criticism

原题来源 / Source: 题库 PDF p.170（本节 p.24）| 答案 PDF p.91 | VII(A)

英文原题 / Original question

Anita Delgado is a candidate in the CFA Program. After taking the Level II examination, Delgado posts on a social networking website that she found the exam to be very difficult and that in her opinion, the CFA Program and CFA Institute were losing credibility with the public. Has Delgado most likely violated the Standards?

中文对照 / Chinese translation

Anita Delgado 是 CFA 项目考生。参加二级考试后，她在社交网站发文说考试很难，并表示她认为 CFA 项目和 CFA Institute 正在失去公众信任。Delgado 最可能是否违反准则？

A. No

A. 没有。

B. Yes, by posting information about the exam on a public website

B. 有，因为她在公开网站发布考试信息。

C. Yes, by compromising the reputation or integrity of CFA Institute

C. 有，因为她损害了 CFA Institute 的声誉或诚信。

正确答案 / Correct answer: A | VII(A)

她没有披露具体题目、考查主题或未考内容，只表达难度评价与个人意见。准则不禁止对 CFA Institute 或项目提出批评；表达批评本身不等于损害考试诚信的行为。

She reveals no questions or tested/untested topics, only general difficulty and personal criticism. The standard does not prohibit opinions criticizing CFA Institute or the program.

其余选项为什么错 / Why the other choices fail

B：公开谈一般难度不同于泄露保密考试信息。C：不应把批评意见本身视为不诚信行为。

B: General difficulty commentary is different from disclosing confidential content. C: Criticism alone is not dishonest or integrity-compromising conduct.

记忆提示 / Recall: 可以评价与批评；不能泄露内容或破坏考试程序。

Opinions and criticism are allowed; confidential content and examination integrity remain protected.

Q099 合理个人期待与一般意见

PRACTICE | Reasonable personal aspirations and general opinions

英文原题 / Original question

Elana Paralova, a Level I CFA candidate working at an asset management firm, wants to make a good impression on a prospective client. She tells the prospect: "Getting the CFA Charter will show I am serious about protecting the interests of my clients and it will boost my reputation. Once I get the Charter, I also hope to make more money by getting promoted!" Her colleague, Jacob Klemmer, CFA, tells Paralova: "Study all subjects for each exam, you never know what will be included. The three exams will be the most difficult exams you will ever take. Any promotion and pay raise will reflect your enhanced skills." Did either Paralova or Klemmer violate the Standards?

中文对照 / Chinese translation

Elana Paralova 是 CFA 一级考生，在一家资产管理公司工作。为给潜在客户留下好印象，她说："取得 CFA 特许资格将表明我认真保护客户利益，也会提升我的声誉。拿到资格后，我还希望通过升职赚更多钱！"同事 Jacob Klemmer，CFA，对她说："每一级都要学习所有科目，你不知道会考什么。这三场考试将是你经历过最难的考试。任何升职和加薪都会反映你能力的提升。"Paralova 或 Klemmer 是否违反准则？

A. No.

A. 没有。

B. Only Paralova violates the Standards.

B. 仅 Paralova 违反。

C. Only Klemmer violates the Standards.

C. 仅 Klemmer 违反。

正确答案 / Correct answer: A | VII(A); VII(B)

Paralova 表达对职业声誉及薪酬的期待，没有保证更高投资收益。Klemmer 评价考试难度并建议全面复习，没有泄露具体内容，也没有把称号宣传为业绩保证，因此两人均未违反题设准则。

Paralova expresses professional aspirations without promising superior investment returns. Klemmer gives general opinions on difficulty and preparation, revealing no exam content or guaranteed performance. Neither violates the standards on these facts.

其余选项为什么错 / Why the other choices fail

B：希望升职加薪不等于虚假承诺 CFA 必然带来更高投资回报。C：一般难度评价和全面复习建议不泄露考试内容。

B: Hoping for promotion is not a promise of superior returns from the charter. C: General difficulty opinions and broad study advice do not reveal confidential exam content.

记忆提示 / Recall: 区分个人期待、合理事实描述，与保证收益或夸大能力。

Distinguish aspirations and general opinions from guarantees or exaggerated competence claims.

Q104 不得滥用出题人身份营销

PRACTICE | Misuse of CFA examination involvement

原题来源 / Source: 题库 PDF p.173（本节 p.27） | 答案 PDF p.104 | VII(A); VII(B)

英文原题 / Original question

François Bemod, CFA, wrote questions for the Level I CFA exam for several years. After leaving the exam writing team, Bernod issues new marketing material for his investment firm, in which he states: "As someone who helped write CFA exams, I have learned unique insights into portfolio management that will be valuable for my firm's clients." 中文对照 / Chinese translation

François Bemod，CFA，曾为 CFA 一级考试编写题目数年。离开出题团队后，Bernod 在投资公司的新营销材料中表示：“作为曾帮助编写 CFA 考题的人，我获得了独特的组合管理见解，这些见解将为本公司客户带来价值。”但他同时在公开博客中对 CFA 协会的某些政策发表了数条负面评论。他最可能违反准则的行为是：

A. only by expressing negative opinions regarding CFA Institute policies.

A. 仅对 CFA 协会政策表达负面意见。

B. only by using an association with CFA Institute to further professional goals.

B. 仅利用与 CFA 协会的关系来推进职业目标。

C. both by expressing negative opinions regarding CFA Institute policies and by using an association with CFA Institute to further professional goals.

C. 以上两项行为均违反。

正确答案 / Correct answer: B | VII(A); VII(B)

违规点是暗示参与命题赋予独特投资优势，借协会关系获取不当营销利益。就协会政策表达批评本身不构成违反准则。

He improperly links exam-writing involvement to a special investment advantage for clients. Criticism of CFA Institute policies is permissible; the improper promotional claim is the violation.

其余选项为什么错 / Why the other choices fail

A：可以批评协会政策。C：其中只有不当营销成立，不能把政策批评也算作违规。

A: Policy criticism is allowed. C: It incorrectly treats the criticism as an additional violation.

记忆提示 / Recall: 可以批评政策；不能借协会身份暗示投资特权。

Policy criticism is allowed; claims of special investment privilege are not.

14 GIPS 业绩准则：组合与验证

GIPS: Composites and Verification

21 道原题 / original questions | 核心规则 / Core rules

GIPS 让业绩可比、完整、可信；遵循的主体是管理资产的机构，不是某个软件或一张漂亮图表。

GIPS supports comparable, complete and credible performance. Compliance concerns asset-managing entities, not a software product or an attractive chart.

01 GIPS 是自愿采用的伦理业绩标准，目标包括公平披露、全球竞争和行业自律；合规有助参与业务竞争，但不能替代投资者尽调，也不覆盖绩效衡量的每个问题。

GIPS is a voluntary ethical performance framework promoting fair disclosure, global competition and self-regulation. It can support competitive tenders but does not replace investor due diligence or cover every measurement issue.

对应原题 / Source examples: Q66 / Q88 / Q89 / Q95 / Q124 / Q125 / Q148

02 管理资产的机构可按适用要求宣称合规；向监督机构报告的资产所有者可适用 Asset Owners 标准。只提供咨询或软件、并未管理有关资产的供应商不能宣称自己合规。

Asset-managing entities may claim compliance under the applicable requirements; asset owners reporting to oversight bodies can use the Asset Owners standards. Consultants or vendors that do not manage the relevant assets cannot claim compliance merely for their services.

对应原题 / Source examples: Q78 / Q85

03 Composite 按相似投资 mandate、目标或策略组成，不按事后收益挑选。须纳入相关实际、收费、全权委托的独立账户；非全权委托账户不能硬塞进组合。客户限制严重妨碍策略时可判为非全权委托。

A composite groups similar mandates, objectives or strategies, rather than selecting winners after the fact. Relevant actual, fee-paying discretionary segregated accounts must be included. Nondiscretionary accounts are not forced into composites; substantial client restrictions may make an account nondiscretionary.

对应原题 / Source examples: Q25 / Q65 / Q93 / Q148

04 不能只说某项计算方法“符合 GIPS”就暗示整体合规。可靠输入、正确估值与规定计算方法共同支持可比业绩；须持续维护合规。

A claim about a GIPS-consistent calculation method must not imply full compliance. Sound inputs, valuations and required calculation methods support comparability, and compliance must be maintained over time.

对应原题 / Source examples: Q65 / Q90 / Q145

05 Verification 是独立第三方对整个机构有关政策、程序设计及实施的检查，自愿进行；不是内部合规部门对单个组合的认证，也不保证某份组合报告绝无错误。接受验证后责任仍由机构承担。

Verification is an optional independent firm-wide assessment of relevant policies and procedures and their implementation. It is not an internal or single-composite certification, does not guarantee every presentation’s accuracy, and leaves responsibility with the firm.

对应原题 / Source examples: Q17 / Q81 / Q90 / Q133 / Q135 / Q136

06 已终止 composite 的描述清单至少保留五年。法律与 GIPS 冲突时遵守法律并充分披露该冲突；这个规则不能与 CFA 个人职业标准的更严格要求原则混记。

Retain terminated composites on the list of composite descriptions for at least five years. Where law conflicts with GIPS, follow law and disclose the conflict. Keep this GIPS rule distinct from the stricter-requirement rule for individual professional conduct.

对应原题 / Source examples: Q79 / Q80

易错提醒 / Common trap

分清合规主体、composite 和 verification；“全部收费账户都必须纳入”遗漏了全权委托等条件。

Separate the complying entity, the composite and verification. Saying every fee-paying account must be included omits conditions such as discretion.

Q093 综合组合与防止选择性展示

CORE EXAMPLE | Composites and prevention of cherry-picking

原题来源 / Source: 题库 PDF p.170（本节 p.24）| 答案 PDF p.93 | GIPS

英文原题 / Original question

Which of the following comments concerning composites meeting the requirements of the GIPS standards is correct?

中文对照 / Chinese translation

下列关于符合 GIPS 要求的综合投资组合的说法，哪一项正确？

A. A firm's claim of compliance requires all fee-paying accounts managed by the firm be included in at least one composite

A. 公司声称合规，要求其管理的所有付费账户均纳入至少一个综合投资组合。

B. The requirement to create, use and maintain composites is designed to prevent firms using the best-performing accounts to represent an investment strategy.

B. 建立、使用和维护综合投资组合的要求，旨在防止公司用表现最好的账户来代表某项投资策略。

C. A composite must include all actual, fee-paying, discretionary and non-discretionary portfolios managed in accordance with the same investment mandate, objective, or strategy.

C. 一个综合投资组合必须包括所有按相同投资授权、目标或策略管理的真实、付费、全权委托和非全权委托投资组合。

正确答案 / Correct answer: B | GIPS

综合投资组合把按相近授权、目标或策略管理的账户集合起来，防止只拿表现最好的账户代表整项策略。两个干扰项都错误地把非全权委托账户也纳入要求。

Composites aggregate portfolios managed under similar mandates, objectives, or strategies to prevent presenting only the best accounts. Both distractors incorrectly encompass non-discretionary portfolios.

其余选项为什么错 / Why the other choices fail

A："所有付费账户"包括非全权委托账户，表述过宽。C：明确把非全权委托组合也纳入，错误。

A: All fee-paying accounts is too broad because it includes non-discretionary accounts. C: It explicitly includes non-discretionary portfolios, which is incorrect.

记忆提示 / Recall: Composite 的用途是策略整体可比，不能只挑赢家。

A composite represents the strategy consistently; it must not select only winners.

适用边界 / Qualification: 当前 GIPS 对独立账户与集合基金有不同的纳入细则；不要把本题简写记成"任何付费全权委托资产都毫无例外必须进入综合组合"。本题 B 的防止择优展示原则仍成立。

Current GIPS has distinct provisions for segregated accounts and pooled funds. Do not turn this question into an exceptionless rule for every fee-paying discretionary asset. B remains the valid anti-cherry-picking principle.

Q078 资产所有者的合规资格

CORE EXAMPLE | Eligibility of asset owners

原题来源 / Source: 题库 PDF p.167（本节 p.21）| 答案 PDF p.78 | GIPS Standards for Asset Owners

英文原题 / Original question

Which of the following can claim compliance with the GIPS standards?

中文对照 / Chinese translation

下列哪一类机构可以声称遵守 GIPS 标准？

A. Consultants who advise investment firms that manage discretionary client assets.

A. 向管理全权委托客户资产的投资公司提供咨询的顾问。

B. Asset owners that do not compete for business but report their performance to oversight bodies.

B. 不参与业务竞争，但向监督机构报告自身业绩的资产所有者。

C. Vendors that provide software to assist investment firms in claiming compliance with the GIPS standards.

C. 提供软件以协助投资公司声称遵守 GIPS 标准的供应商。

正确答案 / Correct answer: B | GIPS Standards for Asset Owners

不争取外部业务、但向监督机构报告业绩的资产所有者，可采用 GIPS Standards for Asset Owners。只提供咨询或软件，没有实际管理相关资产的机构，不能因此声称自身 GIPS 合规。

Asset owners that report to oversight bodies without competing for external business may use the GIPS Standards for Asset Owners. Providing advice or compliance software alone does not establish eligibility.

其余选项为什么错 / Why the other choices fail

A：单纯顾问服务不是实际资产管理。C：辅助合规的软件供应商也不能因此声称自身符合 GIPS。

A: Advice alone is not asset management. C: Helping clients comply through software does not make the vendor GIPS-compliant.

记忆提示 / Recall: 先辨认管理资产的主体，区分 Firm 与 Asset Owner。

Identify the entity managing assets and the applicable Firms or Asset Owners standards.

Q017 GIPS 核查的范围与性质

PRACTICE | Nature and scope of GIPS verification

With respect to the GIPS standards, which of the following statements is most accurate? Verification:

中文对照 / Chinese translation

关于 GIPS 标准，下列哪项陈述最准确？核查（verification）：

A. of GIPS compliance is mandatory if the firm claims GIPS compliance.

A. 公司声称遵守 GIPS 时必须进行。

B. is performed by the firm when self-regulating and certifying its claim of compliance.

B. 由公司自行监管并认证其合规声明时实施。

C. tests whether the firm's processes are designed to present performance results in compliance with the GIPS standards.

C. 测试公司流程是否旨在按照 GIPS 标准呈现业绩结果。

正确答案 / Correct answer: C | GIPS verification

核查由独立核查机构在全公司层面执行，评估相关政策和程序是否按 GIPS 设计并在全公司实施。它是自愿的，也不是公司内部自我认证。

An independent verifier tests firm-wide policies and procedures for design and implementation in accordance with GIPS. Verification is voluntary and is distinct from a firm’s own claim of compliance.

其余选项为什么错 / Why the other choices fail

A：核查不是声称合规的强制前提。B：核查须由独立第三方实施，不能内部自行核查。

A: Verification is not mandatory for a compliance claim. B: An independent third party performs verification.

记忆提示 / Recall: 合规是公司责任；核查是自愿、独立、全公司层面的程序。

Compliance is the firm’s responsibility; verification is voluntary, independent, and firm-wide.

Q025 组合群按策略分类

PRACTICE | Classifying composites by mandate

原题来源 / Source: 题库 PDF p.153（本节 p.7）| 答案 PDF p.25 | GIPS composites

英文原题 / Original question

Which of the following statements regarding the GIPS standards is accurate?

中文对照 / Chinese translation

关于 GIPS 标准，以下哪项陈述准确？

A. All fee-paying client portfolios must be included in at least one composite.

A. 所有付费客户投资组合都必须被纳入至少一个组合群（composite）。

B. All portfolios with the same investment mandate are aggregated into a composite.

B. 具有相同投资授权的所有投资组合被汇总为一个组合群。

C. Aggregation of portfolios into composites is based on the actual performance of the portfolios every year

C. 每年根据投资组合的实际业绩，将投资组合归入组合群。

正确答案 / Correct answer: B | GIPS composites

组合群按相似投资授权、目标或策略建立，不能按表现好坏挑选。按本题选项，B 最准确；A 漏掉自主投资管理权限等关键条件。

Composites group portfolios by a similar investment mandate, objective, or strategy, rather than by achieved returns. B is the best available choice; A omits important discretion and eligibility qualifications.

其余选项为什么错 / Why the other choices fail

A：不能省略 discretionary 等适用条件，把全部付费组合一概纳入。C：按业绩分组会产生挑选偏差。

A: It omits discretion and other applicable qualifications. C: Grouping by actual returns creates selection bias.

记忆提示 / Recall: 按投资策略分组，不能按事后收益分组。

Group by strategy, never by ex-post returns.

适用边界 / Qualification: B 为题库的简化表述；实际 GIPS 组合群纳入要求须区分自主裁量、独立账户及集合基金等适用情形，不应理解为无条件纳入所有账户。

B is simplified exam wording. Actual GIPS inclusion rules distinguish discretionary management, segregated accounts, and pooled funds; it is not an unconditional rule covering every account.

C. may determine a portfolio is non-discretionary if client imposed restrictions interfere with the implementation of the intended strategy

C. 如果客户施加的限制妨碍拟定策略的实施，可以认定该投资组合为非全权委托。

正确答案 / Correct answer: C | GIPS

GIPS 的裁量权判断取决于是否能落实既定策略。如果客户限制严重到组合不再能代表该策略，公司可以将其认定为非全权委托，并保留判断依据。

Discretion depends on the ability to implement the intended strategy. Documented client restrictions may make a portfolio non-discretionary when it no longer represents that strategy.

其余选项为什么错 / Why the other choices fail

A：非全权委托组合不得混入代表全权委托策略的综合组合。B：合规声明必须适用于符合全部适用要求的公司整体，不能只挑计算方法宣称合规。

A: Non-discretionary portfolios are excluded from discretionary composites. B: A firm cannot claim compliance selectively for its calculation methodology.

记忆提示 / Recall: Discretionary 看实质上的策略实施能力，不只看合同名称。

Assess actual freedom to implement the strategy, not merely the account label.

Q066 GIPS 的范围与基本概念

PRACTICE | GIPS scope and core concepts

原题来源 / Source: 题库 PDF p.164（本节 p.18）| 答案 PDF p.66 | GIPS

英文原题 / Original question

Which of the following is not a key concept of the GIPS standards? The GIPS standards for firms:

中文对照 / Chinese translation

下列哪一项不是 GIPS 标准的核心概念？适用于公司的 GIPS 标准：

A. require the use of composites.

A. 要求使用综合投资组合。

B. rely on the integrity of input data.

B. 依赖输入数据的完整可靠性。

C. address every aspect of performance measurement.

C. 涵盖业绩衡量的每一个方面。

正确答案 / Correct answer: C | GIPS

GIPS 以可靠输入数据、合理的综合组合及公平完整呈报为基础，但并不声称涵盖所有业绩衡量问题。题目问“不是”，应选择过度绝对化的 C。

Reliable inputs, meaningful composites, and fair reporting underpin GIPS. The standards do not purport to address every possible aspect of performance measurement, making the absolute claim in C incorrect.

其余选项为什么错 / Why the other choices fail

A、B：都是本题所考的基本原则；C 把标准覆盖范围夸大成“每一个方面”。

A and B reflect the core principles tested. C overstates the scope by claiming universal coverage.

记忆提示 / Recall: 留意 not 与 every；先圈定否定方向，再找绝对化表述。

Check the negative wording and the absolute term every.

Q079 GIPS 与法律冲突

PRACTICE | Conflicts between GIPS and local law

原题来源 / Source: 题库 PDF p.167（本节 p.21）| 答案 PDF p.79 | GIPS

英文原题 / Original question

Which of the following statements is most accurate? In countries where regulations conflict with, or contradict, the GIPS standards, firms that claim compliance are required to comply with:

中文对照 / Chinese translation

下列哪项最准确？在法规与 GIPS 标准冲突或相互矛盾的国家，声称符合 GIPS 的公司必须遵守：

A. local regulations with full disclosure of the conflict.

A. 当地法规，并完整披露冲突。

B. the stricter of local regulations or the GIPS standards.

B. 当地法规与 GIPS 标准中较严格的一方。

C. local regulations with optional disclosure of the conflict.

C. 当地法规，而是否披露冲突可自行决定。

正确答案 / Correct answer: A | GIPS

遇到不可兼容的法律或监管要求时，应遵守适用法律法规，并在 GIPS 报告中完整披露与 GIPS 的冲突。披露不是可选项目。

When applicable laws or regulations conflict with GIPS, the firm must follow those requirements and fully disclose the conflict in its GIPS Report.

其余选项为什么错 / Why the other choices fail

B：不能把 I(A) 对适用行为规范的"更严格"判断机械套到本题。C：冲突必须披露，不是自愿披露。

B: Do not mechanically substitute the I(A) stricter-rule formulation for this GIPS requirement. C: Disclosure of the conflict is mandatory.

记忆提示 / Recall: GIPS 冲突题：遵法 + 披露。

For a GIPS legal conflict: obey the law and disclose the conflict.

Q080 已终止综合组合清单期限

PRACTICE | Retention of terminated composites on the list

原题来源 / Source: 题库 PDF p.167（本节 p.21）| 答案 PDF p.80 | GIPS

英文原题 / Original question

According to the GIPS standards, a firm must include a terminated composite on the firm's list of composite descriptions for at least:

中文对照 / Chinese translation

根据 GIPS 标准，一家公司必须在综合投资组合描述清单中保留已终止综合组合至少多久？

A. 5 years after the composite termination date.

A. 自综合组合终止日起 5 年。

B. 7 years after the composite termination date.

B. 自综合组合终止日起 7 年。

C. 10 years after the composite termination date.

C. 自综合组合终止日起 10 年。

正确答案 / Correct answer: A | GIPS

已终止综合组合仍须保留在描述清单上至少五年，以便潜在客户了解公司曾管理的策略，避免历史业绩或策略被选择性隐藏。

A terminated composite must remain on the firm’s list of composite descriptions for at least five years after termination, preserving visibility into previously managed strategies.

其余选项为什么错 / Why the other choices fail

B：七年是另一个语境中记录保存的建议数字。C：十年涉及其他业绩历史要求，不能替代本题的清单保留期限。

B: Seven years relates to a different record-retention recommendation. C: Ten-year performance-history requirements concern a different issue.

记忆提示 / Recall: 记清对象与起算点：终止综合组合的描述清单，终止后五年。

Remember both object and start date: composite-description list, five years after termination.

Q081 验证的范围、主体与性质

PRACTICE | Verification: scope, provider, and status

原题来源 / Source: 题库 PDF p.167（本节 p.21）| 答案 PDF p.81 | GIPS

英文原题 / Original question

According to the GIPS standards, verification is:

中文对照 / Chinese translation

根据 GIPS 标准，验证（verification）：

A. performed with respect to an entire firm.

A. 针对整家公司进行。

B. performed by a firm's compliance department.

B. 由公司的合规部门执行。

C. mandatory for firms that claim compliance with the GIPS standards.

C. 对所有声称 GIPS 合规的公司均为强制要求。

正确答案 / Correct answer: A | GIPS

GIPS 验证覆盖公司整体，由独立第三方执行，属于建议而非声称合规的强制前提。它不等于仅审查一只基金或一个综合组合。

Verification is firm-wide and performed by an independent third party. It is recommended rather than a mandatory prerequisite for claiming compliance, and is not limited to a single composite or fund.

其余选项为什么错 / Why the other choices fail

B：内部合规部门不具独立第三方身份。C：验证是自愿的；满足全部适用要求本身才是声称合规的基础。

B: The firm’s own compliance department is not an independent verifier. C: Verification is voluntary; meeting all applicable requirements is the basis for the claim.

记忆提示 / Recall: Firm-wide、independent、voluntary：三词一起记。

Remember firm-wide, independent, and voluntary together.

Q085 管理实际资产的机构

PRACTICE | Entities managing actual assets

原题来源 / Source: 题库 PDF p.168（本节 p.22）| 答案 PDF p.85 | GIPS Standards for Asset Owners

英文原题 / Original question

Which of the following entities can claim compliance with the GIPS standards?

中文对照 / Chinese translation

下列哪类机构可以声称遵守 GIPS 标准？

A. A pension fund that manages investments for its beneficiaries

A. 为受益人管理投资的养老基金。

B. An investment consulting firm that focuses on enabling clients to self-manage their investments

B. 专注于协助客户自行管理投资的投资咨询公司。

C. A vendor that offers software products designed to help firms achieve compliance with the GIPS standards

C. 提供旨在帮助公司实现 GIPS 合规的软件产品的供应商。

正确答案 / Correct answer: A | GIPS Standards for Asset Owners

养老基金实际为受益人管理资产，可在满足相应要求后声称 GIPS 合规。若不争取外部业务而向监督机构报告，可适用资产所有者标准。

A pension fund manages actual assets for beneficiaries and may claim compliance after meeting the relevant requirements. An owner that reports to an oversight body without competing for business may use the Asset Owners standards.

其余选项为什么错 / Why the other choices fail

B：单纯协助客户自行管理，不等于自身管理实际资产。C：提供软件产品不能使供应商本身取得 GIPS 合规身份。

B: Enabling clients to manage their own assets does not mean the consultant manages assets. C: Software provision does not establish the vendor's own GIPS compliance.

记忆提示 / Recall: "能帮助别人合规"与"自己有资格声称合规"分开判断。

Separate helping another entity comply from eligibility to claim one's own compliance.

Q088 全球竞争与尽调的关系

PRACTICE | Competitive bidding and investor due diligence

原题来源 / Source: 题库 PDF p.169（本节 p.23）| 答案 PDF p.88 | GIPS

英文原题 / Original question

Which of the following is most accurate? GIPS compliance:

中文对照 / Chinese translation

下列哪项最准确？GIPS 合规：

A. eliminates investors' need for in-depth due diligence of the GIPS -compliant firm only.

A. 仅能消除投资者对 GIPS 合规公司进行深入尽职调查的需要。

B. enables the GIPS -compliant firm to participate in competitive bids against other GIPS -compliant firms only.

B. 仅能使 GIPS 合规公司参加与其他 GIPS 合规公司的竞争性投标。

C. both eliminates investors' need for in-depth due diligence of the GIPS -compliant firm and enables the GIPS -compliant firm to participate in competitive bids against other GIPS -compliant firms.

C. 既能消除投资者对 GIPS 合规公司进行深入尽职调查的需要，也能使该公司参加与其他 GIPS 合规公司的竞争性投标。

正确答案 / Correct answer: B | GIPS

GIPS 提升业绩的可比性，使公司更容易参加要求标准化呈报的全球竞争。但合规并不替投资者完成对策略、团队、风险及运营的尽调。

GIPS supports comparable performance reporting and participation in competitive mandates. It does not replace investors' investigation of strategy, people, risks, and operations.

其余选项为什么错 / Why the other choices fail

A：合规不消除深入尽调需要。C：包含了这一错误的"免尽调"说法。

A: Compliance does not eliminate due diligence. C: It combines the valid bidding benefit with the invalid due-diligence exemption.

记忆提示 / Recall: GIPS 帮助比较业绩，不能代替投资决策的尽调。

GIPS improves comparability; it does not substitute for investment due diligence.

适用边界 / Qualification: B 中 only 用于与本题另外一项陈述作选择；不要理解为 GIPS 只有这一项好处，或只能与合规公司竞争。

Read only in B in the context of the alternatives. It does not mean this is the sole benefit of GIPS or that a compliant firm may compete only against other compliant firms.

Q089 自愿合规与全球可比性

PRACTICE | Voluntary compliance and global comparability

原题来源 / Source: 题库 PDF p.169（本节 p.23）| 答案 PDF p.89 | GIPS

英文原题 / Original question

Which of the following statements is most accurate? Compliance with the GIPS standards:

中文对照 / Chinese translation

下列陈述哪一项最准确？遵守 GIPS 标准：

A. by firms eliminates the need for in-depth due diligence by investors.

A. 能消除投资者对公司的深入尽职调查需要。

B. enables firms to participate in competitive bids against other GIPS -compliant firms.

B. 使公司能够参加与其他 GIPS 合规公司的竞争性投标。

C. is mandatory for firms conducting business in countries that do not have regulations relating to investment performance presentation.

C. 在没有投资业绩呈报法规的国家开展业务时属于强制要求。

正确答案 / Correct answer: B | GIPS

GIPS 是自愿采用的业绩呈报标准，可支持全球比较和竞争性投标。即使当地缺乏业绩呈报法规，也不会因此自动变成强制规定；投资者仍需尽调。

GIPS is voluntarily adopted and supports international comparability and competitive bidding. The absence of local performance-reporting regulation does not automatically make it mandatory, and investor due diligence remains necessary.

其余选项为什么错 / Why the other choices fail

A：把标准化业绩呈报误当作全面尽调保证。C：缺乏当地法规不会自动将 GIPS 变为强制要求。

A: Standardized reporting is not a comprehensive due-diligence guarantee. C: Missing local regulation does not automatically mandate GIPS.

记忆提示 / Recall: Voluntary 是是否选择采用；一旦声称合规，则要满足全部适用要求。

Adoption is voluntary; a compliance claim requires meeting all applicable provisions.

Q090 持续合规责任与事前定义

PRACTICE | Continuing responsibility and predefined composites

原题来源 / Source: 题库 PDF p.169（本节 p.23）| 答案 PDF p.90 | GIPS

A firm claiming compliance with GIPS standards is required to:

中文对照 / Chinese translation

声称遵守 GIPS 标准的公司必须：

A. perform verification of the firm's claim of compliance.

A. 对公司的合规声明进行验证。

B. maintain its compliance even after the firm has been verified by an independent third party.

B. 即使已经接受独立第三方验证，也继续保持合规。

C. determine selection criteria regarding which existing portfolios to include in a composite at the end of the reporting period

C. 在报告期末才确定哪些现有投资组合应纳入某综合组合的筛选标准。

正确答案 / Correct answer: B | GIPS

公司始终对自己的合规声明负责；独立验证不会把责任转给验证人，也不会免除后续维持合规的义务。综合组合的定义及纳入标准应预先制定，防止期末按结果挑选。

The firm remains responsible for its claim and continuing compliance after independent verification. Composite definitions and inclusion criteria should be set in advance to prevent selection based on observed results.

其余选项为什么错 / Why the other choices fail

A：独立验证并非声称合规的强制前提。C：期末按已知结果确定纳入标准，可能导致挑选赢家。

A: Verification is not a mandatory prerequisite. C: End-of-period selection invites performance-based cherry-picking.

记忆提示 / Recall: 验证不转移责任，事后挑选也不能变成合规流程。

Verification does not transfer responsibility, and hindsight-based selection is improper.

Q095 GIPS 的目标

PRACTICE | Objectives of GIPS

原题来源 / Source: 题库 PDF p.170（本节 p.24）| 答案 PDF p.95 | GIPS

英文原题 / Original question

GIPS 标准的目标包括：

A. promoting financial regulators' interests.

A. 促进金融监管机构的利益。

B. promoting industry self-regulation on a global basis.

B. 在全球范围内促进行业自律。

C. obtaining acceptance of multiple local standards for accurate performance presentation.

C. 使准确业绩呈报的多套地方标准获得认可。

正确答案 / Correct answer: B | GIPS

GIPS 的目标包括保护投资者利益、提高信任、改善数据可比性、推动全球统一标准和行业自律。B 与全球行业自律目标一致。

GIPS seeks investor confidence, comparable performance data, a globally accepted framework, and industry self-regulation. B correctly identifies the self-regulation objective.

其余选项为什么错 / Why the other choices fail

A：目标强调投资者利益，并非监管者自身利益。C：追求全球统一认可的标准，不是多套互异地方标准。

A: The objective centers on investors rather than regulators' own interests. C: GIPS promotes a common global standard, not acceptance of disparate local standards.

记忆提示 / Recall: 投资者利益、全球可比、统一标准、行业自律。

Investor interests, global comparability, common standards, and industry self-regulation.

Q124 标准化历史业绩展示

PRACTICE | Standardized historical performance

英文原题 / Original question

The GIPS standards:

中文对照 / Chinese translation

GIPS 标准：

A. allow the use of a representative account to present the firm's overall investment results.

A. 允许用一个代表性账户来展示公司的整体投资业绩。

B. require firms to present performance history that only includes accounts remaining at the firm.

B. 要求业绩历史只包括仍留在公司的账户。

C. establish a standardized approach to presenting historical investment results to prospective clients.

C. 建立向潜在客户展示历史投资业绩的标准化方法。

正确答案 / Correct answer: C | GIPS

GIPS 通过一致的计算和展示框架提高历史业绩的可比性，并减少挑选有利账户与幸存者偏差。

GIPS establishes a standardized framework for calculating and presenting historical investment results, improving comparability and reducing selective or survivorship-biased presentations.

其余选项为什么错 / Why the other choices fail

A：代表性账户不能代替应有的组合群。B：只保留仍存续账户会造成幸存者偏差。

A: A representative account is not a substitute for required composites. B: Excluding terminated accounts produces survivorship bias.

记忆提示 / Recall: 展示真实策略历史，不能只挑好看的账户。

Present the strategy’s history without selecting only favorable accounts.

Q125 GIPS 的目标与自愿性

PRACTICE | GIPS objectives and voluntary adoption

原题来源 / Source: 题库 PDF p.178（本节 p.32）| 答案 PDF p.125 | GIPS

英文原题 / Original question

The GIPS standards were created to:

中文对照 / Chinese translation

制定 GIPS 标准是为了：

A. promote fair, global competition among investment firms.

A. 促进投资公司之间公平的全球竞争。

B. eliminate the need for costly in-depth due diligence by investors.

B. 消除投资者开展昂贵深入尽职调查的需要。

C. serve as a mandatory performance standard for asset management firms in countries without investment performance regulation.

C. 在没有投资业绩监管的国家，作为资产管理公司的强制性业绩标准。

正确答案 / Correct answer: A | GIPS

跨公司、跨国家可比较的业绩展示有助于公平竞争。GIPS 是自愿采用的伦理标准，不能替代投资者的尽职调查。

Comparable performance across firms and markets supports fair global competition. GIPS is a voluntary ethical framework and does not remove the investor's need for due diligence.

其余选项为什么错 / Why the other choices fail

B：合规并不是尽调替代品。C：并非因当地缺少监管就自动成为强制法律。

B: Compliance does not replace due diligence. C: A lack of local regulation does not make GIPS legally mandatory.

记忆提示 / Recall: 自愿采用；一旦宣称合规，适用要求必须满足。

Adoption is voluntary; a compliance claim requires meeting applicable requirements.

Q133 核证的范围

PRACTICE | Scope of verification

原题来源 / Source: 题库 PDF p.179（本节 p.33）| 答案 PDF p.133 | GIPS verification

英文原题 / Original question

According to the GIPS standards, verification must be performed:

中文对照 / Chinese translation

根据 GIPS 标准，核证必须：

A. with respect to an entire firm.

A. 以整个公司为范围。

B. on specific composites of a firm.

B. 针对公司的个别组合群。

C. by a firm's compliance department.

C. 由公司的合规部门执行。

正确答案 / Correct answer: A | GIPS verification

进行 GIPS 核证时，应由独立第三方在公司整体层面评估相关政策程序，不能只挑一个组合群称为公司核证。

A GIPS verification is performed by an independent third party on a firm-wide basis. Verifying a selected composite alone is not firm-wide verification.

其余选项为什么错 / Why the other choices fail

B：特定组合群的检查与整个公司的核证不同。C：内部合规部门缺少独立第三方身份。

B: A specific composite examination differs from firm-wide verification. C: An internal department is not an independent third-party verifier.

记忆提示 / Recall: 核证看整家公司，由外部独立方做。

Verification is firm-wide and independent.

适用边界 / Qualification: “核证必须如何执行”不等于“所有宣称合规的公司都必须接受核证”；核证本身属推荐。

Requirements for how verification is performed do not make verification itself mandatory for every compliance claim.

Q135 核证不保证单个组合群准确

PRACTICE | Verification is not a composite accuracy guarantee

原题来源 / Source: 题库 PDF p.180（本节 p.34）| 答案 PDF p.135 | GIPS verification

英文原题 / Original question

According to the GIPS standards, verification:

中文对照 / Chinese translation

根据 GIPS 标准，核证：

A. is performed on a firm-wide basis.

A. 在公司整体层面进行。

B. must be performed by a firm's compliance department.

B. 必须由公司合规部门进行。

C. ensures the accuracy of specific composite presentations.

C. 确保特定组合群展示的准确性。

正确答案 / Correct answer: A | GIPS verification

公司层面的独立核证为政策程序的设计与实施提供保证，不保证每个组合群报告或每个收益数字都准确。

Firm-wide independent verification provides assurance about the relevant policies and procedures. It does not guarantee the accuracy of each specific composite report or return figure.

其余选项为什么错 / Why the other choices fail

B：应由独立第三方进行。C：把程序层面的保证夸大成单个业绩报告的准确性保证。

B: Verification requires an independent third party. C: It overstates the assurance as a guarantee about a specific presentation.

记忆提示 / Recall: 核证不等于所有数字都被保证。

Verification is not a guarantee of every number.

Q136 核证覆盖的政策程序

PRACTICE | Policies and procedures covered by verification

原题来源 / Source: 题库 PDF p.180（本节 p.34）| 答案 PDF p.136 | GIPS verification

英文原题 / Original question

Verification provides assurance that which of the following have been designed in compliance with the GIPS standards?

中文对照 / Chinese translation

核证对以下哪些事项按 GIPS 标准设计提供保证？

A. Only the calculation and presentation of the firm's performance.

A. 仅公司的业绩计算与展示。

B. Only the firm's policies related to composite and pooled fund maintenance.

B. 仅公司有关组合群与集合基金维护的政策。

C. Both the calculation and presentation of the firm's performance, and the firm's policies related to composite and pooled fund maintenance

C. 公司的业绩计算与展示，以及组合群与集合基金维护政策，两者都包括。

正确答案 / Correct answer: C | GIPS verification

核证覆盖组合群及集合基金维护，也覆盖业绩计算、展示和分发的相关政策程序，并考察其是否在公司整体实施。

Verification covers policies and procedures for composite and pooled-fund maintenance as well as performance calculation, presentation, and distribution, including firm-wide implementation.

其余选项为什么错 / Why the other choices fail

A：遗漏组合群和集合基金维护。B：遗漏业绩计算、展示等相关程序。

A: It omits composite and pooled-fund maintenance. B: It omits the performance calculation and presentation procedures.

记忆提示 / Recall: 维护 + 计算 + 展示 / 分发，都是程序核证范围。

Maintenance, calculation, presentation, and distribution are all relevant.

Q145 业绩计算方法与账户范围

PRACTICE | Calculation methods and account scope

原题来源 / Source: 题库 PDF p.182（本节 p.36）| 答案 PDF p.145 | GIPS

英文原题 / Original question

Asset managers are most likely required to do which of the following as part of their adherence to the GIPS standards?

中文对照 / Chinese translation

资产管理人遵守 GIPS 标准时，最可能被要求做到以下哪项？

A. Adhere to certain calculation methodologies

A. 采用某些规定的计算方法。

B. Only follow the minimum GIPS requirements at the time of composite creation

B. 只在建立组合群时遵守最低 GIPS 要求。

C. Include all non-discretionary funds in at least one composite reflecting the investment mandate

C. 将所有非全权委托基金纳入至少一个符合其投资授权的组合群。

正确答案 / Correct answer: A | GIPS

准确输入与一致的计算方法支持跨公司的业绩比较。合规需要持续满足适用要求；组合群纳入规则不能扩张为所有非全权委托账户。

Accurate inputs and prescribed calculation methods support comparable results. Compliance is ongoing, and composite inclusion requirements cannot be extended indiscriminately to nondiscretionary accounts.

其余选项为什么错 / Why the other choices fail

B：建立组合群之后仍须持续合规。C：把非全权委托账户错误地列入强制纳入范围。

B: Compliance continues after a composite is created. C: It incorrectly mandates inclusion of nondiscretionary accounts.

记忆提示 / Recall: 方法一致，资料准确，持续合规。

Consistent methods, accurate inputs, and continuing compliance.

Q148 GIPS 的边界

PRACTICE | Scope and limits of GIPS

原题来源 / Source: 题库 PDF p.183（本节 p.37）| 答案 PDF p.148 | GIPS

英文原题 / Original question

Which of the following statements describe the key concepts of the GIPS standards?

Statement 1	The GIPS standards are ethical standards to ensure full disclosure of investment performance.
Statement 2	The GIPS standards require firms to maintain composites for all strategies for which the firm manages discretionary and non discretionary accounts.
Statement 3	The GIPS standards address all aspects of performance measurement.

中文对照 / Chinese translation

以下哪项描述 GIPS 标准的核心概念？

陈述 1：GIPS 是旨在确保投资业绩充分披露的伦理标准。

陈述 2：对于公司管理全权与非全权委托账户的所有策略，GIPS 均要求维护组合群。

陈述 3：GIPS 涵盖业绩衡量的所有方面。

A. Statement 1

A. 陈述 1。

B. Statement 2

B. 陈述 2。

C. Statement 3

C. 陈述 3。

正确答案 / Correct answer: A | GIPS

GIPS 强调公平呈现与充分披露。其组合群规则有账户类型与裁量权条件，并不把所有非全权账户纳入；也没有声称解决业绩衡量的每个方面。

GIPS promotes fair representation and full disclosure. Composite requirements depend on account type and discretion, and GIPS does not claim to address every aspect of performance measurement.

其余选项为什么错 / Why the other choices fail

B：无差别纳入非全权账户，范围错误。C："所有方面"过于绝对。

B: It overextends the requirement to nondiscretionary accounts. C: "All aspects" is too absolute.

原资料问题与适用边界

Source issues and limits to avoid overgeneralization

下列不是新增题目或改写题干，而是阅读附件时需要留意的缺失、排版问题和解释边界。正文已在相应题目旁标出。答案字母仍与用户提供的答案文档一致。

These notes identify source defects or interpretive limits; they do not add questions or repair missing facts. The same cautions appear with the relevant questions, and the answer letters remain those of the supplied key.

Q10

解析把 brother 写成 sister，并在末句混淆 material 与 nonmaterial；按原题和马赛克理论解释。

The solution changes brother to sister and confuses material/nonmaterial in its final line; the explanation follows the stem and mosaic rule.

Q14 / Q23 / Q32 / Q36 / Q57 / Q62 / Q129

多项表格有重复标签或夹入数字；Q23 两项均标 Comment 1。Q36 选项 C 末尾编号真实缺失，保留“待补充”。

Some statement tables have duplicate labels or stray digits. Q23 repeats Comment 1. Q36 option C genuinely lacks its final numeral; it is left missing.

Q11 / Q64 / Q68 / Q97

研究结论、已成交信息、未知风险与亏损的判断均取决于题目事实，不能概括为一律无责任。

Research conclusions, completed-order information, unknown risks and losses must be assessed on the stated facts, not treated as blanket exemptions.

Q16 / Q92 / Q109 / Q110 / Q141

收费家庭客户应公平对待；实益权益可能增加审批申报，不能混淆。

Fee-paying family clients retain fair treatment; beneficial ownership may add transaction controls. [R6]

Q25 / Q93 / Q145 / Q148

GIPS 组合群纳入要求须区分独立账户、集合基金与裁量权，避免把题中简写扩张为无例外通则。

GIPS inclusion depends on segregated accounts, pooled funds and discretion; do not turn shorthand into an exceptionless rule. [R12]

Q52 / Q67 / Q112 / Q114

部分原解析的准则罗马数字引用有误；本讲义按相应准则纠正编号，保留答案字母。

Some supplied explanations misnumber the Standard. This guide uses the applicable reference without changing the answer key.

Q56 / Q70 / Q87 / Q143

区分转介利益估计金额、服务费用披露、记录期限与季度报表建议，避免将不同规则混用。

Distinguish estimated referral compensation, service costs, retention periods and quarterly-statement guidance. [R4, R9, R10, R11]

Q75

兄弟持股在本题事实下不必披露，不代表所有可能影响客观性的亲属安排均可忽略。

The conclusion on a brother’s holdings is fact-specific, not permission to ignore all family conflicts.

Q112

原解 A 采用未经授权使用客户订单信息的解释；合并交易本身不是一律违规。

Key A relies on unauthorized use of confidential order information; block trading itself is not universally prohibited.

Q114

原解 C 把信息视为重大非公开，但题干未明确建立该前提；不要自行补写。

Key C assumes material nonpublic information, a premise not fully established in the stem.

Q119

原解 C 把球票作为额外报酬处理；学习时须区分事后礼物披露与冲突报酬的事先同意。

Key C treats tickets as additional compensation; distinguish past-performance gifts from prospective or conflicting arrangements. [R7, R8]

Q121 / Q140

题干沿用旧 VI(A) 标题；现行是“避免或披露冲突”。
